 Rice vs L. S. U.
 S. M. U. vs Marquette

Pistol Team Tryouts

Pistol tryouts are being held every morning from 8:00 to 12 noon, and every evening after supper 'til 8:30.

New students belonging to different military organizations are being given preference on the following days: Infantry, Cavalry, Engineers, and Chemical Warfare units on Mondays and Tuesdays; Field Artillery units on Wednesdays and Thursdays, and the Coast Artillery and Signal Corps units on Fridays and Saturdays. Last year squadmen may fire at any time.

20 To 0 Score Against Tulsa Boosts Aggies

The Aggies came through in good style against the Tulsa Hurricanes and won 20-0. Tulsa offered a good offense and defense, but the heat was against them as they did not have enough capable reserves to send in. That is one place where Norton is blessed this year. He has two teams that he can rely on and so far he has used them. He used thirty-five men in that fray.

Tulsa had a rugged team that played rough and fairly unclean ball. They were penalized a total of 125 yards while the Cadets were having 75 yards taken from them. Dick Todd was injured in the first quarter and was removed from the game after he scored a touchdown and an extra point. Dick will be used against Santa Clara as the coaches think that he will be in fairly good shape again by that time.

Tommie Vaughn, Olbrich, Steffens, Audish, Bransom, Pannell, Boyd, Dawson, Schroeder, Britt, Smith, White, Rogers, Todd, Conatser, Price Thomason, Pugh and Kimbrough played good ball for the Aggies. Vaughn is fighting hard for that first string job.

Price threw 12 passes and completed five of them for 113 yards. Two of them were good for touchdowns. One to Conatser, and one to Schroeder.

Rogers was the leading ground gainer. He carried five times for 58 yards. Rogers is going hell-bent for an All-Conference position.

Your writer sat next to a scout from Washington University of St. Louis. He is very interested in getting a game with the Aggies for 1940.

A. & M. used the "double shuffle" twice Saturday and it worked fine both times. Once they came out of the huddle and shifted twice and made a long gain. The other time they did not go into a huddle, but came up to the line where Rogers called the signals and the team went through the play without shifting. We still don't know too much about it, but we think that Norton and Rogers are only going to use it a couple or three times during a game.

The Aggies averaged a little better than 35 yards on their kicks, and that is much better than last year.

Some 14,000 saw the game. The Tyle field is a high school field and the accommodations are far from the best.

Max Gilfillan is working for a game next year in which the Aggies will play Ole Miss, the team that beat L. S. U.

The crowd went crazy when the P. A. system rang out with the final score: Oklahoma 7-Rice 6.

Eight Former Southwest Grid Stars Play Sunday

Eight former Texas College football stars will be in the lineup when the champion Washington Redskins meet the New York Giants in their professional game Sunday. Two of these men, Charlie Malone and Roy Young, are former Aggies.

Charlie Malone and Roy Young starred for the Aggies; Sammy Baugh, Tittle Manton, and Will Walls were "big-guns" for T. C. U.; Hugh Wolfe was the "Red Wolf" at Texas; Ox Barry was a star at Baylor; and Pete Cole was a great grinder at the little school of Trinity which is located at Wake-hachie.

Among the noted Texans who will view the fray will be Jesse Jones, Marshall Diggs, Fred Lyon, Jerry Mann, Senator Sheppard, and Representative Rayburn.

Charlie Malone is rated as one of the greatest ends in Aggie history. Roy Young was All-Southwestern tackle in 1936 and a better than good tackle in 1937. Young may be back in school here at mid-term.

ENTRY CARDS TURNED IN FOR INTRAMURALS

By TOM DARROW
 Assistant Sports Editor

All entry cards for Class A tennis, touch football, and basketball were turned in to the Intramural Office Thursday. W. L. Penberthy is now arranging the various teams into leagues and, also, making out schedules for the individual leagues. These schedules were ready yesterday and the first games run off today. So far there have been 46 teams entered in Class A basketball, and 43 in touch football, for the same class.

