

**Just try them . . .**  
***then leave them —***  
***if you can***

THE BEST WAY to find out just what the new Humidor Pack does for Camel smokers is to switch over to this famous brand for an entire day. After you have tasted the Camel blend of choicest Turkish and mellowest Domestic tobaccos kept in prime fresh condition,

just quit Camels if you can. Remember, it's dust-dry cigarettes that have been robbed of their natural moisture by evaporation or scorching that sting the tongue and burn the throat. There are none of these discomforts with Camels. Try them and see for yourself.
