The ten tennis courts on the A. & M. campus are certainly proving popular these days.

There are six clay courts; two for faculty use, the remainder for student use, located across the street from the swimming pool and

1932, to the tune of exactly \$4,152. Taking all of the courts together, with the maximum number of players possible on each one, all of 32 lads, out of the 5,000 or more usually around this city, could playtennis at once. That isn't so good, but there is a nice, broad ray of sunshine in the fact that tentative plans are being made for the construction of four more cement courts, possibly within the year.

There are several rules governing

courts, possibly within the year.

There are several rules governing the use of the courts during rush hours. When there are players waiting, those on the courts must limit their play to one hour; and, since the courts are primarily for the use of students, others may use them only when there are no students waiting.

Tennis classes are conducted for the students during the long session, and there is also a tennis team, coached by Manning Smith. Five members of the team won minor sports letters this past year.

Ten Tennis Courts Are Moncrief Strikes Out 13 To Win Lipscomb's Opener

The opening four games in the softball league played simultaneously Tuesday, saw Lipscomb Phar-macy, Scaboard Life, Aggie Cleaners, and the defending ch Aggieland Pharmacy, steal the first

street from the swimming pool and the gymnasium.

South of Kyle Field and north of the project houses, with the AAA building to the east and highway 6 to the west, are four more courts, cement, and about seven years newer than the clay courts. These cement courts were built last year, at a cost of about \$5,000. The clay courts made their appearance in 1932, to the tune of exactly \$4,152.

The Seaboard Life team downed the College Laundry boys in a game that furnished the bystanders with a couple of laughs as well as some exciting happenings. The laundry boys placed five men on bases, but didn't seem able to gomuch further. R. Buckley pitching for the College Laundry allowed only two hits but walked seven men. The final score of the game was 8 to 2.

The Aggieland Pharmacy team held tight and took their first victory in their attempt to retain the title by defeating the Campus Cleaners 9 to 6.
