

REVIEWING THE AGGIE  
**SPORTS PARADE**

with  
**ALTON S. QUEEN**  
Battalion Sports Editor

"We haven't got a thing to fear," shouted Cal Hubbard as he shuffled down the aisle to find a comfortable place to prop his number 12's. "They're human beings just like we are and we can be just as tough as they can. If that Aggie Band has as much effect on the team as it does on me those Red Devils will be Red when they come out of that ball game." "You don't need to worry about us because we're gonna give 'em h--- and make 'em like it." The cheerful Cal was very confident after watching his line go through the drill at Forrest Field in Bryan Monday night.

Those who want to see the Play by Play account of the Aggie-Temple football game in the Assembly Hall Friday Night had better get a seat as soon as possible as a number of spectators are expected from Bryan and nearby towns. The game starts at 7:30 p. m. Everybody bring their TWO BITS and enjoy the ball game.

**BILL STAGES** made a beautiful block of the last A and I man between Fowler and the goal Saturday afternoon when the Aggies were struggling hard to keep on equal ground with the scrapping Javelinas. Stages was hustling on every play Saturday and was reaping results too. He helped block one of the Javelina punts and brought down the last A and I try for extra point that would have eventually been the margin of victory but the Aggie line was off-sides and the second try was successful.

"Zimmie" Randow had the best punting average of any man on the field Saturday afternoon with an average of 41 yards per punt. Barns, A and I fullback did some good punting by booting the pigskin 367 yards in 13 tries, but his average was ruined on two blocked punts. The punting visitor made an average of 28.2 yards per kick.

The Aggie place kickers are batting 1.000 this season. In four placements against the Bearkats Couser scored twice and Nash Thompson duplicated the same afternoon. Thompson kicked the two extra points last Saturday to bring the total to six for six. It seems as though the Aggies are well supplied in "Golden Toes."

Randow, fleet back from Hallettsville, is the leading Aggie scorer to date. Zimmie has scored three touchdowns for a total of 18 points. Trailing Randy is Newsome 6, Fowler 6, Thompson 4, and Couser 2.

"I am as happy as I can be" shouted "Swampy" Rollins to Tom Dooley Tuesday morning as they were jerking their odds and ends together for the trip to Philadelphia. The sturdy little end-from Gulfport, Mississippi was so thrilled that he almost skipped from room to room instead of taking his customary slow and easy stride. Rollins saw little action in the first game with the Bearkats and was in the hospital last Saturday, but the Mississippi lad will have an opportunity to show what he has in Philadelphia Friday night.

Pete Dowling, who has been in the hospital since September 13 with a broken leg received on the football field, is able to walk to the classroom on crutches. Pete made his first classes Monday. In his room in the hospital Friday, while his leg was still in a plaster, this scribe carved his name on Dowling's leg along with what appeared to be half the student body. If there was an athlete's name missing on the Dowling roster this writer was unable to find it.

Ike Lowenstein, All Conference outfielder of the baseball team last year is one of the late enrollees. Ike played centerfield for Brenham this summer and has received several offers from Class A league teams to try out with them next spring. Ike plans on graduating here in May.

**DEAN KYLE RESIGNS AS CHAIRMAN OF ATHLETIC COUNCIL**

The resignation of E. J. Kyle, Dean of the School of Agriculture, and chairman of the Athletic Council, as member of the Athletic Council was a severe blow to the Athletic department and all who were interested in athletics at A and M. Dean Kyle, who has been connected with athletics at A and M since 1902, has been a most faithful promoter of athletic affairs. His work with the Athletic Council is one of the reasons why athletics at A and M have such a bright future. Dean Kyle's services will be sorely missed.

Below are some of the recent actions of the Council.

1. Restored golf and tennis as minor sports.
2. Added swimming as a minor sport and employed our first swimming instructor and coach.
3. Made plans for greatly enlarging Kyle Field by including all of the college land lying south of the present athletic grounds.

4. Arranged three interstate games for this year.

5. Begun negotiations for a game with the University of Mexico to be played in Mexico City during the Christmas Holidays of 1935.

