"Mary, did you neck that fellow last night?"
"Do you think he came from College Station to hear me sing?"

It May Be So

See those two birds whizzing by
Sprawled in a big Pierce Arrow.
Note their bored and blase air—
Their glances cold and narrow.

Watch them flick their cigarettes
Outside the speeding wagon;
They smile at tired pedestrians
Whose weary dogs are dragging

You'll think their dad's a millionaire
Who keeps the dough-coming;
You lose; they're only college boys
Who've had good luck at bumming.

BANTER 1921

Teacher (at Sunday school picnic): "Now we'll ask Bobby, the minister's son, to say grace."
Bobby: "Hell, they always pick on me."

Librarian: "Young man, we are about to close the desk, is there anything you would like to take out?"

Frosh: "Why, yes. How about the tall one in the tan dress?"
