Aggies Play S M U Wednesday

Karowmen Meet Mustangs Here In Tilts Wednesday and Thursday

It looks like the tennis team is improving in several respects. I watched them for a while in their match with Tech yesterday and some of the boys were looking pretty fair. Of the bunch that has been playing lately it looks like V. C. Denton, Mitchell, Givens and Adams are the best.

Some of the Texas Tech boys played a little off-color stuff. Tech has some of the most sorry sports that this writer has ever seen. Their whole system out there seems to be a little on the shady or unsportsman-like side.

It is a regular custom to say, "Capt. Phil Enslow's pistol team won again." Well, they have. The varsity trimmed Wisconsin by a score of 1337 to 1284 and at the same time they beat St. Bonaventure of New York 1337 to 1319. The freshmen of St. Bonaventure lost by a score of 1326 to 1227.

The freshmen shot almost as high a score as the varsity. That indicates that the Cadets will probably have a darn good team next season.

It is rumored that Enslow will probably be here again next season and that will be a boon to the pistol team. He has taken a team that has not been known around here and developed them into probably the outstanding team of the campus.

It is hard to explain just what has happened to the baseball team. Before the season started they were rated as the probable team to beat for the conference championship.

Jack Cooper seems to be the most consistent hitter of the lot. He got three for four against S. M. U. and got one of the three hits off of Duckworth of T. C. U.

Getting back to the pistol team after some new information reached the desk. We find that the Aggies will shoot against the Bayou Rifle Club of Houston on April 15 after the horse show and that one of the best teams in the state, the Dept. of Public Safety, may also be here. Col. Homer Garrison, head of the group, has been written and invited.

The Aggie track team did not give such a good showing at the Texas Relays. In the University division, fourth in the javelin and 120 hurdles was the best they could do.

The polo team lost one in Oklahoma Saturday. It looks like the only team that was able to win for the Aggies Saturday was the tennis team when they defeated

Tomorrow afternoon the Aggies play host to the visiting S.M.U. baseball team, the first conference team to defeat the Cadets this season.

The Ponies, coached by "Little Hig" Higgenbotham, former Aggie baseball mentor, will probably shoot Guy Dougherty against the Aggie swatters. Dougherty defeated the Cadets last Friday in Dallas 4 to 3 when the Ponies scored a run in the last half of the ninth to win. He sat the Aggie swatters down with eight hits.

Also on Thursday the Cadets meet the Ponies again here and they will probably have to face Billy Dewell, All-Conference pitcher, who will be on the mound if he does not pitch the opening game. Dewell has already won a game against the Rice Owls.

The Ponies may be the team that Texas will have to beat for the crown this year. Last season they finished in fourth place, but they have added strength and experience this season and have some of the best hitters in the league in Churchill and O'Neil.

Churchill was an All-Conference man last season and was probably the leading outfielder in the league.

The games are due to start at 3:30. The Aggie twirler will probably be either Sam Bass or Ralph Lindsey, although Roy Pedan may be changed over to a starting twirler and might get the nod to start.

BROWN UNIVERSITY AUTHORITIES have reported unusual success of a "vagrabonding" scheme—a plan by which students may drop in to various courses in which they are not registered to watch experiments and listen to lectures.

Trinity University of Waxahachie, Texas. Aggie sports just seem to be at a low ebb... why, nobody knows.

The schedule of events for the next few days finds the Polo team playing Oklahoma Military school on the fifth as well as the baseball team playing S. M. U. here on the same day. On the sixth the tennis team plays one of the best tennis teams of the country in Dubuque U. and at the same time the baseball team will play their last game against S. M. U. On the seventh the baseball team goes to Houston where they will play the Houston Buffaloes on Friday and Saturday. Saturday the Aggie tracksters meet Rice in a dual meet that may turn into a three-way affair.

TENNIS TEAM WINS OVER TRINITY U.

The Aggie tennis team won five out of six matches Saturday to defeat The Trinity University netmen and to issue fair warning to other teams in the Southwest Conference. The Aggies won both double matches and three of the four single matches.

