

BY E. C. "JEEP" OATES
Battalion Sports Editor

Fish Stevenson looked like the real McCoy while he was striking out 21 of the players from Wilmer-Hutchins high school here Saturday. He did not allow a hit until the ninth inning. He fanned one man four times and three more of them three times each.

Bill Livingston, Henry Hauser, Tommy Richards, and Gourley shot some mighty nice golf to trim Texas here last Friday. All four of the above boys are darn good golfers.

The last meeting of Dean Kyle's unofficial Student Advisory Council on athletics met the other night. Established this year in order to give the student body some way of showing its views on athletics here, the council may develop into even a more important feature next year than it has been this session.

That council, appointed by Dean Kyle, is just about the only way for students to have their side presented to the Athletic Council proper.

Which brings up a sore spot, namely, why can't the student body have more representation on the Athletic Council.

It seems to me—and The Battalion plus its editorial agreement

Field Artillery Takes 2 Events

THE FOURTH ANNUAL TEXAS high school swimming meet for boys will be held here Saturday, May 13, according to Arthur Adamson, coach of the national champion Aggie water poloers and chairman of the Gulf Coast A. A. U. swimming committee.

This is one of the biggest swimming meets held in the state and attracts hundreds of high school students annually.

with this column—that the student body should have at least the same representation the faculty has.

Every time the Council meets with students present, some member says something to the effect that athletics exist here for the benefit of the student body primarily.

And every time I hear that, I wonder why the student body has only one representative on the Athletic Council to two for the Former Students Association and three for the faculty.

I don't think it could be argued that students don't have enough sense to act intelligently in important capacities. As an example, the Student Publications Board has a majority of students over faculty members, but there's no conflict in it.

Horseshoes and Volleyball Are Completed Here

Holding a firm hold on the two championships offered last week in intramural sports the Field Artillery succeeded in capturing the volleyball and horseshoe titles. In the Class A Volleyball, S. L. Trapolino led the C Battery boys to a victory over B Battery. Battery A of the Field claimed the horseshoe title by defeating A Engineers 3-0.

By next week the teams for the softball play off should be determined with three of the league's champions already known. The Artillery band, the Infantry band, and C Infantry have reached the final standings. Present standings in the undetermined leagues show A Engineers and D Cavalry fighting for League A honors each with four wins and one tie. A Field Artillery leads in League B with three wins with G Infantry holding the front in League C with four wins and one tie.

In Class B tennis matches much action was seen over the week end with the field of 42 teams narrowing down very fast and three teams capturing quarter-final standings. B Infantry, and B and 2 Hq of the Field Artillery have claimed places in the quarter-final standings.

Water polo has been moving rite along and has been proving to many of the contestants that it takes more than just a swimmer to play the game. B Coast and 1st Hq and F Battery of the Field are the spotlights of Class B at this early stage of the schedule.

No progress has been made in the Class B horseshoe play off with D Engineers and 1 Hq Field Artillery, semi-final standing teams still waiting for new opponents to be determined.

The freshmen softball leagues are nearing the final rounds and should also be completed next week. H Infantry and A, B, and 2 Hq Batteries of the Field Artillery hold strong leads in their respective leagues with no losses and no ties. F Engineer is tied with G Infantry in League D, each with four wins. In league E, F Field Artillery and E Engineers are tied for the lead with four wins and

Texas Athletes Grab Their Share of Honors During Kansas Relays Saturday

Texas athletes grabbed many honors at the Kansas Relays in Lawrence, Kansas, Saturday. Three records were broken, one by Boefun Bryan of Texas U. and one by the North Texas State Teachers.

Bryan topped the bar at 14 feet, two inches to better the record he set last year by two and one-quarter inches.

The Rideout twins, Blaine and Wayne, of N. T. S. T. C. led their distance medley relay team to a new mark, breaking one which had stood on the books since 1931. Blaine ran his mile leg in 4:13, only three-tenths of a second below Cunningham's record mile.

Rice Institute won the university sprint medley relay to equal the 3:27 record it set last year.

Ed Dreiss of the Aggies took fourth place in the 120 hurdles that was won by Fred Wolcott of Rice. The Aggies took third place in the half-mile relay. The Aggie mile relay team took second place in the second heat, but fifth on comparative time for the two heats.

The Aggie track team will go to Ft. Worth for a quadrangular meet with T. C. U., S. M. U. and Baylor this week-end. Coach "Dough" Rollins will take his entire track team to this meet, and the Cadets will be favored to win.

UNIVERSITY 7 DOWNED BY AGS IN SATURDAY TILT

The Texas Aggie water polo team met and defeated the University of Texas team Saturday night at Temple by a 5 to 3 score. It was the first game for the Aggies since winning the National Championship at St. Louis.

The Longhorn mermen with all their nationally known stars including Keifer, Hoffrick, McClamrock, Flannagan, Crouch and others were not powerful enough to stave off the last half attack of the Aggies.

The first half found the A. & M. swimmers taking an early lead with Ty Hall slipping in a fast shot. But the Longhorn swimmers were determined and came back to score three goals before the half ended.

Realizing that their laurels were being endangered, the Aggie went into the second half of the fray determined to do or die. Play was not a minute old before Captain Bing Armstrong put one past the Texas goalie. Then Hensley scored, then Hall, then Armstrong again, and the University fellows realized that the jig was up. The Aggies were victors again.

