The mad scramble to the finish line in the conference baseball race finds T C U's Frogs giving the favored group a literal "fit" as they continue on their march apparently headed for the title with only ten games on their schedule, and as yet only one set back against them. Either T C U or Texas University seems certain to emerge the champion when the curtain is rung down on one of the toughest races ever recorded in the annals of diamond history in the Southwest conference. Baylor's Bears still retain an outside chance to "slip-up and take the flag." Chances are extremely remote that such will take place, however.

Coach "Andy" Anderson's spectacular Aggie freshman track team showed the Varsity how in the 440 sprint relay when they dashed the distance in 43.3 seconds to lead the latter by one and one-tenth seconds. The team, consisting of Stringfellow, Randell, Hoosier and Wicker completely ran away from both the A & M and A C C teams, Wicker leading at the finish by more than ten yards. Wicker also won the exhibition 100 yard dash and clipped three-tenths of one second from the varsity time.

Second places proved the winning factor for the Aggies as the Abilene Christian College Wildcats took nine of sixteen first places in the dual meet on Kyle Field Monday afternoon. The West Texas crew was woefully weak in second place talent as they won only two. Worth Watkins, A C C athlete, gave the spectators a real exhibition of high jumping when he cleared the bar at six feet six inches, which happens to be just two inches short of the world record in that event. Watkins is a sophomore at the institution and displayed enough ability in his jumps here to remove any doubt that he is a brilliant Olympic prospect.

"Big Dooley Dawson," mammoth weight entry of the Aggies who is "Honk" Irwin's nearest competitor in size, pulled the "march Hare" stunt and thrice threw the discus directly at the score board and improvised press box, giving those present a very close shave each time. Rumors vary as to the cause of this wildness but as yet the exact reason is unknown.

Holidays and lack of practice had a telling effect on the A & M racquetters as evidenced by the trouncing they received from T C U on the Aggie courts Tuesday. Not even one match could be salvaged as the Aggies took a sound "white-washing" from the Frogs. The team has been handicapped materially by a lack of courts to practice on until recently and have yet to break into the win column, losing three straight thus far.

**Team Returns From Road Trip Tuesday Night Winning Half Of Games.**

The Mustangs of Southern Methodist fell victims to the onslaught of the champion Aggies to the tune of 9-3 when the latter shelled two Pony pitchers for a total of fifteen base blows Monday afternoon. The win from the Methodists gave the A & M crew an even break in four games played on the road trip which began Saturday and kept them in the race for at least second place honors.

**S M U takes Two Pitchers**

"Bud" McLeod, starting hurler for S M U found the going much too rough in the second frame and was sent to the showers under a barrage of hits as the Aggies ran up a safe lead that was never threatened.

Marshall Shaw went the route for the victors, keeping ten hits well scattered as his mates played almost perfect ball with only one miscue against them while their opponents made six.

**Davis Gets Six Hits**

Walter E. "Sweetie" Davis, all-conference second sacker for the Aggies from Fort Worth and one of the leading hitters in the loop, paced the A & M batsmen with four safe blows in six trips to the plate. His batting average previous to the game Tuesday was .389.

Against Baylor in Waco the Aggies split a double header Saturday afternoon, losing the first by a narrow margin and winning easily in the second. The Horned Frogs were a trifle too tough for the second time this season, playing this time in their own back yard, although errors by "Bugga" Moon probably accounted for their victory.

**Five Home Games**

The finish of this trip leaves the Aggies with seven games yet to be played, five of them on the home lot. The two final games of the season will be played against the Longhorns on Clark Field in Austin. Unlike those of previous years these games will not likely have any championship bearing since T C U is well on the way toward winning the banner.

**Tennis Team Loses Six Straight With T C U Racquetters**

Coach W. H. Thomas' racquet wielders suffered their third defeat of the season in losing to the T C U Horned Frogs, Tuesday afternoon on the Kyle Field courts in six straight matches in straight sets, being the worst defeat suffered by an A & M tennis team in several years. Too little practice seemed to be the main reason for the Aggie downfall.

Walsh, number one Frog player, defeated J. L. Cunningham, ranking Aggie player, in two straight sets, 8-6, 6-4, while Alexander of T C U had very little trouble in subduing Robertson 6-0, 6-2. Hicks beat A. M. Emery 6-2, 6-2, and Williams of T C U took in Williams of the Aggies 6-3, 7-5.

**Women Voters' Work To Be Topic At Next Social Seminar Meet**

"The Work of the League of Women Voters" will be the subject of Mrs. Minnie Fisher Cunningham, associate editor of the extension service staff, before the Social Science Seminar Monday evening at eight o'clock. The meeting will close the current schedule of the seminar.

Mrs. Cunningham assisted in the inauguration of the National League of Women Voters in Chicago in 1920. She later worked at the Washington headquarters of the organization as congressional secretary, becoming executive secretary and later vice-president in charge of organization and "get-out-to-vote" activities.

In 1922 Mrs. Cunningham served as chairman of the League of Women Voters Committee, helping to organize the first Pan-American Conference of Women. The conference was very successful, numbering among those attending, twenty-two official delegates from as many South and Central American countries.

For three years she was the Washington personal representative of the vice-chairman of the National Democratic Committee. Coming to College Station in 1930,

Mrs. Cunningham became associate editor on the extension service staff, which position she still holds.

**Firm Sells Essays For Four Years Of College—Price \$100**

(Intercollegiate Press) PRINCETON, N. J., April 26.—Cribbing in English classes in colleges and universities throughout the country is about to become a racket if activities revealed by the Princeton Alumni Weekly are actual.

According to the Weekly, an organization has been formed whose purpose it is to supply college undergraduates with four-year sets of essays for \$100 cash.

A representative of the group, says the Weekly, has visited the Princeton campus as well as those of Yale and Harvard in an effort to obtain perjured testimonials for the service, to be used in drumming up business in midwestern and far western colleges.

Bring a touch of **SPRING** to breakfast

You'll surely welcome Kellogg's Rice Krispies these mornings. Delicious, toasted rice bubbles that are so crisp they crackle in milk or cream. What could be more refreshing—or so much of a change from the heavy, hot dishes of winter!

And truth to tell, we don't need so many heavy, hot foods in this age of steam-heated houses and closed automobiles. Cold weather just isn't what it used to be. That's why red flannels and bed warmers have disappeared—and why crisp, delicious cereals are becoming more and more popular.

Kellogg's Rice Krispies are rich in energy, easy to digest. Great for a bed-time snack. Drop in at your favorite restaurant tonight and just try them.