George Mitchell and V. C. Denton downed Farris and Nowlin of the Trinity team, 6-2, 6-4. Kemp Adams and Sherman Givens won the other double from Robinson and Oliver, 8-6, 3-6, 6-3.

In the single matches Mitchell defeated Farris, 6-2, 6-0; Denton defeated Robinson, 6-4, 7-5. Givens won over Nowlin 8-6, 6-4; and Phil Levine lost to Oliver, 6-4, 6-0.

The tennis team invades Dallas and Ft. Worth April 14 and 15 to meet S. M. U. and T. C. U. in conference matches. The annual meet of the conference will be held in Houston May 12.

INTRAMURAL VOLLEY BALL FINALS SOON

Four teams have reached the quarter final standings in Class A volleyball and are preparing for the play off to be held immediately following the spring holidays. A Field Artillery will meet C Field and B Field Artillery will face E Engineers.

The Class B play off in horse shoes starts today with seven teams listed. These teams include 1st and 2nd Headquarters Field Artillery, Companies D and E Engineers, B Chem Warfare, B Coast Artillery, and the winner of E Field and D Coast match.

Friday evening the last title in boxing was given away. Two boys in Class B boxing, Warren Saibara and Harry Neims, both of 2nd Hdq F. A. met to fight three rounds to determine the winner. At the close of the third round the 119 pound title was given to Saibara.

ALTHOUGH A. & M. IS NOTED for its damp climate a recent checkup discloses that it has not rained on the day of the annual Smith-Hughes contest during the past 21 years that the meet has been held at College Station.

Texas and Rice Lead Contestants in Annual Texas Relays Held Saturday

1,250 Athletes From All Over US Take Part in Meet

Texas and Rice grabbed the lion's share of the honors at the annual Texas Relays in Austin Saturday when eight meet records fell as 1,250 athletes took part in the events.

The Longhorns won three events and tied for first place individual event and two relay races.

Wilbur Greer of Michigan State got the jump on Wolcott in the century dash and managed to last

long enough to beat the Rice star by a portion of a stride. Wolcott came back in the 120 hurdles to win in 14.1.

The new records set were shot put won by Hackney of Kansas State with a heave of 52 feet 3/4 inches, broad jump won by Atchison of Texas with a jump of 24 feet 8 inches, quarter mile relay won by Rice in 4:14, sprint medley won by Rice in 3:28.4, 100 yard freshman dash won by Hill of Texas in 9.6, one mile freshman relay won by North Texas Teachers in 3:19.6, quarter-mile freshman relay won by Texas in 42.4.

A. & M.'s best showing was a fourth by Dreiss in the 120 hurdles, a fourth by Pettstath in the javelin,

a third in the freshman quarter-mile, and a second in the freshman one-mile relay.

Beufus Bryan, star vaulter for Texas, cleared the pole at 13 feet 6 inches, but after his official tries were over he went over at 14 feet and when the bar was raised to 14 feet 6 inches his pants leg knocked the bar off.

LAST FRIDAY NIGHT THE Grayson County Aggies were honored at a dance given by the Grayson County Mothers Club at Leisure Lodge, Sherman.

All Aggies of that county were invited to attend, bringing their dates as well as inviting their friends to come, with dates.

AGGIES COME IN SECOND AT WACO SWIMMING MEET

With some of their leading swimmers in Columbus Ohio, Texas still had enough strength to win first place in every event in the conference swimming meet that was held in the new pool at Waco Saturday. The Aggies were second and S. M. U. placed third.

The Aggies trailed Texas when the score placed Texas with 91 points, A. & M. with 61 and S. M. U. trailing with 30 counters.

A. & M.'s swimmers took second to every first that the Steers managed to grab and the Ponies came up with the third places.

The Steers have won the last eight consecutive conference swimming meets.

Coach Art. Adamson, whose swimming team is also one of the leading water polo teams of the world, leaves today for the National Water Polo meet at St. Louis, a thing in which the Cadets won second place last year.
