

## AGGIES ELIMINATE BAYLOR BEARS FROM CONFERENCE RACE SATURDAY; DOMINGUE LEADS FARMER ATTACK

Bears Gain Only Thirty-Six yards On Running Plays During Game; Clem and Pierce Outstanding In Baylor Lineup.

Doing a right about face, the Fighting Aggies last Saturday on Kyle Field drew and quartered the Baylor Bears to the tune of 14-7. The Aggie line in contrast to the week before at T C U, charged low and hard and as a unit, smothered the Baylor running attack. How well this attack was smothered is shown by the fact that Baylor only gained 36 yards by running plays all afternoon. Her passing attack had little more success with the hard charging Aggie forwards rushing the passer too fast for him to pick out a receiver.

On the other hand the Aggie offense functioned better than at any time this season against a major opponent. 236 yards were gained by running plays alone. The Aggies in mid field could not be stopped, but on the goal line they seemed to lack the necessary punch to put the ball over, a break being necessary to provide the opportunity for the second touchdown.

Outstanding in the Aggie line were Ullrich and Connolly. Ullrich played all but the last part of the last quarter at captain Charlie Cummings' tackle position and he was there battling every minute of the time. Cummings was out because of an injured leg. "Dog Eye" Conoley, who started his football career as an end, came into his own Saturday at guard and smeared many a Baylor play before it could get under way.

In the backfield it was Domingue's ball carrying and Ted Spencer's signal calling that stood out with Bill Couser holding up his end of the work in fine style. "Frenchy" played one of the best games of his career and was charging low and hard. Ted Spencer was in the game long enough to direct a touchdown drive and capitalize on the opponent's mistakes.

Bill Couser gave promise of becoming a great little ball carrier and with a year's experience should be very valuable to the Aggies. Percy Ried, by snatching a long pass, made his second touchdown of the year at a time when it was most needed.

Outstanding on the Baylor team were Red Clem and Joe Jack Pierce. Clem, a linesman gave the Aggies plenty of trouble all afternoon and Pierce with his passes and fake plays kept the outcome of the game in doubt until the final whistle blew.

In the first quarter both teams passed a little and ran the ball back and fourth without either one making any serious threat to score. At the beginning of the second quarter, Domingue, Spencer, and Reid came into the backfield and with plenty of shock power immediately began to do things. With the ball on A and M's 40 yard line, Domingue took one end for 15 yards and a first down. Then a pass to Reid was good for another first down and 24 yards. With the ball on their own 24 yard line, the Bears drew a 5 yard penalty. Then a six yard pass put the Aggies into dangerous territory with four downs to go but the Bears dug their claws into the ground and took over the ball on

downs. Baylor kicked out of danger but Domingue and Reid immediately began another drive and brought the ball back to Baylor's 15 yard line where they were held again by that good old Baylor line.

Baylor again kicked out of danger but again Domingue, Reid and Kimbrough proceeded to bring the leather back. Then with the ball on the 30 yard line, Domingue hurled a long pass and Reid grabbed it on the eight yard line and galloped over for the first touchdown.

Immediately after the kick-off, a lateral pass from Domingue to Reid was successful and the Aggies returned the kick to their own 40 yard line. Domingue and String-fellow, on end runs, line plunges, and basket passes then took the ball to the two foot line where the Aggie team hit a stone wall and were again held by the Bears on the very goal line. The half ended shortly after Baylor punted back into Aggie territory.

After the third quarter had gotten underway, Domingue was hurt and Couser again went into the quarterback position. Baylor took the ball from a punt and with it on their own 20 yard line, tried a tricky play, a play that was so tricky that even the Baylor backs did not know who was going to carry the ball. The center passed the ball and it rolled to the 3 yard line with no one but a flock of Aggies covering it. Couser took the ball through the strong Baylor line for the second touchdown after three tries.

Late in the fourth quarter, with the Aggies settling down to hold their lead, Baylor took the ball on downs when an attempted punt was fumbled and recovered by the Aggies. With the ball on the Aggies' 20 yard line, Joe Jack Pierce ran back to make a desperate pass but was rushed so he could not get a chance to throw so turning and ran around left end for a touchdown without even being touched by an Aggie player.

### GABBY GERTIE

"Quarrelsome people are always knocking each other about—about the house or anywhere."

### Co-eds Routed By DePauw Night Fire

More than 60 co-eds at DePauw University were routed from their beds early one morning last week when fire practically destroyed Mansfield Hall, oldest women's dormitory on the campus. Some twenty of the girls lost all their belongings.

Grant Dwyerm, student at Kenyon College, was used as a shield last week by robbers who robbed a bank in the college town. He was unhurt.

Stringer kicked the extra point to make the score 14-7.

