

Nortonmen Bow To Bell's S.M.U. Mustangs 10 to 7

Texas Cross Country Team Defeats Aggies 15-50 in Duel Meet

Making the lowest score possible, the Texas cross-country track thinly clad defeated the Cadets 15-50 in a dual meet at Austin two and one half mile course. All seven members of the Steer team finished ahead of the Aggies.

Edminister of the Steers was first with a time of 13. minutes, 32.1 seconds, Joe Hart was a close second.

Todd Tallies For Ags On 60-Yard Return Of Punt

Dick Todd's sensational 60 yard punt return for a touchdown, in the first period of the game, was not quite enough to give the Aggies a victory, Saturday, when they met the Southern Methodist Mustangs in Dallas. Those seven Aggie points loomed mighty big on that score board until a Pony pass knotted the count at seven-all, and then when Pasqua, S. M. U. substitute tackle, placed a perfect field goal through the uprights, to give the Ponies a 10 to 7 lead, those seven points of Todd's just disappeared into thin air.

Except for All-American Dick Todd's great run in the first quarter, and Pelly Dittman's near successful punt return in the fourth period, with mere seconds to play, the Aggies never threatened the Pony goal. They seemed quite confident that seven points would win the ball game, but late in the last period, after the Ponies had made their successful bid for victory, the Cadets tried desperately to tally another six points, but they waited too long, and the final gun ended their rally.

Matty Bell's boys made ten first downs to the Aggies' seven, and picked up 86 yards rushing to the Cadets' 67. It was with passes that Norton's charges made their best showing—completing 10 out of 23 for 88 yards.

Aggies Lead Mustangs Until Last Quarter When SMU Scores 10 Points

BY E. C. "JEEP" OATES
Battalion Sports Editor

There are two ways to write a column after a team has been defeated—either by allying or by second guessing. The Aggies led 7 to 0 until the last quarter. The Ponies had not completed a pass during the first three periods. (Thanks to their ends for dropping two beautiful passes when they were behind our secondary.) In the last quarter, after S. M. U. had stalled for time during the last two plays of the third so that they would have the wind to their back when they punted, they got the breaks and took advantage of them.

S. M. U. took advantage of the wind every chance they got, the Aggies did not. The Ponies had good luck in getting behind the Cadet secondary, and in the last few minutes it paid dividends when Billy Dewell grabbed that pass behind the goal.

With only seconds to play S. M. U. got the ball on the Aggie 42 after the Aggies had fumbled. A pass put the ball on the 33 in the middle of the field and at this point the Pony quarterback signaled the bench to send in Pasqua to try for a field goal. The wind and the perfect kick carried the ball between the posts and with it went the ball game.

A. & M. was desperate after they were behind, but they had waited too long and the gun stopped them before they could do much trying to score. Seven points never has been enough to try to win a ball game with.

Aggie blocking was not up to what it should be. Missed tackles also played a heavy part in the fray.

Many dollars were lost on the game. Everyone had rated the Aggies from 6 to 13 points the better club.

No doubt Matty Bell slept well Saturday night. He always likes to beat the Aggies, and when his weaker team turned the trick he could do nothing less than have a good night's sleep.

Rice pulled another one of their luck charms out of Kitt's pocket

and kicked a field goal in the last few seconds to win over Arkansas. They got three tries at kicking the counter. There seems to be little use for the Aggies to work on methods of beating the Owls this week as the Kitts are covered with a little too much luck. Our best bet is for Lain to be in great shape. Rice is weaker with him than they are without.

Fifth place is about as high as we can see the Aggies to finish in at this time. Texas is always double tough at Austin and Rice will certainly be trying to remain undefeated in conference competition.

The most doleful sight that can be seen is a student body standing at attention when the band is playing Taps after a ball game. 10 to 7, what a game.

The Rice Slimes will be here Friday for their annual game with the Fish. Rice has less than thirty men on their freshman squad, but they were good enough to beat what has been called "the greatest Yearling team in the history of Texas U."

Spivey, Moser, Rogers, Robnett and Wade are the "big guns" in the Aggie backfield. Euel Wesson at center, Bucek and Henry are the guards, Joeris and Ruby form the best guard combination, and Simmons and Clark appear to be the best of the ends.

Spivey went over big in high school and looked fair against Allen, but in practice he has not looked so good. Wesson looks to be the best bet on the entire team. He shows possibilities of making a great center.

Well, just to try to forget some of these football reverses, let's all go over and see the ground broken for the new dorms in a week or two. We have all been looking for them for two years and I think it would be in order for the corps to go over there in the wilderness where they are going to build them and celebrate.

News comes from Mary Harden Baylor College at Belton that Helen Wills, better known as Helen Wills Moody, will be there November 29. The star is called the World's greatest woman tennis player. Admission to the fete will be \$.50.

