

## GEARREALD WILL LEAD SENIOR CLASS

### Bryan and Hearne Girls Seek Entrance To College By Court Action

**BOARD OF DIRECTORS VOTES TO OPPOSE ENTRANCE OF GIRLS AT A AND M.**

**Postponement Granted**

**Bryan Merchants File Mandamus Proceedings In 85th District Court.**

Members of the board of directors of the college convened here during the past week-end and voted unanimously to oppose the mandamus proceedings filed in the 85th district court by Bryan citizens to compel the admission of girls to A and M College.

Soon after the board of directors granted permission to daughters of college employees residing in Brazos County to attend A and M, a petition demanding the same privilege was signed by a dozen Bryan girls and two from Hearne. The following signatures appeared on the petition: Lucile Vick, Maurine Neeley, Iola Barton, Alia Stanford, Evelyn Stanford, Jane Singletary, Francis Locke, Pauline Davis, Mrs. A. E. Jones, and Mrs. O. A. Fox, all of Bryan, and Elizabeth Bartlett and Beverly Hostrasser, both of Hearne.

The board has appointed a committee to engage counsel and has been granted their request to postpone the hearing for a week in order to have sufficient time for preparation of the defense.

**AGGIE DAIRY TEAM ON WAY TO ANNUAL JUDGING CONTEST**

**Three Students and Head of the Dairy Husbandry Department Make Trip.**

G. V. Holmes, Gonzales, F. H. Barnhart, and F. L. Hansen, Temple, members of the A and M dairy judging team were given an official send-off to the annual collegiate dairy judging contest by the Kream and Kow Klub Monday night. C. N. Sheperdson, head of the dairy husbandry department and coach of the team, gave the principal address of the evening, in which he discussed the prospects of the team and made plans for the year's work. Representatives from the animal and poultry husbandry departments were also present and gave the team best wishes for success in the contest.

On the way to the contest, which will be held at Waterloo, Iowa, October 2, in conjunction with the Dairy Cattle Congress, the team will stop to do practice judging at

**Five Hundred Are Employed Through New Association**

**S. G. Bailey Heads Recently Organized Student Employment Dept. of College.**

Approximately 550 students have been given work which will make it possible for them to attend school this year, according to S. G. Bailey, appointed head of the recently organized Student Employment Department. Several students were employed on trial last year as janitors in the Academic Building. The movement proved successful, and through the efforts of Dr. Walton, a Student Employment Department was created with Mr. Bailey at its head for the purpose of creating new jobs and filling vacancies with worthy students.

Through the work of Mr. Bailey and the department, 91 student janitors now police every building on the campus, over 100 waiters work in the mess hall, 40 students are employed by the Landscape Department and the College greenhouse, 25 athletes work at Kyle Field, and several students are employed in every department of the school.

This is an unusually high percentage, being over 25 percent of the student body to be employed during the school year.

**Former Students Loan \$23,000 To 250 Needy Aggies**

**Loans Ranging From Seven To One Hundred Dollars Have Been Made To Students For This Term.**

Twenty-three thousand dollars have been loaned to approximately 250 students this term by the Former Students' Association through their student loan fund, according to E. E. McQuillen, secretary to the Association.

Each year all available monies in the fund are devoted to this purpose. The maximum amount one student may borrow is one hundred dollars and there is no fixed minimum. Loans are made in the form of student loan notes and are payable at the rate of six percent within one year from the date of

**Sixty-One Assistantships Are Awarded To Graduate Students To Replace Dismissed Professors**

**Each Assistant Is Working Toward A Master's Degree; Selections Made by Deans.**

Not to be outdone by leaders of other industries, A and M College officials devised a code to work in harmony with President Roosevelt's N. R. A. program, and incidentally, to satisfy the demands of an economy-minded Texas legislature. As a result, forty-seven A and M graduates and fourteen graduates of other schools, who partly replaced the sixteen dismissed members of the teaching staff in addition to many other regular employees of the college, are now assured of three square meals a day and—at least part of them—a master's degree.

Practically every department of

the college is represented in the graduate school, the number in each to be increased as soon as provisions are made for them. The Chemistry department, with seven graduates, has the largest number of candidates, followed by the Electrical Engineering department, which has five.

Such a program should not be regarded as an act of charity on the part of the college, as each graduate is required to work about twenty-two hours a week, for which he receives only a small salary. The deans of the college, with the approval of Dr. Walton, choose the members of the school, their selections being based on the scholastic and extra-curricula activities of

**SENIOR CLASS OFFICERS**

Above are the newly elected officers of the senior class; reading left to right: T. N. Gearreald, president; J. E. Weaver, vice-president; and H. C. Wendler, secretary and treasurer.

**Girls Are Enrolled At A and M College For the First Time**

The doors of Texas A and M College were opened for the first time to girl students during the fall term last Thursday when classes met for the Fall and Winter session of 1933-34.

