

# Texas Will Throw Fine Line Against Aggies

In the event of rain the Thanksgiving Day battle between the Texas Aggies and the University of Texas Longhorns will be fought largely by the forwards of the two teams. And Texas University will have a tough line to present. Above are pictured some of the "strong men" of the Longhorns' forwards. They are: (left to right) above: Arthur Neibuh, tackle; Capt. Bill Smith, center; L. B. Oakes, guard; Charles Coates, tackle. Below: Roy Coledge, guard; Buck Prejean, guard; and Coach Bill James.
