

CORPS TRIP

It isn't necessary for Aggies to read a book of instruction when it is time to buy school supplies—they know that The Exchange Store has the best at the best prices.

In preparing for your Corps Trip drop in on The Exchange Store for those things you will need while away from college—toilet articles, clothing, furnishings, shoes.

Our first and last interest is in giving a better value—
an improved commodity—a more complete service to the
students and faculty of the A. & M. College of Texas.