6. Begun negotiations for a game to be played with West Point.

7. Assembled probably the best coaching staff ever to represent any institution in the South.

Shorty Alderson, University of Texas freshman football coach, was in the stadium to scout the Aggie-Javelina football game Saturday afternoon. The freshman mentor had his usual quota of lassies with him. Three Texas U. Coeds were accompanying the Austin representative. Wearing colored glasses the sly Alderson thought he would escape the eye of the Aggie coaches, but Coach "Pappy" Anderson seeing the gentleman in the stands promptly paid a bystander twenty five cents for his identification.

**THREE FOR FOUR JONES**

In searching over some papers of the past summer I found the reason for Fritz Jones new nick name (Three for Four Jones). The Temple Daily Telegram of Temple, Texas carried an article about a game between Temple and Sparks in a play off for the championship of the Central Texas League. Jones was playing centerfield for the Sparks aggregation and batting in cleanup position. He had been their

most consistent hitter of the season. In this special game Fritz got the Sparks club off to a flying start by practically winning the game single handed with a single, a double and a triple in four times at bat, knocking in two of the three runs his club scored and scored the other one himself after he had tripped. Since that time Fritz has become known as Three for Four Jones.

**REMINISCENCES OF AGGIE ATHLETES**

Roswell G. "Little Hig" Higginbotham, Head baseball coach and Freshman football and basketball coach, is one of the greatest athletes that ever entered athletics at A and M.

"Little Hig" was a freshman at Aggie in 1917 and was a member of the championship team of that year. He was a star both on the gridiron and the diamond being a star punter and passer of the football team. The versatile Aggie played halfback on the 1917 and 1919 championship teams and was a "T" man on the 1920 eleven. He was chosen All Southwest Conference halfback in 1919 and 1920. His absence from the 1918 team

was because of injuries. In 1918, 1919, and 1920 Higginbotham played shortstop for the baseball club as well as taking his regular turn in the box the last two years in school. Besides his athletic work he made a good scholastic record during his enrollment at A and M.

After leaving school Higginbotham coached one year at Sherman high school, then became assistant football coach and head baseball coach at Austin College. While he was coach there Austin College took the TIAA baseball championship in 1924 and football championship in 1923.

**Aggies Practicing Tonight Under Indianapolis Lights**

**Farmers Getting Final Polish At Butler Stadium**

**Light Workout Thursday Night at Philadelphia to Limber Up**

Coaches Homer Norton, Cal Hubbard, thirty four football players, "Doc" Sprague, Mr. Hooker, and Mr. Ashford, all of the athletic department left Tuesday afternoon at 1:26 on the Sunbeam for Philadelphia via Dallas, St. Louis and Indianapolis. The party was to have arrived at Indianapolis this afternoon, and Coach Norton will give the Cadet team a good workout under the lights at Butler Bowl, home of the Butler University Bulldogs.

The practice session will be the first for the Aggies since Monday and the only one they will have until they arrive in Philadelphia Thursday afternoon October 4 and work out at Temple Stadium Thursday night.

The contest with Coach "Pop" Warner's Temple University Red Devils will be more than a test for Coach Norton's Fighting Farmers. The Warner coached team is a strong aggregation. The smart boys who predict a season's outcome before it has begun rate the Red Devils with the four best teams of the East this year. Those conclusions were not drawn from watching the team go through dummy practice because they downed the Virginia Polly eleven 34 to 0 last Saturday. This V P I school is no setup either as it is one of the strongest teams in the Southern Conference.

Warner has a good institution backing him and he has secured football talent from the West coast of California to the Quaker city. The Aggies will go into the contest a high favorite to lose, but the charges of Norton and Hubbard will be fighting for every break that comes their way.

**Intramural History Here Covers Twenty-Four School Seasons**

Early in the history of A and M College the value of intramural athletics was seen. As early as 1910 each company had a basketball, football and baseball team. In order for this to continue a fund was made up by the teams and awards were given.

At first very little interest was taken in intramural sports and most anyone who wanted to play was eligible. As more companies were formed the intramural plan of competition was changed from a company organization to battalion.

