Plans For Final Ball and Junior Prom Announced

Husk O'Hare and His Nationally Known Orchestra To Play For the Junior Prom and Final Ball.

Husk O'Hare and his nationally known orchestra have been engaged to play the Junior Prom and the Final Ball. This is the second orchestra of prominence to be obtained this year and should prove a great drawing card.

The banquet, which will be enlivened by the music of this famous band, will be held at 6:45 at which time juniors and their dates will be presented with unique favors. J. B. Roach, Decatur, will preside as master of ceremonies and R. E. Erisman, Fort Worth, will provide further entertainment. Dr. T. O. Walton, president of the college, will deliver the evening's address. Plates are to be 50¢ and the committee in charge of arranging the program requests all juniors to make the necessary reservations with their first sergeants as soon as possible.

Following the banquet, the dance will begin at 9 o'clock and last till 2. On this occasion members of the senior class will be guests of the junior class. Uniform requirements stipulate that either No. 1 uniform with the shoulder strap, the white uniform, or the R. V. uniform may be worn.

The Final Ball on the following night will constitute the last social function of the school year. Starting at 10 and lasting till 3, the admission charge will be \$2.25. The junior class would appreciate the cooperation of those desiring to attend the Ball by turning in the room key deposit slips to their first sergeants as this will assist materially in financing the affair.

CHANGED PLANS FOR GRADUATION ARE ANNOUNCED

Final Arrangements For the Graduation Exercises Are Completed.

Final preparations for the new graduation schedule to be put into effect for this year's graduating class, have been made, according to Dr. E. P. Humbert, chairman of the graduation committee. The new schedule changes the baccalaureate sermon from the preceding Sunday at it has been in the past to Friday morning of the graduation weekend, and instead of the commencement exercises being in Guion Hall, they are to be held in the stadium of Kyle Field. These changes will give the graduating seniors more free time for "Senior Week" when they have no examinations, being able to leave after their classes Saturday, May 26, and not have to be back until Friday morning. Also the new location for the Commencement Exercises will give much more room for the visitors, having enough room for all relatives and friends of the graduates who wish to attend.

There is to be a rehearsal of the Commencement Exercises by the graduating seniors in the Kyle Field Stadium Thursday afternoon, May 24, at five o'clock, according to Dr. Humbert. At this time the seniors are to learn the formations and seating arrangements for the exercises and to receive the necessary announcements, in order that the program may be carried out in an orderly manner.

The commencement weekend is as follows: Friday, June 1: 10:30 a. m., Baccalaureate Sermon by Samuel L. Joetel, D.D., professor of Bible and Religious Education at the Presbyterian Theological Seminary at Austin. 1 to 4:00 p. m., All departments will be open for inspection. 4:15 p. m., Presentation of Commissions to seniors by Major General John A. Hulien, Commander of the 36th Texas National Guard. 6:15 p. m., Commencement Processional. 6:30 p. m., Commencement Exercises. Address by Honorable F. M. Law, President of the American Bankers Association, and President of the Board of Directors of A and M College, from Houston. Valedictory address by W. W. Holmes, Cadet Captain, Shamrock. Conferring of Degrees by Honorable F. M. Law. 8:30 p. m., Dr. and Mrs. Walton to receive seniors and their families informally at their home. 10:30 p. m., Final Ball. Saturday, June 2: 9:00 a. m., Final Review. The baccalaureate sermon and the presentation of commissions will be held in Guion Hall.

Texas Aggie Championship Baseball Team

Coach "Little Hig" Higginbotham's Texas Aggies surprised the dopsters by winning the 1934 Southwest conference diamond title. Front row, left to right: Clyde Reynolds, Bastrop, outfielder; Jake Mooty, Fort Worth, pitcher and outfielder; Ike Loewenstein, El Paso, center field; Captain Wilson Moon, Holland, pitcher; Travis Voelkel, Shelby, second base; Bill Couser, Breckenridge, shortstop; Dan Alanis, Ennis, outfield; Charley Kana, bat boy.

