

# Cal Hubbard Named Assistant To Norton By Athletic Council

**Manning Smith and Ray Murray Added To A and M Coaching Staff by Council.**

Dean E. J. Kyle, chairman of the Aggie athletic council, announced Friday the selection of Cal Hubbard, former Centenary college and Geneva University football star and professional gridiron player, as line coach and assistant to Head Coach Homer Norton.

Coach Norton classes Hubbard as one of the greatest blockers in the game, and Grantland Rice says that he is one of the greatest tacklers in football.

Hubbard is 33 years old and is married. He will report for spring training, and will be here on a 6 months basis.

In addition to Hubbard, Manning Smith, star of last year's Centenary team, will probably be added to the staff. Smith was an All-American mention this year and is considered by Coach Norton as being one of the smartest quarterbacks in the southwest.

Ray Murray all-conference end of last years Aggie team, will return as assistant freshman football coach.

Coach Homer Norton, future head football coach of A and M was on the campus today in a short stop-over on his way back to Centenary after a visit to Wichita Falls where he spoke to a gathering of ex-students.

## Farmers Meet SMU Mustangs In Dallas Next Monday Night

After meeting the Horned Frogs in Fort Worth Saturday night, Coach John Reid's Texas Aggie basketball team will move over to Dallas and after one days rest will meet the S M U Mustangs Monday night in the second game of the season between these two teams. In the first game played at College Station the Reidsmen took the Ponies to bay by a 40-34 count.

## Tennis, Golf, and Swimming Reinstated By Athletic Council

Tennis, golf, and swimming will be reinstated as minor sports on the athletic program at Texas A and M College for the 1934-35 school year, as announced at the recent meeting of the college athletic council. These sports were dropped from the athletic program the past spring as an economy measure.

Although swimming has never been officially recognized by the athletic council, the student body has organized a swimming team each year since the school year 1926-27 and have won numerous meets during that time. The Aggie tank team placed second in the conference meet held last year in competition with Texas University and Southern Methodist University. The 1934 conference swimming meet is scheduled to be held in the new pool at Kyle Field.

## Fish Cagers Defeat Thrall High Tigers

Coach Roswell Higginbotham's Freshman basketball team found very little resistance in defeating the Thrall Hi Tigers Saturday as they looped 24 field goals and made good 5 free tosses while the defense held the invading Tigers to 4 field goals and 6 free throws for a final score of 53 to 14. Coach "Hig" used 15 freshmen against the Tigers and each combination worked smoothly.

Lee, clever guard who hails from Bryan, was high point man scoring 12 points. Lee was probably the outstanding performer Saturday afternoon, taking the ball off the backboard consistently and passing it through the enemy defense with perfect accuracy. The flashy guard has a good eye for a basket, scoring 4 of his 6 goals from very difficult angles. Pete Dowling, all-state center from Houston, also look good. He controlled the tip off each time the ball went up at center.

Bownds, forward, and Jackson, center, showed up best for the visitors scoring 5 points each. Jackson and Bownds were the only Tigers to make a field goal over the Aggie defense.

The freshman Aggies go to Thrall Saturday, February 3 to play a return game.

Creighton, midget forward from Louisiana, started the game off with a bang by scoring the first goal on a perfectly executed tip off signal. After this the freshmen took a large lead that the Tigers could never overcome.

## A AND M CAGERS AND FROGS MEET IN FORT WORTH

**Winner of Contest Will Hold Undisputed Lead in Conference Cage Race.**

Texas A and M's Fighting Farmers will meet the Texas Christian University Horned Frog's quintet Saturday night in a game that will be of more immediate importance than any other in the Southwest Conference during the week. The winner of this game will advance to the undisputed lead in the conference basketball race since Rice, the other team that is tied for first place with three wins and one loss each. When the game is over, they will have the lead in the conference standing by having four wins and only one loss.

Counting on strength shown in play so far, both teams are about equal and have each made almost the same number of points against opponents. On the other hand, the number of points made by opponents for each team lacks only one of being equal. The Aggies have accumulated 132 points to 181 for TCU while A and M opponents have made 108 as compared to the Frogs' opponents who have made 109. Judging from these scores, the teams are of about equal strength, but considering that the Frogs are playing on their own home court, the advantages and hope give them a slight edge over the Aggies. From reports of home games, the TCU Horned Frogs have won 19 and have only lost 5 during the last four seasons.

Coach John Reid's quintet was strengthened considerably, however, by the addition of Joe Bisbey, guard from Houston, and has now one of the strongest defensive teams in the conference with Wilkins and Carmichael also playing the guard position. A true test of how effective the guarding is will be given in the game Saturday when Allison and Kinzy, star forwards of the Frog five go into action against them. Merka will also be given a test when he comes up again Lester, regular TCU center.

