**Army Officers Take Advisory Positions In Ross Volunteers**

Major J. P. Wheeler and Major B. F. Delameter, who were elected military advisors for the Ross Volunteer company, attended their first meeting with this group last Thursday night at the Y. M. C. A. Chapel. Both of these men made their acceptance speeches at this time, assuring their full cooperation for the current year.

**Aggie Students Return Sunday From AIEE Meet**

Eight members of the local chapter of the American Institute of Electrical Engineers returned to the campus Sunday after attending the district meeting held at Norman, Oklahoma. This meeting is one of the annual affairs held over the United States in each AIEE district. The meets each year are followed by a national convention. Student representatives from A and M were accompanied by Professors M. C. Hughes, head of the Electrical Engineering department, H. C. Dillingham, and E. W. Markie. The students selected to make the trip were chosen by a competitive method of presenting topics at the meetings of the AIEE here.

**Aggies Represented At ASCE Convention By Four Delegates**

A and M delegates at the semi-annual convention of the Texas section of the American Society of Civil Engineers included two students and two faculty members. The convention was held in the Baker Hotel in Mineral Wells last Friday and Saturday. The A and M delegates were: M. M. Anderson, Lawn, Company "C" Engineers; T. O. Pike, Winters, Company "B" Infantry; J. J. Richey, head of the Civil Engineering Department; and J. T. L. McNew, professor of highway engineering. Texas University was the only other school represented, having two professors and five students present.

**San Antonio Club Elects Officers**

Members of the San Antonio Club elected W. W. Flannery president of that group for the coming year, at their first meeting which was held last week in the Y Chapel. Other officers elected were: G. B. Samuels, vice-president; L. W. Storms, treasurer; and C. K. Swanson, secretary.

**Republican**  
(Continued from Page 1)  
Republicans pledge assistance to cooperative marketing associations. This part of the platform favors protection for the farmer by advocating a tariff against foreign substitutes for our farm produce, and by the extension of the authority of the Reconstruction Finance Corporation to make loans on agricultural commodities, and to the Federal Farm Board.  
Seeking to live up to their time-worn slogan, "Republicans are more democratic than Democrats," the Hooverites propose to turn the prohibition question over to the people. They favor an opportunity for the people to pass directly on a proposed constitutional amendment which would allow states to deal with the problem as their citizens may determine, but subject to the federal government the right to protect those states which maintain prohibition and to safeguard citizens everywhere from the return of the saigon.

**A. & M. Reserves**  
in the shadow of their own goal, but were slow in getting off a punt. Ullrich, Aggie reserve, rushed in and blocked the kick. Stringfellow then crashed left tackle for the last score. As after the other touchdowns the try for point went wide. The Reserves also tried a field goal in the closing minutes of the game from a difficult angle of the field, but it too was wide.

**"Nature in the Raw is seldom MILD"**  
WITH CLIVE IN INDIA  
"Nature in the Raw"—as portrayed by the noted artist, Karl Godwin... inspired by the fierce and brilliant assault by Clive and a handful of followers, outnumbered 20 to 1 by savage hordes of bloodthirsty natives, at the Battle of Plassey—the birth of the British Indian Empire—as described in the famous Henry book, "With Clive in India."

AND you want something quick and nourishing—try a bowl of Kellogg's Rice Krispies with milk or cream and sliced bananas. These toasted rice bubbles are so crisp they crackle. And they are rich in energy that's quickly digested!

Enjoy Rice Krispies for lunch and feel fitter. Fine for a late snack around bedtime. So much better than heavy, hot dishes. All restaurants have Rice Krispies. Made by Kellogg in Battle Creek.

The most popular cereals served in the dining-rooms of American colleges, eating clubs and fraternities are made by Kellogg in Battle Creek. They include ALL-BRAN, PEP Bran Flakes, Corn Flakes, Wheat Krumbles, and Kellogg's WHOLE WHEAT Flakes. Also Kaffee Hag Coffee—real coffee that lets you sleep.

—and raw tobaccos have no place in cigarettes  
They are not present in Luckies... the mildest cigarette you ever smoked  
WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"—so these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.  
**"It's toasted"**  
That package of mild Luckies  
"If a man writes a better book, preaches a better sermon, or makes a better mousetrap than his neighbor, the lord will make a heaven of his house."—RALPH WALDO EMERSON.  
Does not this explain the world-wide acceptance and approval of Lucky Strike?
