"I'm a mind reader."
"Can you read my mind?"
"No, I left my magnifying glass at home."

—Clown

One: "Have you heard the water song?"
One-Half: "No, whatizit?"
One: "You aughter be in Pitchers."

"What was that explosion on Si's farm?"
"He fed a chick some Lay or Bust feed, and it
turned out to be a rooster."

—Rose Technic

Cop: "Hey, where are you goin'?"
Drunk: (Crawling on stomach along sidewalk)
"I'm gonna climb this wall if it takes all night."

Charlie to Drug Clerk: "Is this candy good?"
Clerk: "Is it good? Why its as pure as the girl
of your dreams!"
Charlie: "I'll have a package of gum."

It's tough to be a little pledge,
For if anything is lacked,
And you do not do everything,
You'll get your fanny whacked.

Prof: "What is the greatest Greek Tragedy?"
Stude: "Sigma Nu."

Profesors sometimes get dizzy ideas in an
effort to make their grade curves come out properly.

"Know why so many girls take geology?"
"No why?"
"Cause in geology they can learn to be scientific
gold diggers."

"Hello, Totz, how are
you?"

"Not so good—I have in-
digestion."

"How come?"

"Bought and ate an un-
employed apple and it
started to work."

—Cal. Eng.

"Ish no use," sighed the
drunk, as he staggered into
the telephone pole for the
third time. "I'm losht in
an impen'trable fores."

—Cal. Eng.
