

### Small, Caruthers To Represent A. & M. At Oil World Show

An elimination was held Tuesday night in the Petroleum-Geology lecture room to decide the winners of the honor of representing A. & M. at the Oil World Exposition to be held in Houston Monday through Saturday. W. W. Small and E. B. S. Caruthers took first and second places.

The contest both here and in Houston consists of a fifteen-minute talk on some phase of the chemistry of oil, refining. Small's speech was entitled "Motor Fuel Demands on the Refiner." Prizes amounting to \$200 will be offered to the winners at Houston.

Last year's representative from A. & M. took first place in the Houston Exposition. He was Nugent Chamberlain, a senior in the Band, as is Bill Small.

### 22 Men Make Recent Eco Inspection Trip

Recently the Economics Department made an inspection trip to Dallas. Twenty-two men made the trip, accompanied by I. G. Adams and R. L. Elkins of the department.

The three-day tour was of value to the boys in that they were shown through such companies as Fenner and Beane, Proctor and Gamble, Dallas Cotton Exchange, Brown Cracker Company, Sanger Brothers, and the Ford Assembly Plant. There were speakers at each point of interest and guides to show them through the places.

**ACTS AS NURSE—**  
 (Continued from page 1)  
 see that a recuperating patient is served a special dish, just like one's "mother makes back home".  
 For her reward Mom receives the expressions of thanks and smiles of gratitude that come from the Aggies when she looks after their sick needs. There is not one who would fail Mom's request for some errand or service.

Some of the boys don't even know her last name, though all know her as Mom. Last fall one boy looking for Mrs. Claghorn among a group of nurses whispered to her, "Mom, which one's Mrs. Claghorn?"  
 She doesn't "cuss, drink, smoke, or chew"—but she's pretty broad-minded and a really good scout. When the boys come to the hospital even in the middle of the night she's always willing and glad to help.

She was born at Columbiana, Alabama, a little place where she hasn't been since she was three years old, at which time the entire family moved to Texas. She first lived as Groesbeck, where she attended grammar school; then in Mexia, where she went through high school; and she has traveled all over since. Mom didn't go to college, but got her nurse's training in the Army during the last two years of the World War.

Mom has her mother, a sister, and two brothers living, all of them reside in Dallas. Her father was drowned in Shelman, Georgia, in 1912. She was married in Fort Worth, and spent her married life in Dallas. Her birthday—she won't say which one—comes next month, May 5.

Mom lives in a beautifully furnished room and has her private office in the new addition to the hospital. She has a fine dark-red Chow dog named "Siam" that was given her as a pup by an Aggie last Christmas; and a pretty cat she calls "Rusty". She has kept big souvenirs and picture albums since 1918, without a stop, and has a big trunkful of invitations and pictures and souvenirs. She saves every one she gets.

Mom has been at A. & M. since 1918. Bizzell Hall, then brand new, was the first place she stayed—for a time the Army hospital here. She came to the old wing of the present hospital January 3, 1919, and has been there ever since—20 years. And she has known most of the Aggies during all those years. Her nephew, Harold Evans, is now a junior in the Cavalry.

Mom is head nurse to Dr. J. E. Marsh. Her "right-hand men" are Miss Erlene Vaughan, who has been here 13 years and is quite well-known herself, and Miss Elizabeth Bergin, who has been here two years.

#### CIRCULAR: NO. 36

1. In compliance with the request of the committee in charge of the Cotton Ball, approved by the Organization Commanders concerned, Ramps D, E, F, G, H, I, and J, of Hart Hall, will be vacated by cadets Friday and Saturday nights, April 21 and 22, in order to provide accommodations for visiting girls attending the Cotton Ball and Corps Dance on those nights.

2. Cadets having guests will be assessed a charge of 50¢ per guest to cover the cost of matrons, maid service, and other incidental expenses.

3. The Regimental Commander is charged with the responsibility for seeing that rooms and corridors are left in a neat orderly condition for the reception of the guests.

4. Cadets concerned will have vacated Hart Hall by 1:30 April 21; guests will be admitted at 3. Cadets will be readmitted to the hall at 12 noon, April 23, by which time guests must be out of the dormitory.

5. Guests staying in the dormitory must be in not later than 3:30, Friday night, and not later than 2 Saturday night. Guests must check in each night with the matron upon their return to the dormitory after the dance, and they must check out with the matron on their departure from the College for their respective homes. Escorts will be held strictly accountable for compliance with these instructions.

By order of Colonel MOORE:  
 CLAUDE F. BURBACH, Adjutant.

Attention engineering student who was witness to automobile accident which occurred on Waco-Dallas highway few miles south of Lancaster, Texas, on or about February 3, 1939 between an Oldsmobile Coupe driven by C. F. Goodman and Lafayette Sedan driven by G. G. Beakley.

**MISS DARTHULA DYER**, daughter of Major and Mrs. F. V. M. Dyer of Bryan and a student at the Weylister Secretarial School for Girls in Milford, Connecticut, was recently chosen by her classmates to present the Class Prophecy at the Class Day exercises to be held at the school on May 27.

You might be surprised to know that some of our familiar gestures come down to us from ignorant savages who were more nearly apes than men, and others from the gallant knights of the age of chivalry.

Why does "O. K." signify approval? It was Oct. 6, 1790, when the expression was first so used. On that date Andrew Jackson "proved a bill of sale, which was O. K." in the court records of Sumner County, Tennessee. The probable source of the expression is the Choctaw word "Okah," meaning "It is so and in no other way." Today dictionaries recognize this customary expression for showing approval as a part of our language.

Will appreciate engineering student who was occupant of car driven by Mr. Morris of Waco and who witnessed this accident communicating promptly with L. M. Kiser, 803 Superior Bldg., Waco, Texas.

**ON MONDAY NIGHT, APRIL 24, 7:00 P. M.** a moving picture, "The Story of Sulphur," will be shown in the Physics Lecture Room, by S. W. Clark, formerly entomologist, Texas Agricultural Experiment Station, who is now employed by the Texas Gulf Sulphur Company.

**SATURDAY WILL BE THE** last day that invitations may be ordered. Orders will be taken in the rotunda of the Academic Building.
