Sport Bits—

seen an A & M eleven go against mighty Texas teams—and twice have we come out victorious. This is our last chance—do your best, and let's make it decisive.

This time, the 37th meeting of soldier and civilian, we go into the fray decidedly the underdog—and way under. A press notice from Austin stated it was "considered impossible for the Farmers to beat the Longhorns." Sincerely, we hope the Texas team feels that way.

The game starts at 2 p. m. in the Longhorn Memorial stadium—remember the time—2 p. m.—and be there. Get there early—and when you yell, yell like hell.

ONE WILL ALWAYS STAND OUT

Whole-hearted,
natural, real!

EQUALLY genuine is the response of smokers to Chesterfield's satisfying goodness, its wholesome smoothness.

No one ever has to "acquire" a taste for Chesterfields. You don't have to learn to like them. Smokers take to their pleasing flavor instinctively . . . and here's why:

MILDNESS — the entirely natural mildness of tobaccos that are without harshness or bitterness.

BETTER TASTE — Such as only a cigarette of wholesome purity and better tobaccos can have.
