Cadets Pound Owls for 12-5 Win

The winner of the triangular track meet between the "big three", Rice, Texas, and A. & M. Thursday will be Rice. Texas will be second just a short way behind the Owls and the Aggies will run a fair third.

One of the changes that Coach Rollins has made is putting Dreiss on the sprint relay team.

One of the features of the meet should be the 120 high hurdles. Wolcott, Gatewood and Dreiss, three outstanding men, will be entered in this event.

The pistol team will have their banquet in the mess hall May 10. It is thought that by that time it will be known just how the Aggies finished in intercollegiate standing. The Cadets will either be the champs, or at worst second.

Jack Doran, Aggie catcher, everyone of them chipped them for 19 hits at Austin Saturday and that it seemed that everyone of them chipped rocks off the cliff in the outfield.

The Aggies are now going to have to battle for even second place in the conference race. Baylor, a team that the Cadets beat three times, is going to be in the running for the second place slot.

Right now Dave Alsbrook and Bob Stone seem to be the Aggies' only bet for All-Conference. Stone is going to have lots of trouble in beating out Bob Moers of Texas for that third base job.

Rollins' Aggies went to town in a big way at Ft. Worth Saturday. They made more points on the track and in the field than S. M. U., T. C. U. and Baylor Combined.

Jude Smith bettered 190 feet in the javelin throw and that is going to be good enough to win at least second place in the conference meet, and if Graham of Texas has a poor day, it might take first place.

PISTOL TEAM WINS AND LOSES

Captain Phil Enslow's pistol team won and lost in their shoulder to shoulder matches with the State Police and Austin Police in Austin Saturday.

In the 20 round slow fire the Aggies won first with L. C. Kenemer firing for a score of 199 out of a possible 200 and C. A. Lewis firing a 198.

The match was fired on the police course which is an open range of 25 yards.

In the team match, which called for 10 slow, 10 timed, and 10 rapid, the State Police shot a 1,403 while the Cadets punched the cards for a 1,390.

Taking the aggregate the Aggies were tops with 2,363, the State Police were second with 2,360, and the Austin Police trailed with 2,350.

The Aggies go to Houston Saturday where they will fire in the Bayou Rifle's Club invitation. They will fire against some of the best teams in the South. The State Police, Galveston Customs Officers, Bayou Rifles, and others will be there. That will be the last match of the year for the pistol aggregation.

year. The pistol team is one of the ranking teams of the nation, the rifle team has a good chance at getting to keep their trophy, and the water polo team is the national champion in the junior division.

Although there were no record times in the intramural track meet Sunday, it is considered one of the best meets that has been held. "Penny" and his crew of student managers along with Dewey Hoke should be congratulated on the way they have been running things off this year.

They have had comparatively good weather and certainly have kept ahead of their schedule of last year.

E Engineers Win Horseshoe Title In Finals Over B Coast Artillery

E Engineers was declared the Class B horseshoe champions last week in the final play off of the tournament. Two days before the final matches the Engineer team won over B Chemical Warfare Service to claim quarter-final standings. In the semi-final matches B Coast won over 1 Hq Field Artillery 3-0, and E Engineers defeated neighboring D Engineers 2-1. In the final matches of the year the "old time throwers" from the Engineers threw the shoes to a 2-1 defeat over B Coast Artillery.

The three way tie expected last week for League A championship in Class A came to be an evident fact Friday as G. W. Koetter of A Engineers pitched a 7-3 game over F Infantry to place his team in the running for the title. A Engineers is now in first place in League A with C Field Artillery and D Cavalry.

In the Class B tennis schedule five teams have reached the quarter-final bracket and the remainder will be determined near the latter part of the week or the first of next week. Teams in the latter bracket include Batteries B and 2nd Hq of the Field, B Infantry, C Coast Artillery, and C Cavalry.

Outstanding in the freshmen water polo games are 1 Hq and A Field Artillery and B Coast Artillery. Each of the teams have three wins and no defeats.

Many of this year's winners in the track meet were returners from both classes in last year's meet. K. K. Steffins in the high jump reclaimed his second place standing being knocked out of first place by Bruce Moreland, the '38 freshmen class first place winner.

