

# Field Artillery Takes Top Berth At Swimming Meet

AN ARTICLE BY DEAN R. J. Marsteller, Head of the School of Veterinary Medicine, was recently published in the December issue of the "Southwestern Poultryman" magazine, with a picture of its author. The article, entitled "A Service for the Poultryman", discusses the healthful care of poultry, and describes the services of the A. & M. Veterinary School to thousands of poultry raisers throughout the Southwest.

## Class A and Class B Winners In All Events Announced

The members of the Field Artillery Regiment may be generally known as the "Buggy Boys" to the rest of the student body, but the shaking up they get while riding those "buggies" must make them very seaworthy, for the first three places, in both Class A and B swimming, were taken by the boys with the red hat cords.

Outcome of the Class A swimming meet is as follows: 1st Hdq. F. A. with 30 points; E. F. A. with 25 points; C. F. A. with 18 points; and E. Inf and D. Cav. tied for fourth place with 12 points each. Members of the winning 1st Hdq. F. A. team are: G. J. Palmer, F. J. Krampitz, O. Denny, and R. W. Howe. "Slick" Trapolino, C. F. A. manager, is happy that he has beat Jack Craig, 2nd Hdq. F. A. manager at something.

The winners in the Class B meet include the following: E. F. A. with 34 points; D. F. A. with 23 points; C. F. A. with 16 points; and B. C. W. S. with 15 points. Swimmers on the first place team are: E. W. Conway, J. E. Patterson, W. P. Biggs, and R. L. Burney. After this meet, the Trapolino "brothers", "Mike" and "Slick" of D. and C. F. A. respectively, de-

## Aggie Pistol Team Places Second At Pistol Matches Held In Houston

BY E. C. "JEEP" OATES  
Battalion Sports Editor

We all regretted the death of Jack Puckett, a swell kid and an outstanding journalist of The Battalion. Jack's dad, J. W. Puckett, was an outstanding guard on the football team in '34 when he won his "C" when the Aggies were known as College.

The Aggie pistol team did right well for itself in Houston this week. In the team match they took second place behind the State Police team which is a team that is shooting almost every day. Teams that finished below the Aggies were the Bayou Rifle team of Houston and the U. S. Customs Officers of Galveston.

W. A. Becker was high man for the Aggies with a 280 and was followed by Bob Shiels with 276, Silverman with 275, J. T. Ashford with 274 and Gene Shiels with 271. Becker is in C. F. A., Bob and Gene Shiels are in D. F. A., Silverman is in G. Inf., and Ashford is in C. Coast.

Becker was fourth high in the slow fire and was firing against at least six men who had won sweaters firing in the National meet at Camp Perry. The five men on the team gleaned medals for their second place.

It was the Bayou Rifle team that the Aggies went out to beat and they were satisfied. The Bayou team will come here for a meet Jan. 15.

"Hub" McQuillan's basketball team looked much better than was expected in their game with the team from Houston Saturday night. They should put on a very good show tonight against Sam Houston Teachers.

are 1st Hdq. F. A. and D. Cav.

The last time this so-called writer took a crack at composing this column, he stuck his neck away out in attempting to list the most noteworthy intramural entries at that time. As a result, he has been row beat and accosted so much that he took out extra insurance, just to protect his interests, but having regained little courage during the last few weeks, he has again decided to point out the team of the hour—C. Troop Cav.

This bunch of hard riding boys are coasting along on the top right now, and if they don't slow up for the cross roads, they should win their share of events, plus some-ones else too. Right now they have that old mare sweat all over them, and can see nothing but the top of the heap. They are headed that way and will give anyone trouble who tries to stop them.

## Aggie-Sam Houston Game To Be Played At Gym Tonight

Coach "Hub" McQuillan has announced a change in the Aggie-Sam Houston game and stated that the first game will be played here in the local gym tonight starting at seven o'clock.

It was originally scheduled for the Aggies to play in Huntsville tonight and for the two teams to meet here Friday night, but due to a Chamber of Commerce banquet in Huntsville tonight, the schedule has been reversed.

Two games will be played. The first will be between the reserves of the teams and will start at seven. The varsity fray will start immediately afterward or about eight.

While not settled on a starting team, McQuillan will probably start the same five which started against the Second Presbyterian team last Saturday and will include James Carrigan and Billy Joe Adams at Forwards, Wheels at center, and Capt. Sam Dwyer and Varner at guards. Jude Smith may get the call over Varner.

Admission to the two games will be 40 cents or regular coupon. One coupon is good for both frays.

J. W. BARGER, HEAD OF THE Department of Agricultural Economics, was the featured speaker at the meeting on Monday, Dec. 12, of the Texas Association of Fire and Storm Insurance Companies, which convened at the Driscoll Hotel in Austin. He spoke on the reduction of fire losses.

This was the third annual meeting of the Association. There are in Texas 36 fire and storm insurance companies, all Association members, whose insurance some 85,000 farmers in the state subscribe.
