By W. J. Faulk  
Trouble is certainly "brewing"  
all around the loop for title hold-  
ers, as noted by recent victories of  
those Owls from the Institute  
known as Rice, then Baylor's Bears  
enter the picture and take an easy  
game from the Mustangs by a score  
which would be more appropriate  
at a football game. To cap it all  
those lowly Frogs of Texas Chris-  
tian step up and smite the champs  
squarely on the "chin," 7 to 1, and  
make 'em like it.

All athletic clubs have off  
days—well let's hope it was  
an off day for our baseball  
nine last week when they were  
so unmercifully trounced by  
the Toads, who are certainly  
not a team of championship  
calibre in the Southwest con-  
ference. Twelve hits to five  
tell the tale very briefly of  
how the Aggies met defeat.

Those Owls seemingly have no  
regard for reputation as they not  
only hand T C U a setback but re-  
turn three days later to give Uncle  
Billy Disch's touted Longhorns a  
drubbing. And those Steers failed  
to tally even one earned run in  
thirteen frames. Maybe Uncle  
Billy's entry is not so hot this  
year after all, or the Owls are quite  
a bit warmer.

By comparative results Bay-  
lor's Bears are about the class  
of the conference at this time.  
They easily tripped the Mus-  
tangs who very nearly took the  
Longhorns in camp, who in  
turn lost to the Owls by a slim  
margin. Then the Owls turned  
back to T C U, whose efforts  
were not in vain against A  
and M. And those may not be  
only comparisons, though it is  
sincerely hoped so.

Texas University has been as-  
sured of at least one conference  
title this year as their tankmen  
took the first Southwest swimming  
meet held officially as a confer-  
ence sport last week. A and M  
was second, followed by S M U and  
Rice in order. Texas is represent-  
ed this year by the best swimming  
team in their history while A and  
M met with the misfortune of hav-  
ing one of the weaker, but still  
capable of taking second place.

Track prospects of the A and  
M team at the conference meet  
boast few bright lights, but a  
few places are assured with  
Sam McCluney and "Honk"  
Irwin in the running. Irwin's  
throw of 46 feet in the shot  
put last week was the best in  
three dual meets. He also  
threw the discus a representa-  
tive distance of 142 feet. Sam's  
throw was only inches short of  
that made by "Honk."

The thinly-clads are due to meet  
real competition this week with  
Rice Institute's great array of  
trackmen on hand for a dual meet.  
The Ricemen boast the conference's  
best track and field team, and made  
good that boast at the conference  
meet last year and are planning  
to repeat this season.

A and M's net team was  
shown a few tricks of "How  
tennis should be played" by  
the night birds Monday after-  
noon. Captain Jake Hess and  
his mates of Rice gave the  
Aggies probably the most  
thorough trimming ever ad-  
ministered them. A lack of suf-  
ficient courts for practice may  
be said to account partially  
for the poor showing made by  
the A and M racqueteers.

place last Thursday afternoon when  
the two teams, Greys and Reds de-  
noted as Navy and Army, fought  
for sixty minutes and one lone  
score was finally made. Through-  
out the first half both teams  
marched up and down the field  
only to have their attacks bog down  
in the very shadow of their op-  
ponents' goal. The game went on  
until the final 35 seconds of play  
when the Reds succeeded in com-  
pleting a forward pass for the  
score. The final game of spring  
practice is slated for Thursday af-  
ternoon, April 7.

**Longhorns Take  
Track Meet With  
Top Heavy Score**

A speedy group of Texas uni-  
versity Longhorn thinly-clads cli-  
maxed their first spring invasion  
of Aggeland by defeating the Ag-  
gie track men 72 2/3 to 49 1/3  
Saturday afternoon on Kyle field,  
taking 9 out of 16 first places  
and tying for first in two other  
events. Their marked superiority  
lay in the running events wherein  
they took first place in all but the  
100-yard dash in which Kohler of  
the Aggies barely beat Meyers of  
Texas across the tape.

A lack of balance seemed to be  
the cause of the Aggie downfall.  
They were especially strong in  
field events taking three firsts and  
tying for first in two others, but  
exhibited a glaring weakness in the  
distances that will probably be  
remedied before the conference  
meet in Austin, May 14.

**Addicks Training Again**  
The return to practice of G. R.  
Addicks, La Grange, who has been  
out of action for the past two  
weeks has boosted the quarter-mile  
stock a great deal as he was sorely  
needed Saturday in the 440-yard  
dash and the mile relay, Texas  
took both first and second places  
in these events.

Coach Anderson will probably  
have a stronger team to put  
against Rice than the one against  
Texas. Hector Fuentes, who has  
been in the hospital and W. E.  
Nance, who started practice late,  
are rounding into form.