Eleven girls took advantage of the ruling that permitted the enrollment of the daughters of all college employees who reside in Brazos County. This number includes co-eds from the campuses of the University of Oklahoma, University of Texas, Texas Christian University, the College of Industrial Arts, and Baylor Woman's College.

Those who registered for school here this fall are: Margaret Duncan, Barbara Eudaly, Sarah Orth, Mary Scoates, Evelyn Koenig, Alice Scoates, Jean Sandstedt, Bernice Rea Marburger, Cristobel Bailey, Simmie Wheeler, and Margaret Beason.

**The Passing Review**

**DEDICATION.** Since the dedication of this column is in order at this time, we wish to dedicate it to those two politically powerful figures of "H" Company Infantry, Tyrus R. Timm of Hallettsville, and W. Angus McLeod of Bear 'ole Quere (Cuero to you) who demonstrated their political prowess last spring when they crossed the line to live with the foreign legion of New Mexico while in camp—O. O. Ty and Mac . . . Even?

**ELECTED.** Congratulations to Tull Gearreald on being elected to the presidency of the senior class—a well selected and competent man for the position—the senior class did well in its selection of Johnny Weaver, Henry Wendler, Pancho Vela, and Zeke Tipton to the other executive positions of the class also.

**CLASSMATES.** Letter from WARD (Crupper) NEAL Sunday—working in East Texas oil field—wasted to get the Bat—be back second term—sent greetings to "C" Troop boys—VIRGIL PEACOCK—senior E. E. student—Captain second Battalion Infantry staff—"G" company—unable to return because of serious illness—address Mineola, Texas.

**ATHLETICS.** All you lads had better go down in your pockets and bring out a dollar for that swimming ticket—best investment in exercise and recreation that has ever been offered at A and M—better do the same about the activities fee because that football

(Continued On Page 5)

**CORPS DANCE**

Zeke Tipton, social secretary of the senior class, announces that the Aggieband Orchestra will play a corps dance in the Mess Hall Annex Saturday night, September 30.

The Aggieband Orchestra played several during the vacation months, and will offer the same rhythm that made the orchestra so popular last year. The usual hours will prevail at the dance: nine 'til twelve.

**Seeligson Elected Vice-President At Initial Y Meeting**

H. G. Seeligson, Dallas, was elected vice-president of the Y M C A Cabinet at their first formal meeting of the year which was held Sunday morning on the "Y Island". J. N. Ferguson, El Paso, was elected secretary for the group when M. C. Shumpert, Portales, New Mexico, failed to return to school. Other officers, who were elected last spring for this year are R. E. Porter, Jr., San Antonio, president, and A. L. Harbin, Waxahachie, treasurer.

As vice-president of the cabinet, Seeligson is automatically chairman of a committee appointed for the purpose of outlining and carrying out a detailed program for the weekly discussion groups which are scheduled to start shortly after Thanksgiving. As in previous years, various professors and campus leaders will be asked to preside over the groups, which are in the nature of forums. Their chief objective is to discuss and propose solutions to current student problems.

Porter appointed several other committees to make investigations and reports on business brought before the cabinet.

**Freshman Enrollment In Animal Industry Increased This Year**

One hundred and fifty-seven students have enrolled for the freshman course in animal husbandry, an increase of thirty per cent over last year's enrollment. D. W. Williams, head of the department, announced Monday. Mr. Williams said that it is on through the assistance of two graduate students that the department will be able to handle the large increase.

The two assistantships in the animal husbandry department were awarded to R. J. Von Roeder, a graduate in the class of '32, and S. J. Decker, a graduate of Oklahoma A and M in the same year. These two men will conduct practice classes in the freshman course, Mr. Williams announced.

**Sixteen Are Dropped From Teaching Staff By Economy Measure**

Sixteen members of the A and M College teaching staff were dropped from the payroll this year, making possible a \$43,000 reduction in expenses. In addition to this economy measure, all other members on the staff were given a twenty-five percent salary cut. F. C. Bolton, dean of the college announced.

Several of those discharged, however, have been reemployed by the college to work in other capacities. Each department had its salary allotment reduced approximately the same amount, thereby minimizing the hardships incurred by a smaller teaching force.

**Davis And Weaver Named Intramural Managers For Year**

**New Intramural Sports and Rules Are Announced At Banquet Held in the Aggieband Inn Monday Night.**

C. M. Davis, Hillsboro, and T. M. Weaver, Dallas, were chosen for the posts of senior intramural managers, and Willie Fitzgerald, Shreveport, La., and W. D. Percy, Jonah, were selected as the two junior managers for the 1933-34 season. W. L. Penberthy announced at a chicken barbecue served to intramural sports managers at the Aggieband Inn Monday night. There are two vacancies in the ranks of junior managers, and Mr. Penberthy announced that any juniors who are interested should see him at once.

Mr. Penberthy called attention to the fact that Ping Pong has been made a class B sport for the coming season. Ping Pong made its debut in the gym last spring and it met with such enthusiastic reception that the directors decided to adopt it as a regular sport in the intramural realm.

