

"Fish" Track Team Meets John Tarleton

In the absence of the varsity track team which is in part going to the Drake relays, the Texas Aggie freshman team will hold a dual meet on Kyle Field against John Tarleton Junior College. The meet will start at 3:30 Saturday afternoon.

The meet should be an interesting one for Aggie fans as it will bring the Aggie prospects for next year against the hardest competition they have had this year. The little Cadets will have an all-around strong team starting in the field with Clark who puts the shot to distances that compare with the varsity field men, and on the washes with Wright, Wicker, Blanch, and Pool. In the long runs, the freshmen have Hogan who holds the record for the mile for the freshmen, and Wilson, quarter miler, Carrahan and Herzik hold the fishes hopes for the hurdles.

The Freshmen will show on exceptionally strong relay team combined of Wright, Blanch, Pool, and Wicker. This team easily beat the varsity in the 440 relay Saturday.

BERLIN. Co-education, long frowned upon by the Nazis, has been virtually abolished in the higher schools of Prussia. According to a decree published today, girls are barred from the higher schools for boys wherever girls' higher schools are available. This is being done "to provide female youth with an education better suited to its real nature."

Math Preliminaries Begin Tuesday, May 1

Tuesday, May 1, has been designated by the Mathematics department as the date for the preliminaries of the annual Mathematics Contest, according to W. L. Porter head of the mathematics department. This contest has been an annual event at A and M College for the last six years, with the number of entrants this year expected to be larger than at any previous time. The number of candidates expected this year are about seventy-five freshmen and forty sophomores.

The prize donors of this year's contest are: first prize, freshmen, gold watch, Dr. T. O. Walton; second prize, freshmen, gold watch, Dr. F. E. Giesecke; first prize, sophomores, gold watch, Professor H. C. Dillingham; second prize, sophomores, gold watch, Professor M. C. Hughes.

Only classified freshmen and sophomores who are taking the course for the first time are eligible to enter the trials.

The second, and final examination, will be held on Tuesday, May 15, two weeks after the preliminary eliminations.

INTRAMURAL BOXING—

(Continued from Page 4) outpointed Sam Rutledge, Floydada, by a good margin.

Probably the closest and hardest fought match of the night was the battle in the 125 pound class between Omar Smith, San Antonio, and Joe Houk, Waco, Smith, with the advantage of reach, held Houk off without receiving more than a few light blows in the first round. The second round was even, but Houk tired himself by keeping the aggressive the entire round. Smith carried the battle to Houk in the third round and easily took this round by points to win the fight.

Other results were: 115, Frank Brundrett, Dallas, winner; Dick Conally, Corpus Christi, runner-up. 145: Bob Epps, Freeport, winner, H. E. Wilson, Groesbeck, runner-up. 155: F. J. Lavo, A Signal Corps, winner; R. G. Grant, D Artillery, runner-up.

NIGHT LIFE...

You'll see this White Palm Beach Tuxedo in the smarter night clubs...in fact, wherever folks assemble to be gay. It is in very truth the latest note of Fashion.

The jacket...single or double breasted, with shawl collar. The trousers...tuxedo style, of black Palm Beach.

The nice thing about it is not just its good looks, but the way it keeps them. For it's made of the newly developed Palm Beach Cloth that resists wrinkling and musing.

It washes or dry-cleans perfectly, of course, and presents that smooth, shapely, unruffled exterior that proclaims the well dressed man.

See your clothier for Palm Beach formal wear. (Why not a single breasted ensemble, and an extra double breasted tux jacket for a change...and just in case one coat is at the laundry.)
