

Future Farmers Organized Here

Denman Elected President Of C. H. Winkler Intercollegiate Chapter.

The C. H. Winkler Intercollegiate Chapter of the Future Farmers of America met recently and elected officers as follows: T. E. Denman, Jr., Brownwood, president; Oran Dawson, Crockett, vice president; E. R. Stephenson, Bremond, secretary; D. C. Cox, Lampasas, treasurer; L. C. Gosch, Austin parliamentarian; T. E. Carter, Luling, watch dog; and E. M. Liem, Center, reporter. Mr. E. R. Alexander, department of agricultural education of the College, organizer of the state association was elected adviser of the chapter at the same time.

The chapter, which is in its second year, is named after Dean C. H. Winkler of the school of vocational teaching at A and M College. The purpose of the chapter, which is open only to senior students in Agricultural Education, is to acquaint the students with Future Farmer activities so they may qualify to serve as advisers to local chapters after leaving college.

CAGERS—

(Continued from page 2)
freshman team at that position last year.

The forward positions are well taken care of by two last year letter men, J. C. Moody, Corpus Christi, and C. E. Marcum, Estelina. Clifford Domingue, Port Arthur, and J. E. Robertson, Austin, freshmen numeral men of last year will fill the reserve list for this position.

Captain Charlie Beard, Fort Worth, versatile guard and forward, and Lester Veltman, San Antonio, runner-up in the selection for all-conference guard by sports writers last year and most valuable player, will take care of the defensive work. Incidentally the Aggie quintet of last year was the best defensive team in the conference.

Coach Reid hopes to build a powerful scoring team that will offset the lack of height. At present there are no outstanding shots on the team. The loss of "Shiro" Hoke will again be felt as he was the high scorer and the main cog in the Aggie defense last season. At the end of last season Joe Moody and "Bull" Marcum were very adept in hitting the basket, also.

Squadmen and freshmen numeral men of last year who are working for a place on the team are: J. E. Roberts, Terrill; C. G. King, Fort Worth; A. M. Doche, Amarillo; G. J. Fix, Dallas; J. P. Miller, Princeton; E. S. Horn, Dallas; G. C. Shepard, Orange; and E. T. Weber, Nixon.

Pre-conference games will not be of the same type as they were last year. The team will not make the road trip during the Christmas holidays and will take on only one opponent before the beginning of the new year.

RIFLE—

(Continued from page 2)
score, the unit having the highest score on the standing position will be awarded first place. The rules governing the firing will be the same as in the Training Regulations on Rifle Marksmanship. Lists of the seven men chosen to fire from each unit should be turned in not later than December 10, 1931.

Intramural medals will be awarded to the five high men on the winning team and to the Intramural manager of the organization represented by that team. The high point man of the match, regardless of the team he represents, will also receive a medal.

Only men who have not fired in any Varsity collegiate matches will be eligible to participate.

INFANTRY—

(Continued from page 2)
neers, A league; Company G Infantry, C league; and Company C Infantry, E league.

In class B, the league winners are: Troop C Cavalry, A league; Company A Signal Corps, league C; and Company C Infantry, Company B Infantry and Battery B Artillery all tied up for league D.

There will be play-offs between the winners of the leagues to determine the champions of each class. Each member of the class A winning team will receive a sterling silver intramural medal and each member of the winning team of class B will receive a bronze medal. Because of the medals given in class B, much more interest has been shown in this class than in former years apparently.

STOCK JUDGES TIE FIRST AT KANSAS SHOW

Caraway Is High Point Man In Intercollegiate Competition At American Royal Live Stock Show.

At the National Live Stock Forum in Wichita, Kansas, the A and M Stock Judging Team tied for first place in the Cattle Judging Contest and won fourth place in the Hog Judging Contest. C. M. Caraway, De Leon, was high on the Aggie team in these contests.

Fifteen Colleges competed for honors at the American Royal Live Stock Exposition at Kansas City, and the A and M Stock Judging team won first in the Cattle Judging Contest and placed second in Horse Judging. R. J. Von Roeder, Yorktown, was high on the Aggie team and was second among all contestants.

The team went to Iowa State College at Ames, Iowa, today on an inspection tour and will spend

Thursday visiting Purdue University at Lafayette, Ind., and Friday at the University of Ill., in Champaign, Illinois. They will compete for honors with twenty-one other Colleges at the International Contest in Chicago Saturday, November 28, and will stay in that city about a week before returning to A and M. At the International Contest last year the team placed fourth.

The boys are well and having a pleasant trip according to Mr. R. M. Milhollen, coach of the team, and are hopeful of bringing back more loving cups to add to the already plentiful display in the Animal Husbandry Pavilion.

Six Intramural Teams Begin Play December 12th

Intramural football will take up where varsity leaves off immediately after the Thanksgiving holidays are over on Tuesday, December 1. Each team manager will be issued eighteen uniforms and other equipment between 12:30 and 6 P. M.

As in previous years, there will

be seven teams competing for the title; First Infantry, Second Infantry, First Artillery, Second Artillery, Cavalry, Engineers, and the Composites which consists of the Band, Signal Corps, and the new team.

The first games are scheduled to be played Saturday afternoon, December 12. Six teams will play, one team will draw by each week. In the past three years no team has managed to go through a season without losing or tying at least one game. The games are hotly contested and the teams are, as a rule, evenly matched. The First Infantry, last year's champions, finished the season with one tie game against them, four of the other teams were tied for second place.

Coaches for the various teams will be selected in the near future by the football coaching staff. They will be men who have played varsity football and will be under the supervision of Joel Hunt.

Intramural football offers an equal chance for all those participating to show their ability as a football player. Many take advantage of this opportunity and consequently each year a number of men receive invitations for spring training. The varsity coaches watch these games very closely and are constantly on the lookout for players who are outstanding in this sport, since this is one of the

chief sources of varsity material. Mr. Penberthy is planning the schedule in such a manner that there will be a period of three

to four weeks between the end of the season and time for spring practice to start. This is done in order to give the candidates a rest.

MAJORING IN DIETETICS AND PHYSICAL EDUCATION

AT 10-2 & 4 O'CLOCK

"You needn't tell me — I know Camel is the fresh cigarette!"

Never parched, never toasted CAMELS are FRESH in nature's own mild way!

EVERYONE knows now that Camels are the fresh cigarette.

If inquiry went deeper, it would reveal that Camels are the natural moisture cigarette.

That's important, because in handling fine tobaccos, when you process out natural moisture, you sacrifice freshness and flavor too.

Camel smokers needn't worry about that, because Camels are blended of fine Turkish and mild Domestic tobaccos that are never subjected to violent process-

ing. They need no parching or toasting to make them smooth, palatable, cool.

That's why the Camel Humidor Pack is such a boon to Camel smokers—it preserves the freshness, flavor, natural moisture, fragrance that are in this fine cigarette to start with.

Camels are fresh in nature's own mild way, and if you want to see what that means in unalloyed smoke-enjoyment, switch to them for just one day—then leave them, if you can!