Water Polo teams will be organized this year on an intramural basis and medals will be given to the winning team although no participation points will be given until the new sport has been tried for one year and its popularity determined.

At the banquet, managers were instructed in their respective duties and Mr. Penberthy called their attention to a new rule which provides that in any sport, a team that forfeits as many as three games will be disqualified from finishing the league series.

Although the State has made drastic reduction in the appropriations for intramural athletics, Mr.

(Continued to page 3)

**Registration For The Fall Term Now Over 2,100**

**Registrar's Office Reports An Increase of Seven and One-Half Percent Over Last Year.**

A total of twenty-one hundred students had finished their registration at noon of the fifth day of registration, according to information given out by Assistant Registrar William Morgan. Some fifty or seventy-five more students are expected to register before the final date for registration.

This year's enrollment represents an increase of approximately seven and a half percent over the previous years registration. Comprising this total of twenty-one hundred students, are eight hundred and sixteen new students, an increase of almost forty percent over last year's freshman class, and twelve hundred and eighty-four old students. Many of the old students are returning after staying out of school for several years.

**Battalion Special Will Carry Many Students To Game**

**Greatest Bargains On Trip To Aggie-Tulane Game Are Offered On Battalion Special.**

With the cry "Beat the Tulane Green Wave" on their lips, many students and ardent fans are anxiously awaiting the time for the Special Pullman sponsored by the Battalion to pull out Thursday night from College Station toward New Orleans. Reservations are being rapidly made and the seats are filling fast as what promises to be the most colorful of the already colorful inter-sectional football games of the Aggies looms ahead.

One of the greatest bargains in railroad travel offered in quite a while will be given since the college has consented to allow the students wishing to make the trip the privilege of leaving Thursday night with the football team. Since the special pullman will be used for hotel accommodations while in New Orleans, a two day hotel bill will be included in the saving on the ticket, thus affecting a saving of over six dollars to the students.

Anyone wishing further information concerning the trip should come to the Battalion office in the old Administration Building not later than 9:30 p. m. Wednesday night.

**Entire Staff of Military Science Department Returns From Civilian Conservation Camp To Resume Work**

**Nine Officers Spend Summer At Various "Tree Camps" Over Southwestern States.**

All nine officers, who saw duty this summer with the Civilian Conservation Corps had returned to the College before September 1, leaving their companies under the command of reserve officers who were detailed by the War Department, according to a statement issued by Lieutenant Colonel A. R. Emery.

Following a three week's stay at Fort Sill, Oklahoma, all commandants were ordered to their respective locations throughout the Southwest to supervise civilians in the different projects of reforesta-

**SENIORS ELECT ALL CLASS OFFICERS AT INITIAL MEETING OF CLASS SUNDAY AFTERNOON.**

T. N. Gearreald of Stephenville, captain of the A and M Band, was elected president of the Senior Class at its first meeting Sunday afternoon, September 24. Nominees whom Gearreald defeated were L. O. Zapp, Houston, Captain of Troop C Cavalry, and Corps Captain W. W. Holmes, Shamrock.

In a close race for vice-presidency, J. E. Weaver, Refugio, Captain, Battery A Field Artillery, was elected over T. E. Jarman of Waco, Major of the Corps Staff; T. P. Kemperly, Houston, Captain of the Composite Regiment; and J. H. Willard, Giddings, Major of the Cavalry Squadron.

Members of the Senior Class again exhibited their faith in H. C. Wendler, president of last year's Junior Class, by electing him Secretary-Treasurer. Wendler, who hails from Boerne and is Major of the Infantry Regiment, had as his opponent F. B. Dickson of San Antonio, Major of the Engineer Battalion, and T. W. Akins, First Lieutenant on the Engineer Battalion Staff.

Cadet first lieutenant W. O. Vela, Laredo, of Battery E, Field Artillery, was honored with the office of Class Historian. Unsuccessful candidates in the race were C. A. Tosch of Mesquite, Adjutant of the 2nd Battalion Infantry; J. M. Mitchell, Galveston, Second Lieutenant of Battery B Field Artillery; and M. H. Lee, First Lieutenant of Company F Infantry from Wichita Falls.

Another meeting will be held within the next few weeks to plan the annual corps trip and to transact other business that is to be taken up during the coming year, Class President Gearreald announced.

**HUTCHISON, CLASS OF '33, TO MAKE BYRD EXPEDITION**

**Major of Signal Corps Battalion Joins Byrd on Trip to the South Pole.**

Guy C. Hutchison, Denton, member of the class of '33, left Boston the twenty-fifth of this month with the Byrd Expedition to the South Pole.

Though no definite information is known as to how Hutchison was awarded his appointment, it is thought that he received the position because of his high rating at the Signal Corps Camps of year before last or because of his active work in the Radio Relay Club of America.

Last year Hutchison was Major of the Signal Corps Battalion and president of the Radio Club here.
