the raw and finished product.

This contest not only has the hearty endorsement of the college authorities, but is creating much interest among a number of commercial concerns of the state which include; Anderson Clayton, internationally known cotton magnate; Texas Cotton Association; Federal Land Bank; and many other firms interested in the production of cotton.

The cotton contest is being sponsored by the A and M Department of Agriculture, the Texas Agricultural Committee, the Extension Service, and A. K. Short of the Federal Land Bank.

tion was about \$60,000.

It is planned by the Former students to operate the lands for the present, using the income for the establishment of the McFarlin Loan Fund, which will assist students of the college in the future by loans in much the same manner as has been done in the past.

**Improved Property**  
Comprising the gift, are two farms, one of 5,000 acres one mile from Rosser, Kaufman county on the Trinity, and one of 2,000 acres in Ellis and Navarro county, twelve miles from Alma. Both farms are highly improved, at a cost of \$1,000,000, the land being valued at \$500,000. Much of the land is already tenanted, their being 2,500 acres in alfalfa at present.

Both Mr. and Mrs. McFarlin are native Texans, though they have lived in Oklahoma since 1892. Mr. McFarlin was born July 27, 1866, on a farm near Waxahachie, close to one of the farms donated. Mrs. McFarlin was born at Pilot Point.

**Pioneer Farmer**  
Mr. McFarlin was one of the pioneer farmers in the Oklahoma territory, farming there and in Texas until in 1906, when he made his first venture into the oil business by organizing the Glen Pool district. He was one of the organizers and principal owners of the McMan Oil Company, formed in 1912.

It rapidly became one of the largest producers in the mid-continent field. It was sold in 1916 to the Magnolia Company for \$35,000,000.

He assisted in the organization of the Exchange National Bank of Tulsa, and the Exchange Trust Company. At present he has also extensive ranch holdings in Texas and Oklahoma.

**Many Donations**  
Previous philanthropies of Mr. and Mrs. McFarlin include major gifts totalling \$1,700,000, these being: a \$600,000 McFarlin Memorial Methodist Episcopal Church at Norman, dedicated in 1924, in memory of their infant son; the McFarlin Memorial Auditorium at Southern Methodist University, costing \$600,000, and in memory of Mr. McFarlin's mother and father, dedicated in 1926; \$150,000 Mary Catherine Hall at Westmoorland College, San Antonio, in memory of Mrs. McFarlin's mother, dedicated in 1926; a \$50,000 Mexican Boys' Dormitory at Wesleyan Institute in San Antonio, and the Tulsa Library at Tulsa University, costing \$300,000, dedicated in 1929.

Aggie captain who plays at either forward or guard, continued his march toward a berth on the mythical all-conference five by scoring nine points through the close Frog defense and doing some excellent floor work throughout the game.

High point honors for the evening went to Dietzel, with fourteen to his credit. "Buster" Brannen, Frog guard, proved himself worthy of consideration for all-conference material with some nice work on both offensive and defensive, far overshadowing that of the touted Aggie forwards, who remained virtually dormant in so far as goal shooting was concerned.

**Typing Contest Will Be Staged Here Next Week**

Aggies who can operate a typewriter on the afternoon of March 5 will have an opportunity to win prizes which will be offered winners in a typing contest to be staged in the Battalion office in the administration building.

Any A and M student who can type is eligible to enter the contest which is to be sponsored by Haswell's Book Store, Bryan, in order to introduce the latest model of the Smith-Corona typewriter.

First prize will be \$5 in cash, offered by Haswell's Book Store. Second prize will be a copy of the 1932 Longhorn. Third prize will be a pass good for three picture show performance at the Assembly Hall and fourth prize will be a special offer of a subscription of the Battalion for the remainder of the year.

Applications to enter the contest should be written and mailed to "Typing contest department, The Battalion, Campus," by Wednesday, March 3.

vault, and relay races but the present outlook is that the relay race will be the only event in which the Maroon and White will have an entry this year.

Patronize the Battalion advertisers. They are firms who want your trade, and think enough of it to make a bid for it through the student publication.

**"Sure, they Taste Better"**

● "I'm sort of restless... always on the lookout for something that hits the old taste spot... and clicks! But I've noticed that I never get tired of Chesterfields. They always taste better to me.

"That can't be an accident. It stands to reason... a cigarette that always tastes better... has got to be made better. You know what I mean... purer materials... more up-to-date ways of working, I'm willing to bet that's why my last Chesterfield of the day is as mild and satisfying as the first!"

**LIKE TO HEAR A REALLY GOOD RADIO PROGRAM?**

● Tonight... tune in on the Chesterfield broadcast at 10:30 Eastern Standard Time and listen to music by Nat Shilkret's Orchestra and Alex Gray, popular baritone. It's on the Columbia Network every night, except Sunday.

THEY'RE Milder... THEY'RE Pure... THEY TASTE BETTER... *They Satisfy*
