LEAVE CONCEIT AT HOME

New Brunswick, N. J.—(IP)—The 200,000 or more men and women who are entering college for the first time this fall were advised to "leave their conceit at home," when Dr. John M. Thomas, president of Rutgers University, addressed them over a nation-wide radio hook-up.

"Conceit in any society or group is not the way to popularity," he said, "least of all on the college campus. It is better to keep still about one's merits and achievements, and better still entirely to forget them."

"In every college one starts from scratch, and it is wise not to scramble to the first row when the freshman picture is taken. Merit, ability and powers of leadership find their just recognition as surely and as properly on an American college campus as in any place in the world."

"Tailors and haberdashers can help very little in that process, and a tongue too well lubricated is a great handicap."

EDUCATE CITY EMPLOYEES

Los Angeles—(IP)—In an effort to raise the standards of the various departments, the city of Los Angeles and nearby towns are cooperating with the University of Southern California to make it possible for city employees to attend classes at the University this fall at the end of their office day.

Special courses laid out by public officials will be given for credit toward certificates in subjects ranging from public finance and the administration of criminal law to water supply and irrigation and police report writing.

165TH ANNIVERSARY

Philadelphia—(IP)—The 165th anniversary of the founding of the University of Pennsylvania School of Medicine, the oldest on the American continent, will be celebrated here on October 10 and 11. Outstanding medical leaders from this country and others will take part in the ceremonies.

Honorary degrees will be conferred upon a number of men known internationally in the field of medicine.

HALF BILLION FOR EDUCATION

During the college year 1927-28, a half billion dollars flowed into the tills of colleges and universities in the United States, according to the reports of 1,071 institutions reporting to the United States Office of Education.

One-fourth of this came from the tuition and fees of undergraduate and graduate students; 23 per cent was appropriated by state and city governments; 13 per cent was given through private benefactions; 12 per cent was income from endowments; 10 per cent was from gross incomes from board and room charges, and 12 per cent was obtained from other sources. Three and four-tenths per cent was contributed by the United States government.

Last year there were more college students in the United States than in all the rest of the world combined. There were 1,237,000 students enrolled in colleges and universities in this country.

SAY BO, DID-JA?

Ever stay at camp
* * *
One whole day all by yourself
* * *
And on the Fourth at that
* * *
And didja just do it because of
* * *
A HEAVY DATE
* * *
When you could have gone eighty miles
* * *
To a rodeo and barbecue
* * *
And had a rare time
* * *
And didja tune up the old banjo because
* * *
SHE LIKED YOUR MUSIC
* * *
And didja borrow a Longhorn because
* * *
SHE wanted to see one
* * *
And when THE TIME came
* * *
Didja walk over to her house
* * *
With banjo and all
* * *
And find her OUT?
* * *
And didja wait until 10 o'clock
* * *
Before giving up
* * *
And then whiz across to Mexico
* * *
To forget it all?
* * *
Well, Walter Earl Syphrett (Slew) Maxwell

SOAP BOX ORATORY

Fayetteville, Sept. 23.—Soap-box oratory came into its own on the University of Arkansas campus Wednesday night when members of the freshmen class elected officers for the year.

After candidates were named, each was forced to go onstage in the Razorback auditorium, and with a two-minute time allowance, present a platform. The vote took a decided south-Arkansas turn with major officers going downstate. Curtis Rogers, Camden, was named president, four candidates making a bid for the office.

Victoria Cross, Dumas, was unanimously elected vice-president with Walter Neally, McGehee, secretary, and Don McCloud, Pine Bluff, treasurer. Jim Flynn, McGehee, was named freshman representative to the student senate.