Starting line-ups for the Aggies will likely be either Shepherd, Davis, or Hutto, Breazeale at forwards; Merka center; and Wilkins

## Five Home Games To Be Played On '34 Grid Schedule

**Plans Are Being Made by Former Students To Carry Band To Philadelphia For Temple University Game.**

Five home games will feature the 1934 football schedule of the Texas A and M College Aggies, as announced by the A and M Athletic Council at a recent meeting. Because of the addition of Arkansas University to the schedule, there will be three conference games played on Kyle Field and two non-conference games.

The addition of Coach Pop Warner's Temple University Tigers of Philadelphia to the 1934 schedule completed the inter-sectional games to be played next fall, and will also replace the game which has been played with Tulane University of New Orleans, the last few years. Other non-conference teams that the Farmers will meet next fall on the home grid-iron are The Sam Houston State Teachers Bearkats, and the Texas A and I College of Kingsville.

The annual game between Centenary College of Shreveport and Texas A and M will be played in Beaumont next fall. This will be the first game played between these two teams in the South Texas City and should be one of the outstanding games of the season. Negotiations are also being made to play another out-of-the-state team following the Annual Thanksgiving Day Game with Texas in Austin, and also come within the conference closing date, which is December 8.

Dean E. J. Kyle, chairman of the Athletic Committee, also announced that the Association of Former Students plan on chartering a special train to Philadelphia for the A and M-Temple game and that arrangements are being made to take the Famous Aggie Band to the game.

and Bisby or Carmichael at guards. For the Frogs, Kinzy and Allison at forwards; Lester at center; and Meyers and Truelson at guard will likely start the game.

## ANY WAY YOU FIGURE

UP-TO-THE-NECK in studies... or head-over-heels in prom-time! Any time is PEP time. Toasted flakes of wheat. Ready to eat. Easy to digest. Quick to release energy. Just pour on milk or cream... and dive in!

PEP has enough extra bran to be mildly laxative. Helps keep the body fit and regular. A swell bite at night too. Satisfying—not heavy. Won't interfere with sound sleep.

Get PEP at the campus lunch or canteen. Always fresh in the individual packages. Made by Kellogg in Battle Creek.

Keep going with PEP

## Watching the Aggies

BY CARROLL ROBERTS  
Battalion Sports Editor

A CRUCIAL GAME for both teams will be played next Saturday at Fort Worth when the Aggies meet the TCU Horned Frogs. Both teams will be fighting for a lead in the conference standing that a victory will give and from comparative scores (which don't mean a thing) TCU has the advantage because they are playing on their own court—and there will not be a thousand leather-lunged cadets to cheer and make noise.

BUT IF THE AGGIES do win—the victory may only give a short lived lead because on the following Monday night a herd of "Wild Mustangs" will be waiting in Dallas for the Cadets with vengeance in their hearts—and the Farmer's quintet has not defeated either one of these teams on the enemy's own court since 1930.

AN ADVANCE upward was made by the athletic committee when they reinstated golf and tennis and raised swimming to the class of minor intercollegiate sports. This action places A and M up with any other Southwest Conference school and it broadens the field considerably for those who wish to participate in intercollegiate competition. This marks another step forward for this school—for after all, athletics are a major factor in the ties of Aggeland.

THE AGGIE TRACK team will be stronger in the field events than ever before in the history of the school according to Coach Andy Anderson. With "Mighty" Honk Irwin leading in the shot and discuss throws, there are seven other candidates in these two events that have capabilities of placing in the conference meet. They are Skripka, Kaczmarek, Cowser, Haynes, Stach, Reichter, and Wilkins.

Irwin, who has broken the existing conference records in both the shot put and the discuss throw in practice but has not been able to do the feat in actual competition,

is expecting a big year and should shatter all the conference records in these two events unless something unusual happens before time for throwing.

EARLY INDICATIONS point for the Aggies to have a strong baseball team this year. In "Jake" Mopty and "Bugga" Moon, Coach Higginbotham probably has two of the best pitchers in the conference. First workouts of the team will take place next Monday as the pitchers and catchers begin "warming up."

# They Satisfy—

You know, that means something

By "balancing" 6 different types of home-grown tobaccos—

By adding just the right amount of the right kinds of Turkish—

By blending and cross-blending—"welding" these tobaccos together—

We believe we have in Chesterfield a cigarette that's milder and tastes better.

"They Satisfy" has always seemed to us the best way of describing what we mean by this milder better taste.

# Chesterfield

the cigarette that's MILDER • the cigarette that TASTES BETTER