Second row, left to right: Sergeant Jim Carroll, equipment man; Ted Jones, Belton, outfielder; Ed Steves, San Antonio, catcher; Joe Foster, Calvert, outfielder; Johnny Blalock, Troup, infielder; Mike Dillingham, Fort Worth, first base; Homer Martinez, Hebronville, pitcher; Travis Perrenot, San Antonio, pitcher; Bill Cochran, Houston, outfielder.

Back row, left to right: Phil Crigler, Crawford, Miss., infielder; Mike Langley, Fentress, first base; Tommy Hutto, Cosahoma, first base; Bill Sodd, Fort Worth, outfielder; Bob Connelley, Fort Worth, third base; Johnny Weaver, Refugio, outfielder; Coach Roswell Higginbotham.

Labor Committee Finds Employment For 150 Students

Students Who Desire Work Next Year Should File Application With Student Labor Committee Now.

After working on the problem for over two months, the Student Labor Committee has placed over one hundred and fifty students in positions on the campus for the summer session of school, according to S. G. Bailey, chairman of the Student Labor Committee. Mr. Bailey stated that the applicants far exceeded the number of positions filled, there being close to three hundred students who applied for work during the summer.

Although the Student Labor committee has completed its work for this school year, plans are being worked out by the committee to help the students find employment next fall. Mr. Bailey said that all students who need work next year should file an application with him between now and next fall.

There is no definite information yet as to whether the Federal Government will continue its policy of employing college students under the relief administration although there is a bill before Congress to that effect now, Mr. Bailey stated.

ATHLETIC EMBLEMS

At the meeting of the Athletic Council Monday afternoon, the following resolution was passed concerning sweaters and emblems awarded to clubs and sports not officially recognized by the college.

"The Athletic Council, pending establishment of a definite policy concerning minor sports, hereby goes on record as disapproving the use by any organization of any monogram or emblem in which the 'T' is larger than the 'A M C' except in the case of sports officially recognized by the Council."

This resolution was passed to curb the tendencies of unrecognized minor sports to use emblems closely resembling regularly awarded letters.

The Passing Review

Since this is Mr. Revue's last column of dirt, honor and popularity, we will be real mild and give some of the goodfellows a break who deserve one and possibly something to be proud of as the time rolls around to roll things up and begin the homeward trek or to wherever the trek might be made after the final review...did you ever know a more likeable bunch of guys than Young Bob Nelson, Homer McKinzie, Jos Aston, Gash Anderson, Tony Holmes, Admiral Taylor, Charlie Mast, Big Bull Tobin, Bud Nolen, Mac McCann, Bumpus Bumpus and Red Akins. Many more but the space is limited.

We hate to get back at the Longhorn about the dig concerning our jokes for fear that someone might think we can't take it... but in speaking of originality did you notice that most of the cuts in the Greenhorn were old Battalion cuts... yes, the last laugh is still the best and we do give our humble colleagues a cut line for their bull and jokes too... but we're still in good spirits because we don't have to take the machine design final and life seems to be a helluva lot sweeter than it was this time a week ago... why so serious any way, we haven't but three more days to wind our four years up and let's make it three days of a carefree good time... plenty of bull and after all a fellow who can't toss the bull by the tail hasn't very much to look

Herring Elected To Pilot Aggie 1935 Track Team

First Ballot Decides Election As Herring's Versatility and Ability Are Recognized.

J. W. Herring, Cuero, was elected to lead the 1935 Texas Aggie track team next year at a meeting of the team Monday afternoon. He was elected on the first ballot by an easy majority.

Herring was one of the most sensational members of the track team this year as well as being a versatile runner. His specialty was the hurdles, having clipped time from the conference record in two meets in the lows, but he was almost equally as good in the 100 yard dash, the 220 yard dash, and the quarter mile run. In any of these races, he could stand up to the best in the conference.