In Class B the number is about the same. They have 47 teams in basketball and 44 in touch football. Nearly all outfits are represented by these teams.

Sunday, as I listened to the broadcast of the annual Prison Rodeo at Huntsville, I was reminded of the rodeo which our own Saddle and Siroin boys are going to stage the night of October 28. Hardly imagine that Herb Mills and his crew will be as wild and woolly as the fellows in Huntsville, but then that would be one way of getting out of this institution.

All kidding aside, though, the Saddle and Siroin Club always puts on a good show and it's worth anybody's time and money to see. DeLong and Westerman told me the other day that the show was going to be the best in years; so I'll just pass the news on to the rest of you.

"Jeep" is getting plenty good these days. Last week he missed the Tulsa score by only one point. Wonder how he'll predict the game in California with Santa Clara? Just noticed where "Tiny" Thornhill, Stanford coach, has picked Santa Clara to beat the Aggies very easily. The Broncos whipped "Tiny's" bunch 22 to 0 last week. It won't hurt the Aggies to enter the game as underdogs, and may help them greatly. However, Norton and his players have a lot to worry about.

Notre Dame looked good against Kansas, but that 52 to 0 score made Texas look mighty weak. L. S. U.'s reputation suffered, too. By this time next week a good measuring stick should be available for the Southwest Conference, for T. C. U. taken on Temple, a team that lost to Pitt 28 to 6 last week, and the Aggies face Santa Clara. If these two teams should win their games, the stock of the conference should shoot up very high.

Well, back to a few closing words about intramural sports and to pass on a few of Mr. "Penny's" sentiments.

He feels that if all the intramural managers would be sure of a team before they put in entry cards that more forfeits could be done away with. This writer is of the same opinion and hopes that all managers will take Mr. "Penny's" advice.

Rogers Tops In Mixup With Tulsa At Rose Festival

Well there are two victories behind and no opponent has crossed our goal line yet. "Slick" Rogers had to make a liar out of this writer Saturday by kicking an extra point. He got two tries at doing it though and the writer only had one shot at guessing the score. As long as they score more than the prediction there will be no gripes.

Texas looked pretty good when they lost to Kansas 18-19, but after Notre Dame beat Kansas 52-0 Saturday Texas doesn't look so hot after all. L. S. U. took revenge for their loss out on Bible and his Steers with a 20-0 win.

Thomason was tossed out of the game Saturday but that was a boner on the part of the official. The official put Thomason and a Tulsa player out for kicking, but only the Tulsa player did any of the offense. Thomason was caught between two of the Tulsa players and after they roughed him up in close quarters, one of them gave him a kick in the pants and both the tosser and the catcher were banished.

"Slick" Rogers was the outstanding player on the field in Tyler. He ran, blocked, kicked points, and called a very good game. On pass defense he was nothing but great.

Charlie DeWare, assistant coach, was in the party returning from Tyler, and he laughed about Rice getting beat from the time he left Tyler till he got to College. It is to be remembered that Charlie was knocked out by a Rice player several years ago, but the officials ruled that he hadn't been touched. Charlie thinks it is funny as hell to be knocked out by a blow from a fist and still not be touched.

STATISTICS

	A&M	Tulsa

ABILITY to serve you better is the reason for the Bell System. Its set-up is simple as A, B, C. ① American Telephone and Telegraph Company coordinates all system activities—advises on all phases of telephone operation—searches for improved methods. ② 25 associated operating companies provide telephone service in their own territories. ③ The Long Lines Department of the A.T. and T. Co. inter-connects the 25 operating companies—handles Long Distance and overseas service. ④ Bell Telephone Laboratories carries on the scientific research and development for the Bell System. ⑤ Western Electric is the manufacturing and distributing unit. These Bell System companies, working as a team, give you the world's finest telephone service—at low cost.
