## Aggie Swimmers Prepare For Long, Hard Schedule

### First Meet Due Saturday Night

BY W. F. "CHICK" DENNY  
After having their first meet of the year postponed, Coach Art Adamson's swimming team will be pitted against the San Antonio Y. M. C. A. Saturday night. The place has not been decided definitely, but it is highly probable that the meet will take place in the P. L. Downs natatorium.

The swimming team will be something less than traveling representatives of A. & M. this year. Their schedule is made out as follows: March 4, San Antonio; March 10 and 11, New Orleans and Baton Rouge, Louisiana; March 18, Austin; March 25, here; April 1, Waco; April 8, St. Louis.

When the team travels to Louisiana, a match will be held with the New Orleans Y. M. C. A. on March 10, and the following day will see the Aggies pitted against Louisiana State University. These two matches will show how well the Aggie swimmers stack up against teams in the Southeastern Conference.

Next on the list for the Aggies will be the University of Texas at Austin. A water-polo game will also be played at this meet.

March 25 will see the second annual water carnival produced and put on by the swimming team. This show is bound to bring a group of beauties to the show and, as last year, another overflow crowd is expected.

The conference meet will take place April 1 in Baylor's new pool. Competition for the Aggies is expected to be stronger on this side than ever before. The Longhorns have ruled this meet for the past several years and should do so this year.

April 8 will see the Aggies going after national laurels when they show their wares in the National A. A. U. junior water polo tournament at St. Louis. After finishing second in the meet last year to a veteran team from Northwestern, Adamson has high hopes of conquering the meet this year. If the Aggies are victorious in St. Louis it may mean another trip sponsored by the National A. A. U.

### Denhardt Speaks On "The Saddle Horse"

"The Saddle Horse" was the topic of a talk given by R. M. Denhardt to the Saddle and Siroin Club Monday night. Mr. Denhardt, instructor in the Agricultural Economics Dept., is an authority on the subject of saddle horses, quarter horses and palominos.

A quarter horse is a cold-blooded horse marked by the ability to run a quarter-mile at a high rate of speed, according to Mr. Denhardt. He also explained some of the work being done in the breeding of palominos and steel-dust horses by breeders in Texas

## Giants Defeat Packers; League Comes To Halt in Alphabetical Finish

The New York Giants, Texas Aggie A team, walked off Kyle Field Wednesday afternoon as champions of the winter football round-robin tournament by winning from the Green Bay Packers, B team, 21-7. As the Washington Redskins, C team won, 18-0, from the Chicago Bears, D squad, the league closed in an alphabetical finish—A, B, C, D in the order named.

Twice the Giants made marches the length of the field after receiving the kickoff to score touchdowns. Jim Thomason returned the first one for about 40 yards and John Kimbrough ran back with the second one for 50 yards before he was taken by three tacklers, including Euel Wesson and Bob Hall, weighing a total of 475 pounds.

The third score came when a Packer punt was blocked and Joe Boyd, Giant tackle recovered while the ball was in the air. He stepped across from the 3-yard line. Price converted all extra points to keep his tournament record clean. In all attempts so far Price has never failed to kick the extra point.

In the first march Price completed a pass to Herb Smith that was good for 25 yards and barely missed being a touchdown but Smitty was downed on the 5-yard mark. Three plays later Price started wide at right end but cut back and scored over tackle.

The second parade began with Kimbrough's 50-yard return to the Packer 47. End sweeps and line plunges during the advance included: Moser, 7; Price 1; Kimbrough 4; Price 3; Kimbrough 11;

Thomason 9; Kimbrough 1; Price 6; Price 4; and then Kimbrough went the rest of the way sliding about six feet on his chest after he lit behind the goal line.

Marshall Spivey pulled the smartest play of the afternoon when he crossed up everyone but himself and scored from the Giant 27. He took the ball on a spinner and as the team swept to the left on a wide run, he pivoted and went to the right and down along the sidelines for a touchdown, completely fooling Thomason and Moser who were too far off balance when they discovered the deception. Hall kicked the extra point.

The game ended just after the Packers had held the Giants for downs on the six-inch line.

Norton will pick his players from this game and stage the grid battle with them against the rest of the squad Saturday as the main feature of the annual Sports Day program.

The University of Mississippi is the latest of the colleges to open a student-operated night club on its campus. A nickelodeon furnished the music for its opening night.

and then substitute the B crew for the A and the D eleven for the C. In this way the fans will get a glimpse of the way the teams will appear next fall.

There are some new faces in the ball club now. Derace Moser, sophomore triple threat, is in the A team backfield.

New men on the B team are Sterling and Clark at ends, Joeris at tackle, Bueck and Henry at guards, Spivey and Wesson in the backfield.

The C team claims Darby, an end who served his time two years ago, but was out last fall, McPhail and Ruby at tackles, and Ed Robnett a guard, along with Holder at the pivot. In the rear cordon there is "Slick II" Rogers.

Most of the D team members are new and includes Cowley, Wellborn, Boyd, Heiman, and Reed at ends; Smith, Grant, Landers, and Parish at tackles; Motley, Buckner, Walker, and Brooks at guards and Abbott, Wade, Mansfield and McEver in the backfield.

"Cotton" Price is one of the most improved men on the Aggie team. He is kicking, passing, running, blocking, and calling the signals this spring and looking good at all of them.

Odell "Butch" Herman, who was shifted from the backfield to the line, is probably the standout of the spring training session. Coach Norton says that if there is a potential Ki Aldrich in the Southwest Conference next year it is Herman.