Pre-game ceremonies included the introduction of the individual players and coaches of both teams. Coach Art Adamson made a brief talk in which he explained the rules and fouls of the game to the spectators.

The game was played in the Y. M. C. A. pool at Temple and because it was the first water polo game played in that section of the country, a throng of about 1,500 people saw the game.

one defeat.

Members of the Class A Volleyball Championship team include: Ed Radack, Joe Sowell, W. A. Becker, Al Schlafli, D. McElrath, A. H. Neighbors, A. W. Rogers, G. E. Duncan, H. S. Lewis and Manager Trapolino.

The Championship Horseshoe Team is composed of J. H. Larsen, E. K. Langford, V. C. Denton, U. M. Alexander, Bill Rutherford, O. M. Weaver, W. R. Louderback, R. C. Venner and R. P. Sullivan.

Hewitt Speaks to Marketing, Finance Club Tonight

Homer G. Hewitt, Texas State Manager of Northwestern National Life Insurance Company, will speak before the Marketing and Finance Club tonight at 7:15 in the Asbury Room of the Library.

The Club president has invited all students interested and urged the club members to be present in order that they may hear one of the most effective speakers, regardless of one's interest in life insurance, that has appeared here before student clubs. He has spoken before the Marketing and Finance Club every year for several years. There will be business to discuss during the meeting along with the discussion of the benefit show to be held Thursday and Friday nights.

BEARS TRIM A. & M. TENNIS TEAM SATURDAY

Baylor tennis players set the Aggie netters down by winning four matches to two in Waco Saturday afternoon on the Castle Heights courts.

Lewis Hilley of Baylor trimmed V. C. Denton 6-2, 6-1. Joe Cornelson stopped Given of the Aggies 6-2, 8-6, in their No. 3 tilt. Haynes beat Adams of the Aggies 5-7, 6-4, 6-2. Joe Woodward trimmed Aggie Mitchell 6-0, 6-1.

OILERS WIN ONE, TIE ONE WITH AGS FRIDAY, SATURDAY

Coach Karow took his Aggies to Baytown where they played the Baytown Oilers: Friday and Saturday, but on Friday they played 12 innings before the game was called on account of darkness with the score being knotted at 12 all, and then on Saturday the Oilers stepped out and banged out a 9 to 1 victory over the Cadets.

Trailing seven runs at the end of the sixth, the Aggies tied the count at 9-all in the ninth when Dave Alsobrook tripled with two men on base. From then on the game was tightly played with the next three frames even-up and the contest called a draw.

Bass started on the mound for the Aggies and lasted six-innings. The Oilers got seven hits and nine runs off Bass before he was relieved by Polanovich.

"Red" Kirkpatrick slapped out a homerun that traveled over a hedge 375 feet away. The Aggies outthrew the Oilers 14 to 12.

Pugh got three hits out of five times up, stone two out of 5, J. Lindsey two out of four, Williams one out of two, Kirkpatrick two out of three.

The Oilers got to Bass for eight runs in the sixth frame.

Six runs in the first inning gave the Oilers a start which the Aggies could not catch as pitcher Gore held the Aggies to five hits and one run.

Cohn started on the hill for the Aggies and was touched for two hits and four runs and allowed two walks. Peden relieved Cohn and pitched good ball and was relieved by Polanovich finally, but the damage had been done and the Aggie batters could do no good against Gore. Pugh, Rice, Jeffrey, and Kirkpatrick collected all of the Aggie hits, Kirkpatrick getting two.

Kirkpatrick hit to score Cooper with the only Aggie run in the fifth.

"FISH" DOWN WILMER-HUTCHINS BALL TEAM, 20-2

With Charlie Stevenson fanning 21 Wilmer-Hutchins batters, the Aggie Fish hammered out 12 runs to win over the visitors here Friday 12 to 2.

Stevenson pitched eight innings without allowing a hit, but in the ninth his hopes were destroyed when Mullins of the high school team hammered out a lusty double.

The high school team got its runs when two men reached the bases on a walk and an error, scoring on a passed ball and sacrifice.

In the latter part of the week the freshmen will go to Waco where they will play the Baylor first year players.

Stevenson had perfect control and had lots of stuff on the ball. He will greatly aid the Aggie pitching staff next season.

Control of Boll Worm

"The Biological Control of the Cotton Boll Worm," was the subject discussed by Dr. R. K. Fletcher, Entomologist of the Texas Agricultural Experiment Station, at the meeting of the Entomology Club last Thursday evening.

The lecture gave a brief resume of the type of work that is being carried on by the Texas Agricultural Experiment Station all over Texas, using this section of Texas as an example.

A business meeting of the club followed the lecture during which officers for the coming year were elected. The men chosen were as follows: J. E. Gillaspay, president; Charlie F. Towns, vice-president; W. C. Parker, secretary-treasurer; D. C. Early, social secretary; and M. K. Rethke, publicity secretary.

11 SWIMMERS GIVEN AWARDS BY COUNCIL

At the recent meeting of the athletic council 11 members of the Aggie swimming team were voted minor sports letters for the season that has just been finished.

The Aggie swimmers finished second in the conference meet and many members of the team make up the water polo team that has brought national recognition to the Aggie campus.

Those getting letters are C. E. Armstrong, J. P. Couch, W. F. Denby, H. S. Hensley, George T. Japhet, J. R. Reeves, T. G. Hall, N. A. Ponthieux, Paul Spough, E. C. Johnson, and Alex Nordhaus.
