

Summer Sports

WITH HUB JOHNSON

The softball series opened with a pretty fast game last week between the College Inn and the Lipscomb Pharmacy but since then it has been getting better and better. Wednesday evening, with plenty of stem to be let off by all the players, the eight teams took to the field and marked up some nice records.

The Aggies sent a crew of swimmers to the Southwest A. A. U. swimming meet in Fort Worth this weekend. Here's best of luck to Nick, E. C., "Chick", and Jimmie.

A gripe now and then never really hurt anyone; so here it comes. Some of the team sponsors have lost all interest in their ball teams either because of some poor playing or the loss of a game or so. How about the boys—after all they are playing under your name. Give 'em a break!

These Harris girls from Calvert have really been making a show for themselves. Seen on the bowling alleys during the last week were Frances and Clara and I hear their form is pretty good!

How 'bout this . . . Fred Richmond barging back to the top of the pitcher's list by striking out nine more men against the Aggie-land Pharmacy team and by downing nine in the Aggie Cleaner game . . . Dan Jackson going all the way to Galveston just for a swim in the Gulf when we've got a swell hole, though maybe not as large, right here before us . . . "Pancho" Thompson going out for a round of golf last Tuesday evening or maybe it was a swim on the club course . . . Hiram Whitaker running to the pool every day for a swim . . .

We only heard . . . Albert Clay and George Fuermann get together for a thriller in the deciding match for the tiddley-winks championship . . . Nick Ponthieux preparing for future swims all through the nights . . . Lt. Joe Davis, Assistant Commandant to most of us, exercises now and then with a few rounds of golf on the Bryan Club Course . . . Bud Holloway of Fayetteville, Arkansas, has been hitting the Bryan Course pretty regularly in the last few weeks . . .

We saw . . . Bill Burton knock a home run in the first inning right after Richmond did the same in the Aggie-land Pharmacy game . . . Claude Smith and Fred Clarke wandering over to Brahma Jones' driving range to see what it's all about . . . "Holman" Spoede behind the ball on the 'Y' bowling alleys as well as in the box for the Aggie-land Pharmacy . . . Robert Lov-ling showing the boys how to sink the "eight ball" in a few games of pool . . . Bill Granfors taking advantage of the ping-pong tables in the 'Y' . . . Henry Ransom back from the national opens on the Bryan Course . . . the Ag Educators slowed down the Lipscomb Pharmacy team quite a bit last Wednesday . . .

Our assistant brings us news from Galveston that the water is fine . . . that the Bryan Country Club will reopen its swimming pool next week . . . and there are actually fish in the lake at the Country Club.

Prof. and Mrs. D. W. Williams lately had as their guests Prof. and Mrs. W. L. Stangel and family. Mr. Stangel was formerly a member of the Animal Husbandry Department here at A. & M., and is now head of that department and chairman of the Athletic Committee at Texas Tech.

Ag Cleaners Beat Opponents 21 to 1

The Lipscomb Pharmacy team fel victims to the Seaboard Life Crew last week as Newt Williams, pitcher for the insurance team, limited his opponents to only two hits. T. H. Terrell scored both runs for the victors with the final score registering as 2 to 0.

The defending champions, Aggie-land Pharmacy, downed the College Inn 6 to 4 in a game that saw Fred Richmond, hurler for the Inn team strike out nine men to add to his ten strikeouts of last Tuesday. The College Inn crew started early in the first inning with home runs by Bill Burton, manager, and Fred Richmond, but fell behind in the third as "Cat" Hewitt, George Jared, and Chick Denny marked up three for the pharmacy.

The Aggie Cleaners cleaned out the Campus Cleaners with a score of 21 to 1 as Curtis Holland turned nine men away from home and marked up three runs for the Aggie. Bill Hensel, short stop for the Ag Cleaners, started the wide hitting game in the first inning by going to first on a hit and was followed by C. A. Lewis, first base. Brooks Cofer then came to the plate to send one far into the field to score Hensel and Lewis and to mark up his first home run for the season.

