fingers on Marcia's brow. Promise?

If the other's would only leave! Ah! only Mrs. Bixby left, shaking hands with Vinny in the foyer. No—there's Penelope lingering too. Must speak to Penelope

What is Mrs. Bixby saying? What? Someone engaged? Must be the little Bennett girl and Joe Davis. Who!

Mrs. Bixby spoke softly as Marcia came up. " so wonderful to think of you and Penelope getting married. Brother Orrison. God bless both of you." Mrs. Bixby's eyes dimmed with womanly tears.

stars as Flash Walker from TCU, Joe Merka, and Charley Beard, who finished here in 1932. The Aggie Cagers taper off for conference competition by playing those class A and I Javelinas in Kingsville, December 27, 28, and 29.

In glancing over the Southwest Conference teams, we notice plenty of hard games in store for any one who may claim the Championship in 1935. TCU, who won the title last year, does not look like a repeater on paper. Besides losing their slave-driving coach, Francis Schmidt, Walker, Myers, Chappell, Kinzy, and Allerton finished their eligibility. Four of this number were on the starting team last year. Richards Allerson was the second highest scorer in the conference. Darrell Lester, All-American football center, is also center on the basketball court. He is the only starter back. However, five lettermen are back.

At Texas, Marty Karow, who has replaced Ed Oiley as head basketball coach, will have two of the best scoring threats in the conference. Jack Gray, Longhorn Captain, has led the conference in scoring the past two years, and from the way he "laid 'em in" down here in the last game of the season last year, he is showing no signs of slowing up. Now he has Jean Francis, center, who was fourth in individual scoring last year. These two mainstays will be supported from the guard position by Henry Clifton, who has been ineligible the past two seasons.