With only one minute left to play, the Bears took over the ball on their own 20 yard line, and with a scintillating air attack came tearing through the Aggies pass defense with six passes completed in rapid succession bringing the ball on the Aggies' 27 yard line. It looked for a minute as if the Bears would have enough time to not get a chance to throw so turning and ran around left end for a touchdown without even being touched by an Aggie player.

### AGGIES ENTRAIN

(Continued from Page 1)

vals of the Aggies on the grid battle ground, and that every battle is hard fought can be realized when a resume of the scores is taken. In only one of the games have as many as thirteen points been scored by both sides while in all the rest, only one touchdown was made in each game. With both teams powerful this year, and each offering strong charging lines, prospects for another close game and terrific battle are bright as the time for the two machines to meet draws near.

Centenary has not been scored on in their last ten games and have not been beaten since 1931. In three meets with Southwest conference foes so far this year, they turned back Baylor 19-0, tied Texas 0-0, and tied T C U 0-0. Coach Homer Norton has a very versatile backfield with Harold (Shorty) Oslin rated as one of the section's most elusive backs and Manning Smith holding the limelight as a great quarterback. Paul Geisler, right end, who will play opposite Ray Murray, is rated by many as a potential All-American performer.

The Aggies will be able to offer light fast backs in "Frenchy" Domingue, who played one of the best games of his career last Saturday, and Bill Couser and a powerhouse for plunging in Ted Spencer, who combines fullback play with calling signals. On the end position they have one of the best ends in the conference in Murray and at center another star in Stanfield Stach. With Captain Charlie Cummings, Charlie Ullrich, Mighty Breedlove, Sully Woodland, Odell (Dog-Eye) Conoley and Stumble Jordan again functioning in the line, the Aggies have one of the strongest and hardest charging forward walls in the Southwest Conference.

Several hundred Aggie students will follow the team on a special train from College Station early Saturday morning. Those who will not be able to make the trip, however, will follow play by play progress on the electric score board which will be run in the Assembly Hall.

## BEARS READY FOR HORNED FROGS IN HOMECOMING CLASH

Although Definitely Out of Conference Race, Baylor Will Be Primed for Frogs Before Homecoming Crowd.

Waco, Texas, Nov. 1.—Though they are out of the Southwest Conference championship running, the Baylor Bears are pointing to their homecoming clash with the Texas Christian Horned Frogs on Carroll Field Saturday afternoon.

Both elevens will be playing their third conference battle and both teams have played the same opponents. Baylor and T C U bowed to Arkansas by two touchdowns, but the Frogs took an Aggie team that licked the Bears in College Station Saturday. Centenary also whipped the Bruins, but the Christians held the Gents to a 0-0 deadlock. So Coach Morley Jennings' squad will go into the fight as an underdog crew, but the Green and Gold will be hard to beat before the homecoming audience.

In spite of the fact that the Baylor backfield and the rest of the line were outclassed at Aggie-land, Co-Captain Frank James and Jim Tom "Red" Petty, senior ends, played all-conference football. Time after time both wing-men broke through the Farmer forwards to nail runners for losses. It was Petty who paved the way for Baylor's lone counter when he tackled an A and M back before he could punt on fourth down.

Of course the Frog-Bear football game is the feature of the homecoming program, but several other events of interest are scheduled to be staged for the visiting exes. At 8:00 Friday night the Baylor freshman grid eleven will play Weatherford Junior College under the lights of the Cotton Palace.

Waco Hall will be the scene of the opening of the entertainment for the visitors when Dr. K. H. Aynesworth of Waco, president of

the Alumni Association will deliver the welcoming address at 11:00 a. m. Saturday. President Pat N. Neff will deliver the University's greeting and Barton "Botchy" Koch, head line coach at Baylor and former All-American guard, will bring greetings from the football team.

A barbecue lunch will be served on the campus at noon. The football game will begin at 2:30, and the "B" association will meet at 6:00 p. m. at the Hilton Hotel.

### Father Sage Says

What a sociable world this would be if a man's neighbors were half as glad to see him on his return from a month's trip as he thinks they ought to be.

American nationalism, in the economic sphere, takes on the form of an almost complete autarchy.—Charles A. Beard.

# Smoke a Lucky

## A FULLY PACKED CIGARETTE

Choice tobaccos—  
and no loose ends  
—make Luckies  
burn smoothly

This young lady is one of a small army of inspectors. Her job is to examine Lucky Strike—to make sure that it comes up to the exact standards we set. Every Lucky Strike she passes is full weight, fully packed, round and firm—free from loose ends. And no Lucky that she examines leaves without this *OK*. That's why each and every Lucky draws so easily—burns so smoothly.

ALWAYS the finest tobaccos  
ALWAYS the finest workmanship  
ALWAYS Luckies please!