Originally entering with the class of 1934, Herring was outstanding his freshman year, but became ineligible his sophomore year. He then came back last year and did so well that he was chosen as the most valuable man on the team, for which he was presented the Aggie Land Pharmacy trophy. This year, he has improved steadily and because of his ability for different races, sacrificed his chances of winning firsts easily in two events by trying to gain as many points as possible for his team in the conference meet and entering five events. The grind of the preliminaries the day before the meet weakened him somewhat and threw him off form. Probably this was the only reason he did not lower the conference record in the low hurdles at the conference meet.

After school this year, Herring will go to Los Angeles to compete in the national collegiate track and field meet there.

Plan To Draw Famous Entertainers Next Year Initiated By Students As Part of Institution's Program

The Proposed Plan Is To Be Financed By Additional Matriculation Fee Charge.

Prompted by the desire to see good modern plays, to hear good music, both popular and classical, and to listen to noted, interesting speakers, as a part of college experience, a student movement is on foot, initiated and managed entirely by the students, to bring this kind of entertainment to the campus next year.

If A and M students want to see and hear some good attractions next year, now is their chance to make this possible by signing the petition which will be presented to every student this week. Unless practically everyone signs this request that the College add one dollar to his individual entrance fee, entitling him to admission to five or six good entertainments the whole project will fall through.

Specifically, the backers of this movement intend to bring to A and M next year one popular musical show or concert, one modern drama, one symphony or choral group, and at least three nationally famous speakers. These performers will be of the type offered by Paul Whiteman, the Jitney Players, the Magnanni Chamber Symphony, Will Durant, Clarence Darrow, and Frank Buck of "Bing 'Em Back Alive", although these particular entertainers have not been definitely decided upon.

Financing of the movement will be done by interested students, the college faculty, and Bryan patrons. Students, who desire, will pay one dollar at the beginning of the next long term for a season ticket. Outsiders will be given a season's admission for three dollars.

Tomorrow night an appointee in each organization will visit each man in his unit, carrying a petition and explaining the details of the plan. Signers of the petition automatically pledge themselves to play a dollar extra upon matriculation next fall; those of course

Lowenstein And Randow Receive Aggie Land Trophy

Moon and Akins Receive Captains' Awards From Aggie Land Pharmacy At Same Time.

Wilbert Randow, Hallettsville in track and Ike Lowenstein, El Paso, in baseball were selected by a committee consisting of athletic officials and Doc Lipscomb, Manager of the Aggie Land Pharmacy to receive the Aggie Land Pharmacy trophy for the most valuable men to their clubs this year. The trophies will be presented tonight at the annual banquet for the major spring sports.

Wilson Moon, Holland, Captain of the baseball team and T. W. Akins, Marshall, Captain of the track team will be presented the Aggie Land Pharmacy captain's trophy of a pen-pencil set at the banquet.

In making the selections, captains of the teams are not eligible for the trophies for the most valuable men and those who have received the trophy in past years are not eligible to receive it a second time. Jake Mooty in baseball and Honk Irwin and John Herring have each already received the trophy in past years.

TOUR TO WORLD'S FAIR WILL BEGIN SATURDAY, JUNE 2

All-Expense Excursion To Include Many Features At Reasonable Rate.

June second, Commencement Day, will be the leaving day of the Texas Students Educational Tour to the Chicago World's Fair, sponsored by the Association of Former Students and personally conducted by Dr. Dan Russell, Sociology Professor, and E. E. McQuillen. The All-Expense Tour will sell for \$51.50 from College Station, and covers all expenses for the trip.

The party will arrive in Chicago Sunday night, June 3, and will stay in that city until the following Thursday morning. In addition to visits to the World's Fair, the program includes attendance at a big league baseball game, tours to interesting sections of the country's second largest city, and other educational and pleasant features.

Quarters in Chicago will be at the University of Chicago. The trip price includes roundtrip rail transportation, all meals going and returning to Dallas, meals, transportation and admissions while in Chicago.

The tour is especially designed for students but anyone may make the trip who so desires. The route will be over the Southern Pacific, the Katy and the Santa Fe Lines. Any agent of these lines, or the office of the Ex-Students Association in the new administration Bldg., can furnish further information.

