## Busy Weekend Is on Tap for Aggie Athletes with Sports Day, Laredo Track Meet, and Exhibition Games

By E. C. "JEEP" OATES  
Battalion Sports Editor

This is a wild week-end of sports. The track team in Laredo, the fish and varsity basketball teams and the tumblin' team just back from Austin, the baseball and football teams playing tomorrow, the polo team getting set for Sunday, and the intramural department going crazy with so much stuff going on. Oh yeah, the swimming team is getting ready to travel, also the pistol and rifle teams are blasting away at their mail order foes.

Capt. Phil Enslow's pistol team grabbed a couple of matches during the past week. They fired against three teams, but one of them was a crew in England and their score has not arrived from across the pond yet.

Ohio State fell victim to the Cadet marksmen when Bob Shiels fired the high gun with a score of 282. Ohio State had an aggregate of 1295 to 1360 for the Aggies. The Cadets used this same score against Xavier and it was good enough to win, as that team was able to tally only 1360.

The Aggie Fish also won over these two schools. The score: Fish 1288, Ohio Freshmen 1125. This gave the Fish a 1288 to 1070 win over the Xavier shooters.

Some of the men have shown up exceptionally well during spring training are Price, Herman, Marshall and Ed Robnett, Bill Duncan, Moser, Kimbrough, Henry, and Thomason.

Price is probably the most improved ball player on the lot. He is a real honest-to-goodness triple-threat man now.

Norton says that Herman has possibilities of making a center as good as Ki Aldrich. That is saying a lot.

Jim Thomason looked exceptionally good at blocking most of the time.

More than 2,000 people danced at the Cornell University junior prom.

## FAMILIAR FIGURE

## G. F. Ashford, Here Since 1888, A Familiar Figure Around A. & M.

BY JEEP

Does the name George Franklin Ashford mean anything to you? Probably not, but he is a fixture here with the athletic department. He has been around here longer than anyone connected with the college, having put in his appearance here in 1888.

In 1888 Ashford came here and helped sink the first deep water well. It was drilled near the present standpipe. After a few years he left, but came back in 1917 to take charge of the barracks of the soldiers who were drafted here for war training.

He stayed here until 1920 and then left for one year. He came back in '21 and worked for the Building and Grounds department through '26. In '27 he went down to the athletic field and went to work for Dana X. Bible. He has served there under three coaches now, Bible, Bell, and Norton.

Ashford makes all trips with the football team. His duty is to take care of the equipment. He takes care of all the athletic equipment except the uniforms that "Sarge" Carroll has.

He is the man who gives Kyle Field a "face lifting" every year after football season. He is the one that keeps the track, diamond, football field, and gym in playing condition.

In '37 there was a snow just before the Turkey Day game with Texas, but by game time the field was dry, the sun was shining, and no one could tell there had been any snow in the stadium.

Ashford built the little gym and the baseball stadium. He builds the batting cages and most of the other things that are used there.

He has a little work shop under the west side of the stadium, and it is equipped for all kinds of work. He came here when the enrollment was about 250 and has seen it grow into the major college it is now.

When asked how old he is, he replied, "I am as young as the youngest athlete."

When he is off with the football team, the coaches call him "Tom Cat" because when he finishes his work he can't be found. Once one of the coaches trailed him, hoping to get the low-down, but found that he went to a picture show.

He is the man who built the coaching tower that enabled Coach Norton to continue his coaching during his years of illness.

If you see any kind of a con-ration running around Kyle Field, you can bet your last dollar Ashford built it.

## Karow Says Aggies Close Season by More Games Losing to Longhorns Are Signed

The Texas Aggies play their first baseball game of the year here tomorrow against the second team Aggie diamonders at 2 P. M.

The batteries:

For the regulars, Connely, pitcher; Doran, catcher.  
For the Yannigans, Cohn, pitcher; Kirkpatrick, catcher.

