

# Hanna Stars in Intramural Basketball Competition

## 2nd Hdq. F.A. Takes Lead With Basketball Wins

BY CHICK DENNY

George Hanna of 2nd Hdq. F. A. proved to be too much for the A Inf. team in basketball and set them back 34 to 22. Hanna, ringing the basket from all angles, hung up a total of twenty-four points, single handed; for the 2nd Hdq. team. Thomas of A Inf., was the second high point man of the game with ten points to his credit. C. D. Elwell of B Inf. led his team to a 25 to 7 victory over C Cost. A Sig. swamped the C Inf. team by a 26 to 11 score with M. J. Lyons feeding the basket for eighteen points.

In Class A touch football, Jawe Wilk ran and passed his C Cav. team to a 5 to 0 win over the A F. A. team. Wilk was the deciding factor with his long passes and end around runs. In a game that was participated in by thirty-eight players, C F. A. defeated E Inf. 19 to 0. A. W. Rogers and Al Schaffli sparked for the winners while Gibbs, Robbins and Bowers played well for the losers. B Eng., paced by H. A. Derrick ran rough shod over A C. W. S. to the tune of 26 to 0. Derrick scored two touchdowns with Conley and Hall adding one apiece. Ludwig, Nelson and Amundsen played outstanding ball for the losers.

With water polo making its debut in the past week, we find some close games completed. E F. A. nosed out the strong B C. W. S. team by 2 to 0 with Sam Jorrie and R. T. Kjsinger being the mainstays of the E Battery team. B Inf. showed that they intended to go places by beating A Sig 5 to 0. B Inf. showed an array of stars such as Howard, Ashworth, Warne, and Fuller. Jackson and McKenkie showed best for the A Sig. team. D Cav., last year's runner-up in water polo nosed out the B F. A. team 3 to 1, but used most of their subs in doing so. Lewis and Black, for D Cav. were the individual stars for the winners and Neely was the star for B F. A. A Coast proved to be stronger than B Inf. and beat them out by a score of 3 to 2. Roy Gillette starred for the winners, Joe Clapp starred for the losers. 1st Hdq. F. A., last years champions in Class A and B, had little more than a work out when they played a five man team from H Inf. and scored a 9 to 0 victory. Considering a five man team, all of H Inf. played well with Bennett being outstanding. 1st Hdq. was led by O. B. Denny, Bob Hows, Bill Rodgers, and Frank Krampitz.

We are reminded, again, that the rifle teams have until Nov. 5 to fire for record. All managers that have not had their teams fire for record, should not put it off any longer. Entry cards, for Class A handball are due in the office not later than Nov. 2. Play in handball is scheduled to begin Nov. 9.

## ARCHITECTS ARE PLANNING TOUR FOR NEXT SUMMER

At the informal open-house, sponsored by the Department of Architecture last Tuesday, tentative plans were announced for a tour next summer through the eastern part of the United States with the principle object being the World's Fair in New York. It is planned to arrange the itinerary to include the TVA developments, several government sponsored settlement and housing projects, the restoration of Colonial Williamsburg, the principal building in Washington, D. C., several of the large eastern manufacturing plants, many of the major construction developments and buildings in and about the City of New York, and particularly the World's Fair.

The main features of the Tour through Mexico conducted this summer by the department were presented informally at the meeting, which was attended by 300 persons. Various watercolors, drawings and photographs made by the students during the trip were exhibited, and movies shown were amplified by verbal description by C. J. Finney and J. M. Miller, faculty instructors who directed the tour.

The major portion of the Mexican exhibit will remain on display until November 12.

## Aggies, Frogs, Razorbacks and Bears Due to Win Saturday's Games

By E. C. "JEEP" OATES  
Battalion Sports Editor

After Saturday the Aggies will have only two more grid games for the 1938 season. Those two contests will find Rice here Nov. 12 and the Aggies at Austin Thanksgiving.

