

Aggies Win First Two Conference Games From Baylor Nine

A AND M GOLFERS MEET WACO TEAM SATURDAY AT WACO

Varsity Golfers Will Meet Best Amateurs of City in First Match.

The Aggie golfers journey to Waco Saturday to do battle with a picked team representing the best of amateur golfers. While it is not definitely known as yet who will represent Waco it is a virtual certainty that Leland Hammand will be their number one man. Hammand has for the past several years won his share of the tournaments and is recognized as one of the hardest men in the state to eliminate in match play. Besides Hammand, other members of the Waco team will probably include Russel Cox, Al Barbee and Gaither Nowell, all who have reputations of being fine golfers.

The Aggies number one man, Frank Bolton of College Station, may be expected to meet Hammand and if his low scores in recent practices serve as an accurate indication of the golf he will play in Waco Saturday, then the Waco man will have a tough afternoon before he finishes the eighteen holes that are scheduled. Other men who will make the trip for A and M are J. B. Heinen, George Bargmann and W. H. Turner, whose positions on the team are in the order they are named.

The match was scheduled in order to give the Aggie team a taste of first class competition before running into conference competition, the first of which comes April 28, when the Cadets go to Austin for a dual meet with the University of Texas.

Longhorns Defeat Farmer Trackmen; Irwin Sets Record

Roy Cook Upsets Predictions To Beat Edwards in 880 Yard Run.

For the third time this year the Texas Aggie track team played second fiddle to the Texas University thinly-clad as the Longhorns won the dual meet Saturday between the two schools by a score of 68-54. In winning, the Longhorns took ten of the sixteen first places and six second places.

High point man of the meet was Wallender, Texas dash man who took first place in the 100 yard dash, first in the 220, and was a member of the 440 winning relay team. Wallender easily took the 100 yard dash and was followed by Grunison, but in the 220, Herring, Aggie hurdler who transferred to the dashes because of vacancies in these races due to injuries, gave Wallender a real run for the tape and came in just a few inches behind.

Roy Cook pulled a mild surprise in the meet by coming in ahead of Edwards in the 880 yard run. Edwards had beaten Cook twice before in this event and was touted to take it again Saturday, but Cook got his stride and finished strong to come in ahead just 1.3 seconds behind the conference record.

Irwin again proved his supremacy in the weight tossing events by taking first in the discus and by again overshooting the 50 foot mark to take the first in the shot. Irwin's toss of 50 feet 1 inch was

RICE TENNIS TEAM DEFEATS FARMERS IN STRAIGHT SETS

Wilbur Hess Leads Owls In Clean Sweep of The First Conference Dual Tennis Meet.

Led by the likeable Wilbur Hess, Owl ace, the Rice Institute tennis team made a clean sweep of the first conference dual meet with the Aggie team Monday afternoon. None of the Rice boys were forced to extend themselves and not only did they win all the matches but they did so without the loss of a single set.

Hess, one of the best racket swingers in the conference, breezed through his match with John Bender, number one man on the Aggie team, without losing a single game. Bob Allen, Rice's number two, found a little sterner competition in George Cartwright but he was never in very serious trouble before winning by a score of 6-2, 7-5. In the other singles matches Otto Nachlas took W. O. Vela into camp 6-3, 6-3, and Fred Alter beat C. A. Dempwolf 6-2, 6-1.

The match that held more interest among the handful of spectators than any other was the doubles encounter between the Rice team of Hess and Alter and the Aggie team of Cartwright and Bender which was won by Rice in straight sets, 6-4, 6-3. In the other doubles match, Nachlas and Allen of Rice took the measure of Vela and Dempwolf, 6-1, 6-4.

The Aggies will next play hosts to the netters of Sam Houston State Teachers College in a dual practice meet Saturday afternoon of this week. Play starts at 2:30 P. M.

BASEBALL NINE PLAY UNIVERSITY LONGHORNS HERE

Loss of Sodd To Be Felt By Aggies As They Meet The Strongest Team in Conference Friday and Saturday.

After getting off on the right foot to a good start, Coach Ross well Higginbotham's nine will be in high spirits as they encounter one of the strongest teams in the Southwest Conference Friday and Saturday afternoons on Kyle Field diamond when the fighting farmers engage in a two-game series with Uncle Billy Disch's Texas University nine. These will be the first of six games to be played between the traditional old rivals, four of which games will count in the conference race and two will be exhibition games to be played at the Brenham Mayfest.

The games will be a real test for the Hymen as the Steers have shown up well in exhibition games, having beaten the strong San Antonio (Texas League) club in two practice games. A number of last year Steer stars will be seen in action including Pat Ankenman who made the All-American baseball team last year and whose hitting was the feature of the University victories. Other stars will be Capt. Clyde McDowell at second, Von Viebig, hard hitting third sacker, and Vernon Taylor, ace pitcher, who will likely start the first game.

The Aggies will be weakened somewhat in these games by the loss of Bill Sodd, hard hitting center fielder who was hurt in the first game with Baylor. Fritz Jones will probably take Sodd's place in the outfield with Cochran going to right field. Alanis will swap with these two for the positions. Jake Mooty will take the mound

Varsity Trackmen Hold Dual Meet With Rice Here

Institute Owls Strong in Dash and Distance Events; Irwin To Meet Johnson.

