

Richmond Pitches Inn To Win Over Leading Team

Summer Sports

With Hub Johnson

The fourth week has gone by and the holidays are upon us. Next week will see the choosing of the most all-round girl and boy in the field of sports, and the picking of the first semester candidates for the college all-star softball team.

In and around the college pool we still find the Hollingshead family always having a representative present... we find Elizabeth Butler and Jimmie Borden throwing water in each other's face... "Ponto" Ponthieux enjoying a swim for a change... Amos Womble doing a bit of getting in shape for the vacation days... and we find Billy Adams still hanging around.

Last week when the College Inn won its first game over the Aggie Cleaners, the boys really enjoyed the steaks they received in reward, for they have returned to carry off the top side of tilts with the College Laundry and the top-notchers, Seaboard Life.

Wandering into Navasota last weekend, we saw "Chick" Denny, Charlie Ballowe, and Jack O'Brien showing the Bryan girls who happened to be in the vicinity as well as the "Navasots" some fancy diving and the correct forms of the various swimming strokes... We also eyed Tommie Littlejohn still shining out, only this time it's his sunburned nose... Doris Boughton and Earl Vezey enjoying a cool dip in the open pool... and Jack Bailey and Joe Floyd diving here and there.

Well, Harlem is swinging out yet. It seems as though the "brown Bomber" just won't go down. We are told through the grapevine that the Harlemites are using the "Beer Barrel Polka" as a funeral song.

The Aggie swimming crew disbanded before they even got as far as Bryan last week on their trip to the Southwest A. A. U. meet. Not to be stopped, Eddie Johnson traveled on but found on his arrival in "Cow Town" that the meet had been moved to Tulsa, Oklahoma. On he traveled, only to arrive too late to get his feet wet. One thousand miles to swim and not even a chance to dive in. Well, better luck next time, Eddie.

Still leading the pitcher's list are Fred Richmond and Burton Moncrief. The boys met each other in the opening game of the series and since then have been running each other a race to stay on top. Both have an equal number of strikeouts but Richmond leads in batting average.

Here and there we find... Jack Starkey on the tennis courts quite frequently... Roy Neal trying to learn to swim in the pool... Jack Hammond practicing to be a speed demon for the auto races... the Ag. Educators after dropping their first two games, coming back fighting... Harold Mikola playing a few games of five-pins on the 'Y' alleys.

The Southwest Conference was well represented in the track and field meet held over the country recently. At the N.C.A.A. meet on the West Coast, Fred Wolcott of Rice Institute carried off both hurdles titles and Jud Atchison of Texas carried off the broad jump title. In the Stanford Invitations, the Rideout twins of North Texas State Teachers showed the folks how the boys from the South run. One of the boys beat the British champ but came in fourth, while the other won the three-quarter mile race.

College "Y" Offers Many Popular Sports

By Margaret Hollingshead

Many of the popular minor sports on the campus may be found in the College Y. M. C. A.

In the main floor lobby are four pingpong tables, and there are four bowling alleys and 10 billiard tables in the basement. The equipment is available to everyone; pingpong balls are sold at cost, and the rest of the equipment is furnished.

Charges are 10 cents an hour for billiards, and 10 cents a game for bowling. The basement is open from 9 A. M. to 10 P. M., and the lobby is open all night.

The pounding of the bowling alleys and the clicking of the pingpong and billiard balls, heard all day long, prove the popularity of the games. Judging from the sale of pingpong balls, from 150 to 200 games are played a day. The top score for bowling was made about six months ago by a man from Houston, who bowled 290 out of a possible 300.

Other games found in the lobby include checkers, dominoes, and chess. Also available are 10 daily newspapers, with comic sections. J. G. Gay is making plans to install some badminton courts, and is installing some new games, among them "skittles" and box hockey.

More than 30,000,000 frankfurters will be consumed at the New York World's Fair.

Cleaners, Aggieland Pharmacy, and Ag Educators Win

Fred Richmond came to the spotlight Tuesday evening to gain full claim to the victory of the College Inn team over Seaboard Life. He not only was credited with pitching the winner, but in the seventh inning with three men on bases he sent a long one into the field to score the three and to mark himself up with a triple. Richmond also tripled in the sixth inning and scored on Burton's single. The insurance team was at a loss without the pitching of Newt Williamson who has been moved out of town with the Extension Service, although "Tiger" Teague turned in a splendid game for the Seaboard bunch. The final score of the game was 8 to 7.

Ag Cleaners Turn Down Laundry

"Sunny" Campbell's Aggie Cleaner team rallied in the fifth and sixth innings to surpass a 2 to 1 lead held over them by the College Laundry boys. Curtis Holland was again in the box for the cleaners and marked up two runs along with Price, Beezley, and Kana. Holland struck out seven men with his opposing hurler, Buckley, turning away eight. The score at the end of the game that neared calling due to darkness, was 11 to 2.

Ag Pharmacy Over Lipscomb's

The Aggieland Pharmacy came out on the top side of the pharmacies' game with a score of 9 to 5. "Muffin" Rodgers turned away four men and was credited with the game for the Aggieland boys while the losing pitcher, Burton Moncrief, kept up to his par by turning down 11. In the first inning of the game "Cat" Hewitt rounded the bases bringing in before him George Jared and Dan Wilson.

Ag Educators Over Campus Cleaners

The Ag Educators came back again to mark up another victory. This time it was over the "hard luck" boys from the Campus Cleaners. The game was a very lopsided
