

"He's been drinking fixatif again!"

Some people wonder what the Mormon wedding ceremony is like. It's something like this:

Preacher (to groom): "Do you take these women to be your lawfully wedded wives?"

Groom: "I do."

Preacher (to brides): "Do you take this man to be your lawfully wedded husband?"

Brides: "We do."

Preacher: "Some of you girls in the back will have to speak louder if you want to be included in this."

Henderson: Why are you in the air force now? I thought you were in the cavalry.

Peterson: I got transferred.

Henderson: Why was that?

Peterson: Well, after an airplane throws you out, it doesn't generally walk over and bite you.

Potts was a great man. At his death there were three towns named after him: Pottsville, Pottstown, and Chambersburg."

"I see in the paper that a widower with nine children has married a widow with seven children."

"That was not marriage. That was a merger."

He rounded a bend at close to forty. A sudden skid and the car overturned. They found themselves sitting together, unhurt, alongside the completely smashed car. He put his arm around her waist, but she drew away.

"It's all very nice," she sighed, "but wouldn't it have been easier to run out of gas?"

There was a little lawyer man,
Who gently smiled as he began
Her dear husband's will to scan,
Thinking of his coming fee,
He said to her quite tenderly,
"You have a fine, fat leg-a-cy!"
The next day when he woke in bed
With plasters 'round his broken head
He wondered what in hell he said.

"How did it happen that Willie and Nellie were kicked out of the auto show?"

"Oh, they got into one of the cars and forgot where they were."

"Did you know, dear, that that tunnel we just passed through was two miles long and cost \$12,000,000?" asked the young man of his sweetheart.

"Oh, really, did it?" she replied, as she started to rearrange her disheveled hair. "Well, it was worth it, wasn't it?"

Doc— There's no need to worry about your wife. You'll have a different woman when she gets back from the hospital."

Anxious hubby— And what if she finds it out?

"Give an example of period furniture."

"Well, I should say an electric chair, because it ends a sentence."

The Bachelor's Ballad

Say it with flowers,
Say it with sweets,
Say it with kisses,
And say it with eats,
Say it with jewelry,
Say it with drink,
But whatever you do,
Don't say it with ink.
