

Seven New Champs And One Repeater Crowned In Boxing

Technical Knockouts Are Registered In Four of Eight Final Fights.

Seven new champions and one repeater from last year's bouts were crowned and re-crowned in the Memorial Gymnasium when intramural boxing closed. Ex-students who witnessed the matches were treated to some of the best and hardest fought matches seen on the gym floors in several years. Four of the eight bouts were terminated by technical knock-outs, while the other bouts were awarded on decisions, one bout going an extra round before a decision could be reached.

A fast match in the 115 pound class between A. N. Moon, Swifton, Arkansas, and W. D. Percy, Jonah, opened the night's bouts. The fighting was evenly decided until the final round when Moon returned from his corner to wrest the bout from his opponent by a slight margin.

The feature of the night was the evenly fought match between H. S. (Bloody) Brinsmade, Mexico City and J. T. Houk, Sanford. A fourth round was required for the decision in this bout, Brinsmade winning the extra round to give him his second intramural boxing championship. In his freshman year he won the 115 pound class, losing in the 125 pound class his sophomore year did not daunt him, and he returned this year to make good in that class.

H. E. Storms, San Antonio, by maintaining an aggressive offensive overwhelmed Omar Smith, also of San Antonio, to win the 135 pound class laurels.

Technical knockouts determined the victors in the 145 and 155 pound classes. B. O. Ellington, Shelbyville, champion for three years scored a technical knockout over G. F. Melton, Houston. J. R. Oppenheim, Houston, by twice knocking J. W. Cravens, Anna, to the mat, was adjudged the winner of the 155 pound class.

A sudden burst of energy on the part of J. H. Frick, Bay City, enabled him to place a blow which ended the third round in the 165 pound class and giving him a victory over J. O. Stephens, Temple. In the 175 pound class, A. R. Ste-

wart, Lewisville, won with a technical knockout over R. F. Chambliss, Madisonville. The surprise of the evening was the speed displayed in the heavyweight class which brought the spectators crowding around the ring. J. W. Crow, Milford, took the decision from G. J. Clark, Breckenridge, to win in this class.

W. L. Penberthy, director of intramural athletic was the referee for the matches.

Show Talk

By Lewis Gross

At the Palace

Thursday, Friday, and Saturday—Central Airport.

Preview and Tuesday—The Keyhole.

Sunday and Monday—Sweepings.

Wednesday only—The Animal Kingdom.

At the Assembly Hall

Saturday night—Self Defense.

Wednesday, April 26—What! No Beer.

"Central Airport" is a thrilling story of the newer substitute for the high seas. Richard Barthelmess is a pilot for a passenger line who, through a succession of crashes, thrills, love affairs, and fights, ends up as a mercenary soldier. He is even subjected to the old bromidic heart-string pulling act of sacrificing himself for a great love.

Cast: Richard Barthelmess, Sally Eilers, Tom Brown.

A detective is hired by a jealous husband to test the faith of a rich man's wife. And the detective falls in love with the wife. What could be sweeter? But that isn't all, there is still another man. And that is keyholing on "Keyhole". Even all these complications could not prevent a happy ending. That's that.

Cast: Kay Francis, George Brent, Glenda Farrell, Allen Jenkins, and Monroe Owsley.

Showing only one day, this much advertised picture should crowd the Palace, as it (Animal Kingdom) is reported to be one of the best pictures of recent years. This picture is truly representative of the modern generation; the story of a man who was seduced from his mistress by his wife and seduced back again. Boccaccio would have made this a wonderful short story! Barry did make it a touching drama.

Cast: Ann Harding, Leslie Howard, Myrna Loy, Neil Hamilton, William Gargan.

"Self Defense" is based on a story by Peter B. Kyne and deals with a saumon, a young girls' finishing school, a stalwart hero, a not so innocent mother, a villain, a murder, crooked dice, and a trial. Has a good cast.

Cast: Pauline Frederick, Claire Windsor, Theodore von Eltz, Barbara Kent, and Robert Elliott.

Dates For Intramural Track and Field Meet Are April 29th-30th

Intramural "cinder-chasers" will have a chance to show their prowess Saturday and Sunday, April 29-30, when the annual intramural track and field meet will be held on the Kyle Field track. Preliminaries will be held Saturday, April 29, in all races except the half mile and mile runs. The finals will be held Sunday, April 30.

The field events and the track events will be coordinated in such a way as to allow contestants to enter both divisions if they desire to do so.

Events scheduled for the meet are as follows: 100-yard dash; 220-yard dash; 440-yard dash; half-mile run; mile run; 120-yard high hurdles; 220-yard low hurdles; shot put; discus throw; javelin throw; broad jump; high jump; and the pole vault.

Warden Elected To Head Former Students Club

I. A. Uhr Is Elected Vice-President; McQuillen Is Re-Elected Secretary.

T. B. Warden, Dallas, was elected president of the Former Students' Association for the ensuing year at the annual business meeting held here during last week's reunion. Mr. Warden, a graduate of the class of 1903, is district manager for the Portland Cement Association.

I. A. Uhr, San Antonio, was elected vice-president, and E. E. McQuillen, College Station, was re-elected executive secretary. Retiring officers are A. K. (Dad) Short, Houston, and Melvin J. Miller, Fort Worth.

R. C. Black, Beaumont; Jack Shelton, Luling; and the three newly elected officers of the association will make up the executive committee for the new year. Julius Schepps, Dallas, and C. A. Tansheiser, Houston, will represent the association on the college athletic council.

Luchese Adds Tailor Shop To Present Plant

Notice was received today from the Luchese Boot Company, makers of military boots, that they are now tailoring regulation uniforms as well as manufacturing boots. A. M. Haag of that firm stated, "We will be in a position to take care of seniors that are in need of this equipment. Our prices will be in line and we will also be able to make a slight reduction in the price of our boots and sam brown belts."

Invitations Will Be On Sale Until After R.V. Holidays

Due to the fact that the majority of the seniors have left the campus on inspection trips and will not return until next week, the sale of invitations to the graduation exercises will be continued until next Monday or Tuesday, according to an announcement by R. E. O'Connell, chairman of the invitation committee.

It was originally intended to close the sale of the invitations on Wednesday, April 19, but preparations for the various inspection trips handicapped the men concerned in attending to the details connected with their purchases, so it was decided to extend the time limit until after the spring recess, O'Connell said.

All orders received will be sent to the manufacturers some time next week and the invitations should be in the hands of the seniors about three weeks later.

Plaster Models Of Famous Sculptures Received for Study

The department of architecture recently received a shipment of fifty-three plaster of paris models of famous pieces of sculpture. These models are valued at more than five-hundred dollars.

Each piece is typical of some particular style, period, or detail of sculpturing. Some of the more important periods represented are the Pompeian, Greek, Roman, Byzantium, and Renaissance.

A Neptune vase, copied from one in the Vatican at Rome, cost the department approximately seventy five dollars and is a copy of one of the finest pieces of sculpture ever made, according to Ernest Langford, head of the architectural department.

The pieces will be used as subjects by free hand-drawing students, Mr. Langford said.
