

### Conference High Marks Bettered In A&M-ACC Meet

#### Shot Put and Quarter-Mile Records Surpassed, High Jump Tied In Dual Meet.

Two Southwest Conference records were broken and another equaled last Monday afternoon on Kyle Field when Coach Frank Anderson's track and field team defeated the Abilene Christian College team 70-52.

Green of the Christians romped around the track in the 440-yard dash in 48.7 seconds to better the conference record in that event, while his team mate, Worth Watkins, equaled the high jump record with a 6 foot 3 3/4 inch leap. Honk Irwin bettered the shot put record with a heave of 48 feet 11 inches.

Darrell Wilson of A.C.C. was high point man with 15 points, taking first in the 100 and 220-yard dashes, and first in the broad-jump.

**Summary:**  
100-Yard Dash—Wilson, Abilene, first; Kohler, Aggies, second; time, 10 flat.

fumbled and threw high to first allowing Donovan to score the winning tally.

Both pitchers proved effective but received poor support in the field. "Bugge" Moon of the Aggies allowed 8 hits while Kinzy held the Farmers to 7. The Aggies muffed 4 in the field, the Frogs 6.

Jake Mooty and Bill Sodd, Aggie sluggers, led the hitting, each collecting a double and a triple.

The Farmers scored first in the fourth on Mooty's triple to left field. The Frogs came back in the same inning to score 3 runs on two hits and two errors. The Aggies then retaliated and took the lead in the fifth by scoring 3 runs on Mooty's double and Sodd's triple. The Frogs tied the count in the sixth frame and brought in the winning run in the ninth inning.

### Campus Personalities

JOSEPH MERKA, '33

Joe Merka, elongated captain-elect of the 1934 Texas Aggie basketball aggregation, was born March 20, 1910, on a farm near the Smetana Community, five miles west of Bryan, Texas. He was the fourth of a family of seven children. He spent his early boyhood as a typical barefoot country lad, and attended grammar school and two years of high school at this little community. He entered the public high school at Bryan in the Fall of 1927.

Joe started his athletic efforts that year, being a squadman on the football team. The following two years he lettered in both football and basketball and was captain of the basketball team his last year in high school. In football, Joe was a wingman, playing beside Charlie Cummings, next year's Aggie football captain. Joe was voted the most valuable player at the Sam Houston State Teacher's College invitation basketball tournament, his senior year in high school, an honor which entitled him to a scholarship at that school.

However, Joe determined to come to A and M College and the next fall found him registered as a freshman in liberal arts at this school. He won a freshman numeral in football but was ineligible for basketball that year. During his sophomore year he lettered in both basketball and track, and was voted the basketball team's most valuable player and was awarded the Aggie Land Pharmacy trophy. The past season, although Joe

suffered a setback because of a lengthy illness, he again lettered in basketball and has recently been elected to captain the squad next season. He is now back at his old high jumping post on the track team, stretching over the bar in his usual form in preparation for the coming conference meet.

Joe lives in Bryan at the residence of a married sister and attends school as a day student. He is a member of Company "C" Infantry.

### A and M Glee Club Will Go On Concert Tour This Week-End

Leaving College Thursday afternoon in a bus chartered for the occasion, eighteen members of the Glee Club, together with Professor K. H. Beach, director, will spend the week-end giving concerts in Houston and vicinity, according to an announcement made yesterday by D. H. Handley, of Teague, business manager for the club.

Their itinerary includes concerts at several high schools in Houston Friday and Saturday, a radio program over station KPRC Saturday afternoon, a concert at the high school auditorium in Humble Saturday night, and a presentation at the First Baptist Church in Houston Sunday morning.

The club will sing both semi-classical and semi-popular songs. They will be entertained by the Houston A and M Mother's Club while in that City, Handley said.

players along with the veterans Scheer, Moon, Lowenstein, and Captain Garvey. Jake Mooty, Bob Connelley, and Bill Sodd, all of Fort Worth, make up probably the

most brilliant array of sophomore talent in Texas Aggie baseball in several years. To date the battling of Sodd and Mooty has made conspicuous their first year of competition. Against the Frogs each cracked out a double and a triple; Mooty making only two trips to bat.

Probable lineup for the Aggie first game will be Garvey and Scheer, behind the mask and on the mound; Weber, Mooty, and Connelley in the infield; Mitchell at shortstop; and Sodd, Lowenstein, and Alanis in the outer garden. Coach Higginbotham will start Moon on the mound for the second game.

The Longhorns starting lineup will probably include Taylor, pitcher; Blanton, catcher; Price, McDowell, and Viebig in the infield; Ankenman at short; and Gannon, Miller, and Captain Koy in the outfield. Winton probably will pitch the second game.

**TURKISH TOBACCO** comes to this country in bales. The leaves are small and tightly packed. Each bale contains about 40,000 leaves.

**DOMESTIC TOBACCO** is stored in huge wooden hogheads. Each hoghead contains about 1000 pounds of tobacco.

# A flavor that neither possesses alone

Early in the 17th century, tobacco seed from America was taken to Turkey. Different soil, different climate, different temperatures night and day, and different farming methods produced an entirely new tobacco—small in size, but very rich and aromatic.

Four certain spots are famous for the quality of their Turkish tobacco — Xanthi and Cavalla in Greece; Samsoun and Smyrna in Turkey. And it is principally from these places that our buyers get the Turkish for Chesterfield.

These Turkish tobaccos are blended, in just the right amount, with Domestic tobaccos. It is this blending and cross-blending of just the right amount of Turkish and Domestic tobaccos which gives Chesterfield a flavor that neither possesses alone.
