

CAMPUS COMMENT—(Continued from page 4)

determined purpose to keep our fair city on the highest moral plane possible and when occasional isolated violations are brought to our attention we appreciate the information.

As regards the show in question we regret to advise that the city had no jurisdiction in the matter whatever, since it was not located within the corporation limits. The advance agents for the troupe applied for a permit to exhibit inside the city limits but such application was denied by the City Manager in accordance with the policy of the City Commission. It may be stated here, however, that the vulgar act to which you refer did not run the gauntlet undisturbed for the entire week, as it was closed by the Sheriff under orders of the District Judge immediately its character was discovered.

For your information we are also pleased to advise that the city of Bryan has had nothin whatever to do with the prohibition of Sunday moving picture shows because under the State Law prohibiting Sunday amusements the matter was placed entirely in the hands of the County officials, and I am sure that you will agree with the writer that our local county officers have not neglected their duty in this regard.

In conclusion may we assure you that the city officials of Bryan are most deeply concerned with the moral atmosphere as effecting the welfare not only the students at A & M College and Allen Academy but of all the people, and we sincerely hope that when the occasion again arises to criticize our officials you will make a more exhaustive inquiry into the facts of the matter.

Trusting that you will publish this letter in an early issue of your periodical, we are

Yours very truly,
City of Bryan,
By R. G. Williams, City Manager.

Nowotny-Holzmann—

(Continued from page 1)
of New Braunfels, and Reed McDonald.

Members of the bridal party were served refreshments in the dining room of the Holzmann home, and the other guests were served informally on the lawn.

Mrs. Nowotny is the only daughter of Mr. and Mrs. Holzmann. She is a graduate of Bryan High School, and attended C. I. A. and Texas University. Mr. Nowotny is a member of the graduating class this year, and will return from a trip to Dallas, for the graduation exercises.

The couple will make their home in Dallas, where the groom will work with the Proctor and Gamble Company.

Campus Appearances—
(Continued from page 1)

two years other projects will be under way. Following the completion of the Chemistry building, a building for the Agricultural Engineering department will be built. This will remove the wooden structures used by the department at present.

As dormitory conditions become better, the shacks are to be removed to other parts of the campus where they will be put into other uses.

Care and cultivation of the plants and shrubs that have recently been set out by the department of land-

scape art will produce a striking change in the general appearances of the campus for these evergreens have not matured yet, and will add considerably to the general appearance when they are full size.

Other improvements, which are not on the campus but will affect the students and the college people as well, is the new highway through the county which is to be routed on the east side of the college, about the present location of the Sulphur Springs road. The road north of Bryan has already been graded, and prepared for the concrete surface which is to be poured within the summer, and one road crew has started on the embankments and bridges on the part south of Bryan. Included in this project is the paving of the road from the corner of the Aggeland Pharmacy to the new highway. This will provide two paved roads to Bryan.

Staff And Plans—
(Continued from page 1)

engaged to handle all picture work for the summer and arrangements have been completed to have pictures taken at all the camps that students from the college will attend. A branch summer office is to be established at Camp Bullis, which will be used jointly with the Battalion, to do the work for the Artillery, Infantry, and Signal Corps organizations, and another will be located at Camp Clark at Brackets-

Netters Lose Two Men By Graduation

Captain Frank O'Bannon, Dallas, and F. H. Newman, Beaumont, brought their careers as Aggie netters to a close last week at the Conference tennis meet.

Next year's team will be selected from A. M. Emery, Dallas; A. O. Saenger, Beaumont; J. L. Cunningham, San Antonio; H. D. Burton, El Paso; and A. J. Miller, Corsicana; members of this year's squad, and S. W. French, San Antonio; W. D. Sorrells, Breckenridge; J. E. Robertson, Austin; and J. S. Woodward, Brownwood, members of the freshman team. Emery and Cunningham will be the only returning "T" men. As yet no captain has been selected to lead the 1932 team.

ville where the Cavalry will be established.

Contracts for the engraving are to be let the last of this week, and preparations are being made to start taking class pictures almost as soon as school starts next year in order that the work may be sent to the engraver and the printer as soon as possible.

Women To Wear More Clothes Stylists Say

(By The Intercollegiate Press)

NEW YORK.—College girls won't be able to take their entire wardrobe home in a handbag if what the Garment Retailers of America said in their annual convention here means anything.
