

# JUNIORS DON'T RUSH!

Contract for the manufacture of the ring for the Class of 1932 has been let to the Elliott Company to be sold through Sankey Park, Jeweler, of Bryan.

The old ring, that which was last used by the Class of 1929, has been selected for the official ring and the Elliott Company is now preparing a die for its manufacture.

In accordance with specifications given by the Ring Committee, this die is to have a high class engraving, deep and clear-cut, and the ring is to be manufactured so that the least possible amount of wear will show on its surface.

Stick behind the Ring Committee!

They have given you their best and deserve your support.

Wait until the sample of the 1932 ring arrives and the Class of 1932 will be the first in many years to have a uniform ring.

"There Shall Be No Regrets"—If You Wait.

GEORGE FIX,  
Class President

J. E. HURLEY, Jr.,  
Chairman, Ring Committee