This form of activity was carried on until 1927 when W. L. Penberthy was made Director of Intramural Athletics. Mr. Penberthy changed the battalion form of competition to that of company competition in order to give more students a chance to compete. It is the aim of intramural sports here to provide an opportunity for every student to take part in athletic sports in which he is interested and to encourage every student to take part in as many sports as possible.

The department is primarily interested in those students who are not good enough to take part in varsity competition. For this reason the intramural board has adopted rules whereby a person who has competed in either varsity or freshman competition is not eligible to enter intramural competition in the sport in which he participated.

It is the hope of the department that the students will enter into the sports willingly and of their own volition. Any kind of compulsion is discouraged. All undergraduate students are eligible to participate in intramural athletics and no scholastic standing of eligibility is required in this department since the idea is to enable men who cannot make varsity teams to derive the benefits of competitive sports. Men are allowed to compete in any number of different activities, but may represent only one team in each sport.

**WILL THESE BOYS TAKE TEMPLE?**

**JAVELINAS ARE PLENTY TOUGH; TIE 14 TO 14**

The Aggies ran into a scrapping group of football players Saturday afternoon when they battled over three and one half quarters with Bud McCallum's A and I Javelinas from Kingsville, on Kyle Field before they could make as much as a draw out of the affair.

The battling Javelinas were the first to score when McNabb ran 38 yards through the line on a quick opening play for a touchdown. Only eleven plays had preceded McNabb's 38 yard jaunt. Carson kicked the extra point to make the score 7 to 0.

The second quarter started as though the Aggies were going places. On the first play, Fowler circled right end for seven yards. Fowler passed to Stages for six more. Fowler then dashed through the Javelinas line for 21 yards and a touchdown. Nash Thompson knotted the count by sailing the ball between the posts in the try for extra point. The half ended with the ball on the Javelina 26 yard line after Randow and Barns had exchanged punts throughout the latter part of the second quarter.

The third quarter was fought almost entirely on A and I territory. The visitors were holding when the Aggies began to get in scoring territory.

The Farmers were gaining on every play in the third quarter when Lowell Ramsey grabbed an Aggie pass over the line and ran 63 yards for a touchdown. The Cadets immediately took to the air in an attempt to tie the score. Couser passed to Fowler for 18 yards. Couser ran right tackle for seven yards. Randow almost got away for a touchdown by picking up 21 yards around left end, but McNabb downed him on the Javelina 17 yard line. After a fumble and two incomplete passes the ball went over to the Visitors on the 20 yard line. The Aggie line held and Barns returned 45 yards, but Randow returned the punt back to the Javelina 44 yard line. Two passes, Couser to Randow, placed the ball on the two yard line and Randow plunged the line for the remaining two yards. Thompson kicked the extra point.

**The Starting Line-up**

Aggies	Position	Javelinas
Wilkins	LE	Massey
Clark	LT	Holden (C)
Conoley	LG	Carson
Roach (C)	C	McCormick
J. Crew	RG	Harbes
Barber	RT	Ford
Callahan	RE	Rader
Couser	QB	McMillan
Fowler	LH	McNabb
Reed	RH	Ramey
Cummings	FB	Barnes

Score by periods:

Javelinas	0	7	0	7	14
Aggies	7	0	0	7	14

**BASKETBALL GETS INTRAMURALS OFF TO FLYING START**

Intramural athletics were off to a flying start Monday as basketball, first of intramural sports to be run off, was being played in both gymnasiums. The teams are divided into five leagues. Each team in each league will play five games except members of League E who will play four games. The champions of each league will be determined on a percentage basis. The contests will end November 6, according to schedule.

The scramble for the title this year appears to be a tough one as many strong clubs are entered. Company B, under the efficient management of R. G. Kirk, won the title last year and has a strong team back in the fight. Company B, Engineers, managed by M. M. Rocki was a runner up last year and has a strong team enrolled now.

**TEMPLE - THEN - CENTENARY**

**SKILFULL TAILORING and PERSONAL INTEREST** are just as important to a well fitting uniform as **SKILFULL TRAINING** and **BACKING** are to a successful team.