The College Laundry entered the seventh inning determined to score the two runs needed to top the Ag Educators and finished the game with one out and a score of 4 to 3. Johnnie Teat, pitching for the Educators, fanned seven men and allowed only four hits, while Curtis Bullock, opposing hurler also downed seven men but allowed eight hits. Bob Wallace scored the first and the tying run for the laundry team with Bullock scoring the winner.

Wednesday's Four Games See Upsets

Wednesday evening proved to be an exciting one with many a surprise turning up in the four softball games played.

The College Inn came back into the picture by closing out the Aggie Cleaners 8 to 0 in a game that came close to being a no-hit, no-run game and credited to Fred Richmond. Not only did the Inn team run over the old high school boys but every hit made was used to add up to the final count. Richmond turned down nine men and accounted for two runs himself. The one hit for the cleaners was made by C. A. Lewis doubling on a hit to left-center field.

The Seaboard Life team downed the defending champions, Aggie-land Pharmacy, with a quick game of 3 to 2. Newt Williamson, pitching for the insurance team, sent four men away from home plate without scratching. Dave McMinn, first base for the Seaboard team,

HOW THEY STAND

Team	W	L	Pct.
Seaboard Life	3	0	1.000
Aggie Cleaners	2	1	.667
Aggie-land Pharmacy	2	1	.667
College Laundry	2	1	.667
*Lipscomb Pharmacy	1	1	.500
College Inn	1	2	.333
*Ag Educators	0	2	.000
Campus Cleaners	0	2	.000

*Tie game to be played off June 28.

NEXT WEEK'S GAMES

Tuesday	
Diamond 1	Aggie-land Pharmacy vs Lipscomb Pharmacy

Thursday	
Diamond 1	Lipscomb Pharmacy vs Aggie Cleaners
Diamond 2	College Laundry vs Aggie-land Pharmacy
Diamond 3	Seaboard Life vs Ag Educators
Diamond 4	College Inn vs Campus Cleaners

Golfing Facilities Numerous At A.&M.

MARGARET HOLLINGSHEAD

Did some one say golf? There are plenty of opportunities here to play the Scottish game.

At the Bryan Country Club, just inside the city limits on highway 6, there has been a nine-hole golf course since 1916. The present manager and pro is Henry Ransom. The course is open all day, and summer rates for students are \$3 per month. Green fees on week days are 25 cents for nine holes, and 25 cents for each additional nine. On Saturdays, Sundays, and holidays, no less than 18 holes can be signed for. Golf clubs are available at the golf house, both for sale and rent. They can be rented for 35 cents an hour.

The longest hole on the course is 563 yards, and the shortest is 122 yards. Ladies' par for 18 holes is 79, men's par is 72. Ransom's score of 63 for 18 holes is the lowest on this course.

An invitation golf tournament, open to all comers, will be held July 23. The entry fee of \$1 will include a lunch for participants.

Across the highway from the east entrance to the College is a month-old establishment, "Brahma's Driving Range." It is operated in partnership by Virgil "Brahma" Jones, Paul Durland, and James Garrett.

was credited for two of the runs with T. H. Terrell scoring the other.

The College Laundry boys after a day's work came on to the field to down the Campus Cleaners, who also arrived just before the last call for play with a score of 10 to 4. Clyde Denman, laundry left fielder, aided his boys with one home run and two other tallies.

The Ag Educators surprised the gang on the field by closing the game at dark with the Lipscomb Pharmacy with the score standing at 3 to 3. The winner will be decided in another tilt next Wednesday evening. It was the Ag Educators' game up until the sixth inning when Len Glaser and J. B. Gaffney came over the plate marking up the second and third pointers for the Lipscomb team.

Lifeguard White Is Swimming Teacher

"Spike" White, officially known as Carlton G. White, is the head lifeguard in the college swimming pool this summer. This is his first summer here, but he is by no means a novice, having had eight years of experience as a lifeguard at Camp Kanakuk, Missouri.

"Spike" received a degree in engineering here in '35, is now doing graduate work in physical education, and hopes to do intramural work this fall. At the present, besides his studies he meets seven swimming classes a day, comprising from one to six persons, and including children of six and adults.

During the swimming hours, "Spike" is constantly on the alert for swimmers in trouble.
