

COTTON FESTIVAL—
(Continued from Page 1)

ager of the Texas Cotton Cooperative Association, Dallas; H. C. McNamara, in charge of cotton breeding work in Texas for the United States Department of Agriculture at Greenville; Roy Saunders, in charge of community standardization work in cotton for the United States Department of Agriculture, in Texas, also at Greenville; A. L. Ward, general manager of the Texas and Oklahoma Cotton Seed Crushers Association, Dallas; John W. Carpenter, president of the Texas Power and Light Company, Dallas, and others.

A charge of fifty cents per cover will be made for the banquet, according to J. S. Mogford, professor of agronomy and sponsor of the Agronomy Society. Admission for couples and stags to the pagant and ball will be \$1.50 and for unaccompanied ladies, the charge will be twenty-five cents. The proceeds from the affair will be applied to the travelling fellowship fund awarded to the winners of the annual cotton contests which will be held this month.

Miss Phyllis Matlock, of Frost, senior student and president of the student body at the Texas State College for Women (CIA) at Denton, was selected Queen by the student body of that school. She will reign over the night's festivities with Allen E. Bryant, senior agronomy student from Corsicans and president of the Agronomy Society as King Cotton. Miss Lillie Mae Walton, of College Station, daughter of President and Mrs. T. O. Walton, of the College, and Miss Mary McClellan of Austin, will serve as maids-of-honor to the queen. They will be escorted by F. E. Bortle, of Longview, and J. W. Aston, Farmeraville, respectively. Aston is the present colonel of the A and M cadet corps and Bortle held that military rank during the 1930-31 school year.

Many of the state's largest cities will be represented by duchesses in the Queen's court. The duchesses and their escorts are as follows: Anita Cox as "Miss Houston", and F. W. Brendle, Denver, Colorado; Nancy Nell Dikeman as "Miss Temple", and P. R. Marshall, Heidelberg; Mary Marguerite Brosseau as "Miss San Antonio", and E.

Aggie Nine Loses Two Games 7-5 And 12-6 To Beaumont

Exporters Win Both Games of Two-Game Series Played On Kyle Field Diamond.

The Beaumont Exporters made a clean sweep of a two game series with the Texas Aggie baseball nine by defeating the Aggies 7-5, Friday, and 12-6, Saturday, on the Kyle field diamond.

Bob Scheer, big right-handed hurler for the Aggies, held the Exporters to a 3-all count before he was relieved by Bugga Moon, Aggie southpaw in the seventh inning in the Friday game. Moon worked himself into a hole in the eighth inning by allowing a walk and two singles. Then, with no outs, Larry Wilbanks, substitute Beaumont outfielder, put the game on ice for the Exporters by knocking a homer over the right field fence. The visitors managed to score again before being retired for the inning.

The Aggie rallies in the two closing frames failed to even the count in the Friday game. Moon tripled in the eighth and scored on Mitchell's hit to pitcher. Ike Lowenstein's triple, Connelly's double, and Summer's fly to deep center accounted for the two runs in the ninth.

W. Colglazier, San Antonio; Sarah Tucker as "Miss Nacogdoches", and C. A. Coulter, San Antonio; Susanna Moehr as "Miss Austin", and E. J. Willson, Sherman; Dorothy Hedges as "Miss College Station", and R. J. Gwin, Oenaville; Patience Chance as "Miss Bryan", and E. O. Wursbach, San Antonio; Margaret Eubanks as "Miss Waco", and G. J. Hoeffert, Waco; Dorothy Kelly as "Miss Beaumont", and R. F. Draper, Commerce; Adrian Rose as "Miss Dallas", and H. W. Perkins, Dallas; Mary Daniels as another "Miss Dallas", and H. L. Graves, Corsicans; and Mary Ellen Dillingham as "Miss Fort Worth", and J. T. Zellers, Charleston, West Virginia.

Green and white will predominate in the color scheme of the decorations and the throne dais will be placed amid a formal garden scene. Smilax and other growing vines will be interlaced among trellises and arbor seats surrounding the hall against a background of trees and shrubs. Niches at each end of the garden will contain statuary. Olin Sanders of Bryan, senior architectural student, designed the decorations and is in charge of the supervision.

Governor Miriam A. Ferguson and former governor James E. Ferguson have accepted an invitation to attend the affair if administrative duties will permit their absence from Austin. The following Ross Volunteers have been selected as honor escort for the Governor and her party: H. Durst, III, Crockett; A. M. Emery, Jr., Dallas; T. W. Vaughan, Jonesville; D. M. Eichelberger, Waco, captain of the company; O. H. Smith, Jr., San Antonio; J. R. Montgomery, Jr., Waco; L. W. Storms, San Antonio; and J. L. Chapman, Lockhart.

Music for the occasion will be furnished by the Aggiewild Orchestra. Saturday night there will be a regular corps dance in the form of a "war dance", at which time the Campus Serenaders will vie with the Aggiewild in order to determine which of the two orchestras will play for the final corps dance later in the year. The dancers will cast ballots in order to select the most popular of the two dance bands.

