BY CHICK DENNY

As we come to the conclusion of second round games in basketball and touch football, leaders in the respective leagues have started taking their places.

League C has "D" Cav. in front with two victories against no defeats. League D shows "2nd Hdq." F. A. ahead with two wins. League E brings forth "A" Coast as a strong contender with two victories and no losses. League F points toward "B" Inf. with two and none. League G has "M" Inf. in front with one and nothing. League H is led by "C" F. A. with two in their favor against no defeats. League I has two leaders in "Hdq." Sig. two and none, and "H" Inf. with one and nothing.

Sports Parade: "Double-Shuffle" Falls Under Frog Barrage on Ground and Air Saturday

BY E. C. "JEEP" OATES
Battalion Sports Editor

For sale: one "double-shuffle". Apply to Texas A. & M. College for same. The only thing about it is that the "double-shuffle", now called the "twin-wiggle", doesn't work. The students and others around here are naming their junk cars the "double-shuffle". When asked why, they say because it doesn't work.

The game Saturday was a big disappointment to the Cadets and their friends. It isn't the fact that we lost that hurts so bad, but the fact that we were swamped. So far as can be learned, that 34 to 6 score set a new record for Kyle Field. It is the worst licking that any team ever gave the Aggies here.

FROGS GREAT

We can't take any credit away from Dutch Meyer and his Frogs. They had the superior ball club and they all played a great game. They are organized and they elick. The game was similar to the World Series between the Yanks and the Cubs. The Cubs had a good ball club, but the Yanks had a better one. The Cubs have announced that they will tear up their club, but that is not the case here. We have a good ball club here now and it looks as if we will have one next year. No, I am not starting that "next year stuff". As I see the situation, the Aggies must do their bit this year. They are still in the running. It is what they do from now on that counts.

T. C. U. has one of the best teams in the nation and certainly they are the power in this part of the country.

One thing that looked very bad, wrote visiting sports writers, in fact terrible, was when the Aggie coaches sent in subs when they had already had too many times out, and the Aggies were penalized to the one-yard line. That is bound to take the fight out of the boys.

I still contend that the Cadets have one of the greatest bunch of players that can be assembled. They are fine players and fine kids.

and "A" Sig. with one apiece. League E has two leaders in "1st Hdq." F. A. and "E" Inf., both having one win. League F is the same with "E" F. A. and "A" C.W.S. tied with one apiece. League G is topped by "B" F. A. with one win. League H has three leaders in "H" Inf., "C" F. A., and "B" C.W.S. with each having one win. League I is headed by "Art. Band" with one win and no losses.

ALL-AMERICANS

The Frogs had three All-America players on the field Saturday. They were Ki Aldrich, Davey O'Brien, and I. B. Hale. The Aggies had Dick Todd on the field and he was as great as any man can be. If he is not an All-America, there never has been one. He fought his heart out as did a few of the other Aggies. Joe Boyd played a swell game and that battle that he and Hale had was nothing less than great. Those two boys are the best tackles in the Southwest.

PASS BEATEN

A. & M. has no pass offense, their pass defense was terrible, and their blocking needs much improvement.

Morris Frank, who writes features for the Houston Post, said in his article Sunday that the Frogs sliced everything down that the Aggies had except Ike Ashburn's waistline. Frank has a waist-line that will compare favorably to that of the Golonels. He kept Lloyd Gregory in front of him all afternoon for fear that the Frogs would try to get to his line. Certainly if he lost some of his tummy, his blond waitress in Houston would go looking for another man.

Many of the sports writers asked Gregory what had happened to Rice, but Lloyd would bang on his head. All of the sports writers agree that the Frogs were powerful, but they also thought that they were not 38 point stronger than the Cadets. They figured that two of the touchdowns were given to the typewriter and pretend not to hear. Frogs.

Baylor Hasn't Been Downed Yet This Year

The Texas Aggie football team will journey to Waco Friday and will meet Coach Morley Jennings' Baylor Bear eleven Saturday afternoon.

Jennings uses a passing attack and indications are that the Aggies will use a running attack mixed with a few passes.

Baylor has one of the best passing combinations in the country in Billy Patterson, who won the Houston Post trophy last year as the conference outstanding back, and Boyd, who was an outstanding selection as an All-Conference end.

To combat this, the Aggies will try to shake loose Dick Todd and "Slick" Rogers on running plays.

The last Aggie victory over the Bears was in 1934 when they won 19 to 7 over the favored team to ruin the Baylor homecoming at Waco.

In 1935 the Cadets were the favorites, but were defeated before a homecoming crowd of their own, 14 to 6.

On a mud spattered field, the team played a 0-0 draw in Waco in 1936.

Last year Norton's crew were favored to take the Bears before the homecoming crowd at College, but on that day the Bruins dropped the Aggies by a 13 to 0 score.

This is a new page in the Aggie-Baylor book and it reads that the Aggies are going to Waco and will be followed by the Cadet Corps. A. & M. has won two games and lost two. Baylor has played four and won four. The Aggies have faced the tougher teams and are favored over the Bruins. Both ball clubs are in good physical shape. The remaining part of the page consists of four paragraphs which will be read Saturday afternoon at Waco.

Baylor has won one conference game, that being a 9 to 6 win over Arkansas. The Aggies have lost one conference contest.

NOTICE

The Battalion would like to run stories on the fencing, polo, pistol, and other minor sport teams, but due to the lack of enough men to work on the sports staff it is impossible to get around to all of these contests. It would be greatly appreciated if these teams would either telephone this material to us or send it down.