Before the game, Coach Karow has announced that a few fundamentals of baseball will be demonstrated. The double steal-squeeze play will also be shown.

The game will be about a five-inning contest with the regular pitchers and catcher working on the second team, and the relief pitchers and catcher working on the varsity. Zed Coston has agreed to umpire.

## WILLIAMS ON FIRST

Captain "Slug" Williams, a better than .300 hitter and All-Conference man, will be on the initial sack. Sophomore Jack Lindsey and "Chubby" Nolen will handle the work around the keystone bag, while Bob Stone takes care of the hot corner. The outer gardeners will be "Slim" Timmerman in center, Dave Alsbrook in left, and the conference batting champion, Jack Cooper, in right. Jack Doran will be behind the plate taking the slants of Connely, Peden, Thrift, and Miller.

The second team will find Scoggins at first, Handley at second, Harrison at short, Parker at the corner to the home stretch, Moreland in right, Tinker or Rice in center, and Karcher in left. Kirkpatrick will receive for "Happy Hooligan" Hal Welsh, Tony Polonovich, Harry Cohn, and Ralph Lindsey.

## MORE GAMES ADDED

Karow has announced that some more games have been added to the schedule. On April 7 and 8 they play the Houston Buffaloes in Houston. On March 10 and 11 they play the Grand Prize Brewers of Houston here. It is highly probable that they will play the Beaumont Exporters here March 16 and 17.

Marty says that he expects a far better race for the pennant this year than the one last year. He rates Texas at about their usual strength, Rice better, T. C. U. better, S. M. U. about the same, Baylor a little stronger, and the Aggies stronger due to added experience and more top-flight pitchers.

Sam Bass, star freshman pitcher of last year, is out for several weeks with a broken finger.

AUSTIN, March 3.—Texas A. & M.'s cagers closed their current basketball season here last night with a loss to the University of Texas Longhorns, 66 to 32. The Aggies this season were victorious in only two games, both of those against the hapless T. C. U. Frogs.

## "T" Heads Have Worked Hard in Planning 3rd Annual All-Sports Day

Sports Day activities tomorrow represent the untiring work of three "T" men who head the "T" Club. They are Bruno "Pun" Schroeder, president; Karl "Korky" Steffens, vice president; and Owen "Slick" Rogers, secretary and treasurer.

These men have been active in athletics at A. & M. for four years, as is shown by the fact that Schroeder won fish numerals in football and track, three varsity letters in football, and is working on his third letter in track.

## TUMBLERS, VOLUNTARY GROUP, ENDS SEASON WITH U. OF T. EXHIBITION

BY TOM DARROW  
Assistant Sports Editor

Last night in Austin, the Texas Aggie tumbling team made their last exhibition between the halves of a basketball game. Three of the 14 members of the club will never again hear the roar of the crowd as they perform on the hardwood courts, for they are seniors and will graduate in June. The tumbling team has given exhibitions at all of the Cadet's home games this year besides the one in Austin.

The Tumbling team receives no aid from the Athletic Department and pays all of its expenses. They receive no honors from their participation—only the enjoyment they gain from their own efforts. However, in the past, the team has given exhibitions in Houston and Belton and this year they have

Steffens won fish numerals in football and track, and a varsity letter in football. He was first string guard in '38.

Rogers made numerals in basketball and football, and three varsity letters in football. He was first team quarterback in '37 and '38.

been asked to be put on the program at La Grange and Houston. This year's team includes 14 men, from Mexico to Minnesota, and from Colorado to Texas. The three seniors are J. D. Aughtry, Co-captain, W. R. Davis, Co-Captain, and K. D. Bradshaw. Besides these three there are five juniors, four sophomores, and two freshmen.

**THE GLEE CLUB WILL SING** for the morning services of the Methodist Church, campus, Sunday, March 5.

Exclusive of the Christmas program, this will be the first appearance of the club. Director J. J. Woolket has announced that the club is now open for engagements both religious and secular.