Annual Engineers' Dance Held Friday Night In The Gym

Members of the Engineer Corps and their dates were entertained at the annual Engineer's dance which was held in the Memorial Gymnasium Friday, March 31. A banquet with covers laid for 114 couples was held in the banquet room of the college mess hall preceding the dance. Joe Dillon's Campus Serenaders played for both affairs.

The gym was decorated with festoons of Spanish moss and colored balloons suspended from the ceiling. A modernistic engineer castle formed the background for the orchestra, and a small moss-covered tunnel led to the dance floor.

Floor shows, including a torch singer and two novelty dance teams were presented at both the banquet and the dance.

Saturday night the Engineers were honored with a dance at the La Salle Hotel in Bryan, with the Aggiewild orchestra playing for the event.

Mechanical Engineers Inspect Printing Shop

The Aggie Chapter of the American Society of Mechanical Engineers made an inspection of the College Print Shop recently.

T. H. Powell, Terrell, senior, mechanical engineer who operates one of the linotype machines explained the details and operations of the different presses and other devices in the shop.

Intramural Handball Championship To Be Decided This Week

Probably the fastest intramural handball contest ever to be seen on an A and M court will be held this week when W. D. Sorrells and L. A. Shone, Battery "F" Field Artillery, attempt to dethrone J. M. Mitchell, and H. C. Stefani, Battery "B" Field Artillery, in the finals of the intramural handball contests.

Stefani and Mitchell have won the college championship for the

past two years in this intramural sport.

Sorrells and Shone have proven to be exceptionally strong in the semi-finals contest and according to "dope" given by the intramural managers, they are favored to wrest the championship laurels by a slight margin.

Both contestants for the finals in the intramural singles contest have not been determined yet. Stefani has arrived at the finals, but his opponent has not been selected. Sorrells and Mitchell will play each other in order to determine which shall oppose Stefani for the singles championship.

Sugareff Addresses International Club On Hitler's Power

"Hitler's Rise to Power" was the topic for discussion at the meeting of the International Affairs Club which was held Tuesday night in the Y M C A parlour. V. K. Sugareff, professor of history, gave a paper which covered the subject from such angles as "Hitler the man", "his domestic and foreign policies", "his treatment of the opposition parties and persecution of the Jews", "his demands for equality in armament and for Germany in international conferences", and "his demands that Germany's colonies be returned to her".

At the club's next meeting, L. A. Handler, Galveston, will discuss the international war debt question.

Aggie Band To Play At Brenham Mayfest On May 19 and 20

Arrangements have been made to have the entire A and M band play at the May Fest to be held Friday, May 19, in Brenham. The Texas University band will also play at the Texas-A and M baseball games on Friday and Saturday, May 20, which are to be held in connection with the May Fest. Transportation will be furnished by the Bryan Chamber of Commerce.

F. L. Bryan, Dublin, captain of the band, also announced that a concert is being planned for Friday night after the game at Brenham to help defray the expenses of the trip.

Christians Need Not Be Respectable Says Dr. Emerson Fosdick

New York—(IP)—Respectability is not a necessary part of the character of a Christian, in the opinion of Dr. Harry Emerson Fosdick.

"Christians," he said last week, "never were meant to be respectable. The Master was not. He was maladjusted to the status quo. Christians are supposed not merely to endure change, nor even to profit by it, but to cause it."

Were you BORN TIRED?

When you see Niagara Fall on the package, you KNOW you have Shredded Wheat.

HO, HUM . . . another day, another dollar. But why let it put you in a state of vertical collapse, when the nearest campus eating place has the best pick-me-up awaiting your command?

It's Shredded Wheat, the food that's VITALLY DIFFERENT. That puts the spring in your step. Some folks call it "energy by the bowlful." And it is—for Shredded Wheat is whole wheat, the one cereal grain that's packed with proteins, carbohydrates, minerals and vitamins. All these vital, life-sustaining elements—nothing add-

ed, nothing taken away—come to you in Shredded Wheat. With just the right amount of bran, measured for you by Nature.

You'll like the taste. Millions say they do. Have it served any way you like—with milk or cream, fresh or preserved fruit. It will even put new life in your pocket-book . . . it's a lot of food for a little!

Hot Weather IS COLD-DRINK TIME REFRESH YOURSELF at **CASEY'S Confectionery**

A MIRACLE . . . You sit at home in easy chairs, behind closed doors, while from a sound-proof room . . . perhaps thousands of miles away . . . comes the music that you listen to on the Chesterfield program.

That sealed room in the Columbia Broadcasting Headquarters sends out good music and good songs 6 nights a week to 50 million people from coast to coast . . . with the voice of Norman Brokenshire . . . just about the best announcer in this country . . . to tell you "Chesterfields are milder and taste better."

Why is the Chesterfield Program broadcast 6 nights a week over a coast-to-coast network reaching 50 million people?

Because we want every smoker in this country to know that Chesterfield cigarettes are milder.

We want to tell every smoker from coast to coast that Chesterfield cigarettes taste better . . .

We want everyone to know that they can depend on a LIGGETT & MYERS product.

Chesterfield

THEY'RE Milder— THEY TASTE BETTER