Ex-students, students, and track enthusiasts will get the first glimpse on the home field of Coach Frank Anderson's 1934 Aggie track team Saturday afternoon as the Cadets take the field against the Rice Owl thinly-clad. With the exception of injuries to members of the dash events, the Aggie team will be in the best condition it has been in this season.

Clipping split seconds from the time has been the study of the team this week. Coach Anderson has been drilling the boys intensely on saving split-seconds on the starts and in rounding turns since the loss last week to Texas was mainly because of very small amounts of time lost in the starts and on the turns rather than because of lack of speed.

Honk Irwin, champion Aggie weight man, will be given his hardest competition in the conference in this meet as the Owls bring their hopes in big Johnson who can throw the shot or discus close to Irwin's records. Although Irwin should cop the shot rather easily, the outcome of the discus throw will be a question until the two heavies meet in this event.

In the majority of the running events, Rice is slightly favored with at least one good man in every event except the two-mile run. Their greatest hopes will be in Wilson, fast distance runner, who runs the mile. Wilson nosed out Taylor, the Aggie's hope, in both the meets, at Laredo and Ft. Worth, held this year by a good margin.

An intra-squad track meet will be held by the A and M freshmen during the meet, with the freshmen running the same races as the varsity team immediately after the varsity team finishes each race. This will allow some time of rest between each event and will also afford the spectators a continuous fast meet.

In the first game and Captain "Bugge" Moon is slated to take over the pitching in the second. M. E. Martinez, who held the Bears to no hits in the three innings he worked yesterday, will be held as a strong relief.

Mooty Holds Bears To Three Hits In First Game

SODD INJURED

Martinez Wins Own Game In Second Contest

Coach Higginbotham's Aggie nine made a clean sweep of a two game series with the Baylor Bears Monday and Tuesday afternoon by taking the first game 5 to 3 behind the three-hit pitching of Jake Mooty, and the second 9 to 7 when "Marty" Martinez knocked a home run in the eighth with Steves on base to win his own game.

In the first game Jake Mooty limited the Bears to three bingles, no two of which came in the same inning. Although a bit wild, passing eight men, "Little Jake" was superb in the pinches, whiffing 10 prospective hitters when men were on the paths.

The big guns of the Aggies began firing in the second inning when Bill Sodd, first up, blasted a line drive over short for a hit. Lowenstein got an infield hit and Connelley advanced both runners with a sacrifice out. Jake Mooty hit a long fly to left and Sodd scored after the catch. Hutton then blasted a hit to left scoring Lowenstein. Ed Steves next up watched two balls go by then connected with the next pitch for a home run, scoring Hutto ahead of him and putting the game on ice.

The air tight Aggie infield aided Mooty considerably by completing four double plays.

Bill Sodd started the season off like a house afire getting the first Southwest conference hit of the season as well as scoring the initial run after Mooty had flied out to Farrell in left field. In the second inning the big center fielder hit one for the circuit to complete his hitting for the day with two hits in four times up. Ed Steves, Aggie mackman, tied with Sodd for high honors with a single and a home run.

Baylor started a rally in the ninth that almost cost the Aggies victory. With one out Smith singled to left. Farrell was safe at first and Smith at second when Steves threw a bunted ball wild to first. Bolger walked. Lee hitting for McKay struck out. Barnett was safe at first and two men scored as a hard hit grounder got through Connelley at third. The Aggie fans held their breath when Weldon Sullivan, utility outfielder, knocked a ball to right field that fell (Continued to page 5)

"JAKE" MOOTY was elected to hurl the first game against the Texas Longhorns next Friday afternoon—and Mooty is not a bit superstitious about taking over the mound in the first game against the traditional rivals even if it is on Friday 13. This day is "Jake's" lucky day and none other than his birthday. When told by Coach Higginbotham that he would pitch, Mooty said that his birthday would be "taming the wild Steers."

M. E. MARTINEZ, relief pitcher Tuesday in the second Baylor game, had finished pitching the first half of the seventh inning and let the Bears down without a hit. The score stood 7-2 in favor of the Bruins when Martinez had entered the game but an Aggie rally had brought it to 7-5. As Martinez sat down and began to put on his coat, he turned and said "Boyee, I shure would like ta vin dis game."

One run was then made in the Aggie half of the seventh inning advancing the score to within one run of the Baylor lead. In the eighth, with two outs and one man on base, Martinez came to bat cautiously for the first time he had ever faced a Southwest Conference pitcher in a game. On the first pitched ball, Martinez seemed to uncoil and connected with the ball for a home-run. The man on base scored the tying tally and Martinez trotted in for the winning run and the fulfillment of his wish. He had really and truly won his own ball game.

BILL SODD, Aggie fence buster and champion batter, will be out of the game for at least three weeks. In the first game with Baylor, he broke a small bone in his right foot when running to first base after a hit. His loss will be greatly felt by the Aggies in both his fielding and his batting. Bob Connelley, third baseman will take over Sodd's batting position as clean up man while Bill is out.

Connelley batted 1000 percent in yesterday's game in four times at bat. Three of these hits were doubles and one was a single. In the fifth time at bat, with one man on base, Parks, Baylor pitcher, was afraid of Bad Bob and gave him a free trip to first on four intentional balls.
