

Aggies Trample Steers With 34 To 10 Victory

Hitting the basket from all angles, Coach Reid's Aggie goal tossers ran wild over the lowly University of Texas Steers Saturday night in the Memorial Gym to defeat them 34 to 10.

The playing of Hoke, Moody and Bell was outstanding throughout most of the game. Moody, in scoring ten points was high point man, Bell and Hoke coming next with 8 and 7 respectively.

The fact that two of Moody's four goals were made directly from the side of the basket, and were the result of perfectly placed one hand shots, stamped him as one of the leading goal-shooters on the Aggie squad and thereby placed him in line for a regular berth on Coach Reid's fast stepping five.

By some very alert guarding Captain Shiro Hoke held Fomby, lanky Longhorn pivot man, to one field goal. At the same time Hoke managed to loop three baskets and one free throw before being replaced by Floyd in the middle of the second half.

Beau Bell, second in the scoring race Saturday night, with some clever passing and goal-shooting gave the spectators a few thrills until his departure from the game late in the second half.

Bull Elkins, Longhorn scoring ace was added to the Reidmen's list of no field goal victims, being stopped completely without even one to his credit for the entire game. Fomby, another Steer ace was also helpless before the air-tight defense of the Aggies.

When Hoke was removed from the game Saturday night it was the first time he has been replaced in a conference tilt this season.

Cavalry and the second with the lowly Composites, appears to be the future intramural football champion.

Beginning this week Lieutenant Nachman's sharpshooters, national champions last year in the small bore indoor rifle competition, will fire the first matches of the present season. The team appears to be equally as strong as last year's judging from practice records.

Coach Klepto Holmes is developing quite a freshman basketball team apparently. Having won five games to date in as many starts, the team has scored a total of forty or more points in every game. Temple Junior College, Navasota High School, and Blinn Memorial College are the victims in the games played to date.

Whatever else one may say about novels, there are no statements which are not likely to be disputed. One is that many people write them, and the other is that many people read them. —V. Sackville-West.