Games tomorrow will see T. C. U. winning over their old foes, Tulsa University. The Frog will hop on undefeated.

Rice invades Fayetteville, Ark., and will lose their first conference game to Arkansas after a tough battle.

Baylor goes to Austin. They have been tied by the Aggies and beaten by T. C. U. in their past two trips out, but they will bounce back into the win column over Dana Bible's crew of Texas Steers.

Norton's Aggies went to Dallas on the Sunbeam this morning. They will work out on the S. M. U. field today and will beat the Ponies on that field tomorrow by two touchdowns.

Winner	Losers
T. C. U.	Tulsa
Arkansas	Rice
Baylor	Texas
A. & M.	S. M. U.

Coach Matty Bell of S. M. U. has been singing the blues this week. He says, "Unless the Pony quarter-backing shows marked improvement Saturday, the Red and Blue Ponies are due to take a drubbing from the Texas Aggies who furnish the opposition for the home-coming affair."

Bell is also having an awful time trying to find an end to take the position left open when Charlie Sprague was injured. Bell said, "Here I am with only one capable end and the Aggies coming here Saturday and boasting one of the best running attacks in the country."

Well, Matty, there is no use to sing the blues now. You know that you are already beaten and no doubt the score will be a large onesided one.

While the Aggies are on the corps trip in Dallas, the cross

country team will be in Austin running against the University of Texas thinly clad. The Aggies have no chance at all of winning. Coach Frank Anderson has only one man back who was on the team last year. He is Micky Hogan.

Coach "Hub" McQuillan is getting his freshmen in shape for their battle with the Rice Slimes next Friday. "Hub" will be laying his undefeated record on the line when he trots his Fish out on the field. He coached a team last year that won all three of their contests. Mac looks for that record to be broken against the Slimes.

"Say," he said, "if Rice is good enough to beat all that material that Texas has, how in the world can we beat them with the material we have this year."

"Hub" may be right. He certainly does not have the material that he boasted of last year. "Hub" does have a little kid by the name of Wesson on his team this year. He is a six foot, four inch, 230 pound center. Wesson is one of the few guys that can stop John Kimbrough.

It would certainly be nice to see Kimbrough and Wesson backing up that Aggie line next year—210 pounds of Kimbrough and 230 pounds of Wesson. The opposing teams would think a long time before they started trying to go through that line.

Two Dallas boys will be playing before a hometown crowd tomorrow. They will be Joe (Sunshine) Boyd and Zed Coston. This writer wouldn't be surprised to see Coston break back into the starting lineup for this game.

Captain B. P. Heiser, the F. A. captain who left last spring, was always betting on ball games and horse races. He had the same knack as your writer, that of always losing. I'll bet he lost his old pair of boots when Sea Biscuit beat War Admiral.

THE FIRST BRICK BUILDING constructed west of Pittsburgh, Pa., was at Kaskaskia, Ill. It housed the first legislature of Illinois Territory. Kaskaskia is the oldest permanent settlement in the Mississippi Valley.

## Steers Meet Bears At Austin Tomorrow

The Baylor Bears, held back twice on successive weekends, will be battling to edge back into the win column Saturday when they invade Austin for their encounter with Texas University Longhorns.

The tilt will be the fourth conference start for both clubs, the Steers have dropped their opening games in straight order, while the Bruins have managed to come through with a win and a tie to throw up against the humiliating 39 to 7 setback at the hands of T. C. U. last week.

It will be a different Baylor team that takes on Texas this weekend as the Bruins will be out to avenge the 9-6 upset handed them last year when they were riding at the top of the conference standing. Only five members of last year's starting lineup are missing from this year's eleven and the hold-overs are determined to even the count.

## AGGIES SET—

(Continued from page 1)

who had been unable to rough out of the game, race it back 74 yards and a touchdown. Joe Turner, Aggie center, intercepted a pass late in the game when the Mustangs were desperate, and he scampered across the paystation without a hand being placed on him. The closest the Mustangs got to the Cadet goal was the 30 yard marker.