W. L. Williams of E Infantry refused to give way as W. L. Mayfield tried to place the sole claim on the top honor in the Class A high jump. Williams, last year's Class A winner, held out to tie the '38 freshman winner.

Others who reclaimed their place or returned to try to step up one more place included Kielman in the broad jump, and Heiman in the javelin throw.

TEXAS TRIMS AGGIE NINE 18 TO 6 SATURDAY

The University of Texas all but sewed up the 1939 edition of the Southwest Conference baseball race Saturday when they tore into four Aggie twirlers for 19 hits and 18 runs to trim the Cadets 18 to 6 in Austin before a capacity crowd.

Deutch, that Steer star twirler, limited the Cadets to six hits and six runs. Alsbrook touched the ace for a four base blow in the third to score Lindsey and Doran ahead of him for half of the Aggie tallies.

Every Steer got at least one hit off the offerings of Bass, Ralph Lindsey, Polanovich and Thrift. Haas got four for five trips, Evans gleaned four for six tries. Hill, the Steer's star first baseman hit for the circuit twice. Deutch also homered for the winners.

The Aggies committed seven errors to help the Steer cause along. Eleven of the Steer's hits were for extra bases.

Move into Conference Second Berth As Outcome of Monday Game

BY "JEEP" OATES

With Sam Bass pitching tight ball, with the exception of the seventh inning when he lost control and gave up five walks and three runs, and his mates, led by Pugh, Alsbrook, Nolen, Stone and Lindsey, pounding out 15 hits and 12 runs, the Aggies swamped the Rice Owls here yesterday 12 to 5 in a slow game that saw the Cadets move ahead of Baylor into second place in the conference race.

Rice reached out and got a run-off not hits in the first inning. Moore walked and went to second when Kaiser got a life on Lindsey's error. Moore scored and Kaiser went to third when Kirkpatrick threw wild to third trying to catch Moore going into the bag. Wood popped to first. Arthur whiffed. Helton rolled out second to first.

The Aggies gleaned two on two hits in their half of the first. Alsbrook singled. Nolen came through with a lusty double as Alsbrook went home. Nolen stole third and then home after Stone and Pugh flew to left. Cooper was given first base when the catcher interfered with him as Nolen came home on the pitch. Williams flew to center.

Rice was held to a single by Schuele in the second. The Aggies made it 3 to 1 in their half. Lindsey walked to third. Alsbrook flied to center with Lindsey scoring after the catch and Bass was doubled off first base when he went on to second, thinking that two men were already out.

Neither team scored in the third, although the Cadets did get a couple of hits. Rice went scoreless until the seventh, although they managed to get a bingle in the fifth.

With one down in the fourth, Bass was safe at second on a two base error. Alsbrook came through with his second hit to score the hurler. Nolen singled for his third hit and when Stone flew to left, Alsbrook followed with a theft of home. Pugh sent Nolen home, after the little short-stop had pilfered second, when he got a life on a hit to short.

Cooper scored in the fifth after

being hit by the pitcher. Williams walked forcing Cooper to second. Lindsey sacrificed both runners and Cooper scored on Kirkpatrick's fly to left.

The Cadets picked up another in the sixth. Alsbrook came thru with his third bingle. Nolen hit into a double play. Stone singled and stole second. Pugh singled to send Stone home.

Marty Karow, the Aggie Dutchman coach, had a time during the game. Marty has one smile and a thousand frowns. He rivals Hub McQuillan at a basketball game. Marty is a battler all the way and he wants things done right. When they are done wrong he may turn on anyone of his thousand frowns and stomp and mumble.

In the seventh, Rice picked up three runs off one hit. Bill Wood walked, but was caught at second on a fielders choice of Mitchell's dribbler. Moore doubled as did Kaiser. Carswell doubled and Mitchell and Moore went home. Kirkpatrick let a ball get by him and Kaiser scored. Wood went out stealing after he walked. Arthur walked. Helton flew to right.

In the eighth, Bass came back strong and whiffed Gomez, sub for Schuele, for the second time and then forced Wood and Laurence to pop out.

The Cadets finished their scoring in this inning. Stone walked and stole second. Pugh doubled against the boards to tally Stone. Cooper came through with a single to send Pugh to third and was
