

City Ordinances

Be it ordained by the City Council of the City of College Station, Texas:

Section 1.
No person, association, or corporation shall, on and after May 15, 1939, engage in furnishing water, light, power, gas, telephone, or sewerage service to the public within the limits of the City nor use the highways, streets or alleys within the city in connection with furnishing any of the aforesaid utilities services, unless said person, association or corporation shall have obtained and thereafter keeps in full force and effect a franchise to do so.

Section 2.
Any agency desiring to furnish any of the utilities services referred to in Section 1 of this ordinance, or to use the highways, streets or alleys within the city in connection with the furnishing of such services, shall make and file with the City Secretary a written application, showing the name and address of the applicant for the franchise, the name and address of the person making the application, the kind or kinds of utilities services to be furnished, the area within the city to be served; and the names and addresses of the persons or the officers of the corporation upon whom legal service may be made. Said application shall be accompanied by a fee of \$3 which sum shall be used by the City to cover the expenses of carrying out this ordinance.

Section 4.
When an application for a franchise has been filed, the mayor

New Air Cannon Did It

An engineer at the American Armament Company's proving grounds in New Jersey points to gaping hole torn in airplane wing by newly-developed 37-millimeter gun. This air cannon, mounted in nose of a pursuit plane, fires 100 shots a minute, and is the answer to new superbombers. Inventors of the cannon are developing a 400-m. p. h. plane as "gun platform" for the new weapon.

shall order a hearing on the application, notice of said hearing shall be given by publication in one issue of the official city paper. Upon favorable action by the city council, the City Secretary shall issue the franchise.

Section 5.
Any person, association or corporation which in violation of this ordinance shall without obtaining a franchise furnish any utilities services enumerated in Section 1 of this ordinance or use the highways, streets or alleys of the city, in connection with furnishing such services shall be fined, not more than \$100; and each day such violation continues shall constitute a separate offense.

Passed, approved and ordered published this the 4 day of May, 1939.

J. H. BINNEY, Mayor.
ATTEST:
Sidney L. Loveless,
City Secretary.

Be it ordained by the City Council of the City of College Station, Texas:

1. That all cars shall come to a complete stop at the intersection of Sulphur Springs Road and Bell Street.

2. That traffic on Bell Street, beginning at the intersection of said street and the Sulphur Springs Road and thence northward for one block, shall move northwardly only.

3. That the parking limit along Bell Street and the North side of Sulphur Springs Road be limited to 30 minutes and along the south side of Sulphur Springs Road be limited to one hour.

4. That the maximum speed limit for any motor vehicle within the city limits shall not exceed 20 miles per hour.

5. That the violation of any section of this ordinance shall be punishable by fine not to exceed twenty-five dollars (\$25.00).

Passed and approved this the 4th day of May A. D. 1939.

J. H. BINNEY, Mayor.
ATTEST:
Sidney L. Loveless,
City Secretary.

Dean of Engineering

THE PRESIDENT'S OFFICE has a few extra invitations to Commencement for those students who will call for them.

I WOULD LIKE EVERY AGRICULTURAL senior to meet me in Guion Hall Friday at 11 a. m. Attendance required. Credit for attendance.

E. J. KYLE, Dean
School of Agriculture

Y. M. C. A.—

(Continued from page 1)

Whether or not this faction will be allowed to conduct the campaign must be passed by the Board of Directors. Since this committee makes a charge of one per cent the Board may decide that members of the college faculty could serve as efficiently for less money.

Of course the biggest part of the whole fund will come from donations of ex-students. President Walton has subscribed for \$500 and reports that he has in his possession another check for \$1000 as a starter for the campaign. Several seniors have expressed their willingness to subscribe for \$100 to be paid \$25 a year and take the next four years to pay it out.

The Chesterfield glove, created by New York's smart designer Merry Hull...

Original and different too is Chesterfield's way of combining the world's best tobaccos to bring out the finer qualities of each. It's the Chesterfield way and that's why Chesterfields are milder than other cigarettes. They also have a better taste and more pleasing aroma. Chesterfields really satisfy.