Norton is taking 34 men to Dallas. He plans to start Smith and Schroeder at ends, Boyd and Branson at tackles, Robnett and Minnock at guards, Vaughn at center, Rogers at quarter, Todd, and Kimbrough at halves, and Thomason at full. One thing is positive, Todd, Rogers and Kimbrough are sure starters.

Coach Bell does not know who he will start. He is not pleased over the showing that his charges made against Bible's Steers. He has indicated that he may change his entire lineup against the Cadets. Mallouf, Johnnie Clement, Brown, and Belville will probably be the starting backs; S. M. U. has three of the leading ground gainers of the conference on its team.

Bell is faced with a difficult problem. If he puts the "bee" on Todd, Kimbrough will wreck his line or Price and Pugh will pass them to death. If he spots Kimbrough, the Ponies will be wide open for Todd to do the "dippey doodle" and the defensive backs will be out of position to knock down passes.

It looks like another Aggie day. The "double-shuffle" will no doubt be taken out of the moth balls and put into use once or twice.

The game will be the feature of an S. M. U. home-coming. The Aggies have ruined one home-coming this year and they may ruin another tomorrow.

AIRPLANES ARE ENABLED to land on the decks of aircraft carriers by means of cables stretched crosswise and lengthwise across the deck. As the plane descends it let fall a large hook which catches the cables, thus retarding the speed.

ON OCT. 16, 1725, THE FIRST newspaper was published in New York.

## Bowmen Organize College Archery Club

The most newly organized club on the campus, the Archery Club, held its first meeting last Wednesday, the 26th. So far 18 boys have enlisted in it, but a number more are expected to join. The club is being sponsored by Mr. Nat H. Godbold, manager of the College Archery Range at the North Gate. The main purpose of the organization is the getting together of a group that can foster the tournament type of archery at A. & M. The idea is to have one group entirely of students, to challenge student archery groups of other colleges, and another group probably of faculty members and college employees and their families. The club will furnish big four-foot targets for practice shooting by its members, will hold prize contests among its own group, will conduct tournament shooting, and will discuss and have demonstrated the fine points of archery and the construction of archery gear.

The members have decided to hold their club meetings twice a month on every other Tuesday after yell practice, in the Physics Building, started this week.

## Try-Outs for Little Theater Scheduled

A special meeting of the Little Theater has been called for 7:30 Wednesday night, when try-outs for the play, "Dulce," will be made in the "Y" Parlor.

The play was written by Connelly and Kaufman, who is also the author of the currently popular screen hit, "You Can't Take It With You."

The Little Theater is a community organization, and anyone in Bryan or College is eligible to attend the meeting for try-outs.

QUIZ-MINDED COLLEGE professors and proponents of frequent tests to jolt jugged students were themselves given a jolt recently by Michigan State College's Dr. Victor H. Noll.

In reporting the results of his researches on the effectiveness of quizzes, Dr. Noll has revealed that: "There is no evidence to support the common belief among instructors that written tests as commonly used motivate learning or increase total achievement in college classes."

THE MAYFLOWER CREW and passengers sighted the harbor of Cape Cod on Nov. 19, 1620.

A SMALL POCKET KNIFE IS called a penknife because when steel pens were unknown and the quill pen was the only one used, a small knife was carried for the purpose of making and mending pens.

SOMETHING NEW IN FOOTBALL formations is promised University of Detroit football fans this fall with the announcement of Coach Gus Dorais that the huddle has been abandoned for offensive plays and called into being for defensive plays.

Dorais' quarterback will call signals in the good old-fashioned way when his eleven is in possession of the ball, for Gus believes that this type of play makes the game more interesting for the spectators.

Before each play is begun by Detroit's opponents, the Titans will huddle to determine which defensive formation to use, a style of play little used on U. S. college gridirons.