IN MEMORY

The friends and classmates of Charles Holman Lillienster express their sympathy upon the death of his mother, Thursday, May 17. Those of us who were personally acquainted with Mrs. Lillienster realize to what an extent the qualities that we admire in Holman are a reflection of the character and personality of his mother. Even those members of the corps who did not have the privilege of knowing his mother feel keenly with Holman his great loss because of their love and admiration for him.

Ex-Students' Ass'n. Move to New Office

After about a years stay in the basement of the Mechanical Engineering Building, the headquarters of the Former Students Association of A and M College has moved into its new location in room 104 of the New Administration Building. This is to be the permanent location of the association offices, according to E. E. McQuillen, secretary of the association.

The offices were moved Monday, May 21, and the equipment is to be refinished. Also some new furniture is to be added.

Seybold Receives Orders For Transfer To Vicksburg

Lieutenant John S. Seybold, senior instructor of the Engineer Corps, after six years service at A and M, received orders last week of his transfer to Vicksburg, Mississippi, effective July 1, 1934, for flood control work on the river.

The service at A and M for Lieutenant Seybold began with the installation of the Engineer Corps here six years ago, with Captain L. A. Pick in charge at the time. Captain Pick was in charge the first two years and Lieutenant Seybold has had charge for the past four years.

NEWS FLASH!

Clyde Barrow, notorious outlaw, and his red-headed accomplice, Bonnie Parker, who have spread a reign of terror over the entire United States the past few months, were shot and killed today, after Frank Hamer, a former Texas Ranger, and three officers succeeded in setting a trap. Neither Barrow nor Bonnie had time to draw their guns, as the ex-ranger and his men would take no chances in attempting to capture them alive.

The trap was set between Mt. Levanos and Sallee, two parishes in Louisiana, and was watched closely for several days before the two criminals walked into it. Hamer had been on the trail of Barrow, but like many of the other attempts an opportune time did not show up to permit a raid. The officers kept under cover and watched their activities for several days and nights and were awarded this morning by the capture of one of the most notorious outlaws since the days of Jessie James.

With Hamilton's recent capture and with Federal officers closely on the heels of Dillingner, one of the greatest crime waves in history is being brought to a close. The kidnapers of June Robles, six-year old girl of Tucson, Arizona, are also now in the hands of Federal authorities, pending their trial.

Hallmark To Be New Head of Radio Club

G. C. Hallmark, Mexia, Battery B Field Artillery, was elected president of the A and M Radio Club for 1934-35 at a special meeting of the club Sunday, May 26. In all the history of the club this is the first president to be selected from any organization other than the Signal Corps. Other officers of the club will be elected next fall.

The club is planning an active year next fall with the installation of a new radiophone transmitter and receiver.

Erwin Will Marry Miss Locke May 28

Mr. and Mrs. H. S. Locke of Bryan announce the engagement and approaching marriage of their daughter, Frances to M. E. Erwin, senior chemical engineering student from Charlotte. The marriage ceremony will take place at the home of the parents of the bride-elect Monday, May 28 at 9 A. M. After the nuptials the young couple will take a short honeymoon and will then make their home in Bryan.

Managers of Annual And Battalion Are Named For 1934-'35

R. W. Russ, Houston, F company Infantry, has been appointed business manager of the Longhorn and W. D. Percy, Jonah, C company Engineers, appointed advertising manager of the Battalion for next year, according to J. E. Angell, manager of student publications.

Percy has served on the advertising staff of the Battalion this year and was very highly recommended for the position.

H. C. Heldenfels, editor of the Longhorn for next year announced the first part of this week the appointment of H. K. Smith, San Benito, as art editor of next year's year book. Heldenfels also stated that the contract on the annual has been let to the Stafford Engraving Company of Fort Worth, and that Mr. E. Ingle of the annual department of the engraving company would be at A and M Wednesday, May 23, for the purpose of discussing plans for next year's Longhorn.