First collegiate courses in pulp and paper technology were offered by the University of Maine 25 years ago.

Princeton University has purchased more than 600 volumes of 19th century fiction that were formerly in the Imperial library of the Russian Czar.

Colby College is constructing the first functionally-planned college campus in this country.

Field Goals Show Up In Saturday's Conference Games

BY RALPH INGLEFIELD

Not only did the favored Aggies fall before S.M.U. by a field goal, but Arkansas went down before Rice by three points. A field goal also showed up in the Baylor-Texas game.

Texas Christian increased its list of victories by defeating the University of Tulsa at Tulsa by a 21 to 0 score.

Patterson Pitches a 14 to 3 Win

Leading by a field goal at the half, Texas University returned from the rest period to find a hustling, determined bunch of Bears on their hands. The Longhorns found themselves faced with a number of aerials which resulted in a winning pass from spindly, blond Billy Patterson to Sam Boyd. Merka place-kicked the extra point. A little later a weak punt by Lawson on the Baylor 34, set up the next touchdown drive. After uncorking a 40 yard pass to James Witt which placed the ball on the Texas 10, Patterson, the Bears' triple-threat, shot another pass over the goal line to Boyd for an additional six points. Merka again converted.

Although the number of first downs was the same, both teams gaining 13, Texas outgained their opponents by driving along the ground for 151 yards to Baylor's 87. Patterson, who played his twelfth consecutive 60-minute game, hurled 24 passes, of which 11 were good for a total of 170 yards. Bryan and Lawson of Texas, tossed 19, of which nine were good for 58 yards.

T. C. U. Overpowers Tulsa

Sparkling Davey O'Brien again led undefeated Texas Christian to a 21 to 0 victory over Tulsa University. Striking during the first ten minutes of the game the Horned Frogs led by 14 points. As usual, little Davey O'Brien, brilliant on the ground as in the air, was the spearhead of the Frogs' attack.

The first tally came at the end of nine quick plays with Connie Sparks carrying the mail over the pay stripe. O'Brien place-kicked the extra point. Seemingly befuddled by the style of play they were facing, the Tulsans found their goal crossed just four and a half minutes later. The score followed a 32 yard gain on a lateral and O'Brien sweeping around end for fourteen yards. The fourth period tally came via the aerial method with O'Brien shooting a "straight as an arrow" pass to Clifford, who went over the goal at full stride.

The Frogs gained a total of 279 yards by rushing compared to 112 for Tulsa. Tulsa gained nine first downs to 15 for the Frogs. Tulsa attempted four forward passes of which one was good for no gain, while T. C. U. threw 18 for a completion of 10 for 143 yards.

Field Goal Gives Rice 3 to 0 Win

Jake Schuehle, Rice back, straightened out his right foot to make a perfect field goal during the last 50 seconds of play to give his team a three to nothing win over Arkansas.

The defeat was the third one of the season for Arkansas and nearly resulted in a free-for-all battle. Rice had three shots at the field goal and the third one proved to be the winner.

"JEEP" ASKED TO PICK TEAM FOR SOUTHWEST

The sports editor of The Battalion has been asked to represent the Southwest on picking an All-American team for the National Intercollegiate Sports Writer's team.

This All-American Board is the first to release their annual team. Each year their selection compares favorably with the All-Players All-American of Liberty Magazine.

"Jeep" Oates, sports editor, has announced that he has recommended Dick Todd, the great Aggie flash; Ki Aldrich, Davey O'Brien, and J. B. Hale of the leading T.C.U. Frogs for this All-American honor. Todd again proved to the world that he is the greatest running back in the country when he stepped 60 yards against S.M.U.

BRYAN HI DEFEATS HILLSBORO

Bryan's football team smothered Hillsboro 40 to 0 Friday night at Bryan and in so doing piled up an aggregate of 507 yards. Every man on the Bryan squad got into the race that saw Nelson of Bryan step 47 yards for one score and 51 for another. Nelson passed to Foster and Patranello for two more touchdowns.

Johnson, big Bryan fullback, accounted for the other scores by plowing over from the two yard line for one, and racing a punt back for 55 yards for the other.

Relentlessly a mechanical mouth at Bell Telephone Laboratories keeps talking... talking... talking into this new type telephone. Other telephones are being frozen, steamed, baked, lifted and dropped into their cradles by machines.

Why all these laboratory tortures? Simply because your telephone must prove it can take more use and abuse than it will ever get in its normal lifetime. It must be ready to give you the best possible telephone service.

Exhaustive testing of Bell System apparatus is one reason you can depend on your telephone always.

Why not telephone home often? Rates to most points are lowest any time after 7 P. M. and all day Sunday.
