## Laundry, Aggieland Pharmacy, Aggie Cleaners, Win Third Softball Series

Campus Laundry pulled an upset yesterday when they trounced College Inn by a score of 11 to 10, while Aggieland Pharmacy was eking out a 6 to 5 victory over Campus Cleaners, and Aggie Cleaners was dropping Lipscomb Pharmacy 9 to 2.

**ROUT HOMERS TWICE**  
Chip Routt continued to set the pace in the circuit clout department, but it went for naught because his College Inn mates were too shaky on defense. Billy Burklin, also of College Inn, hit one good for four bases.

Bullock twirled for the Laundry and gave up 13 hits while his mates were getting only 10. The Laundry tallied two runs in the first without the aid of a hit. College Inn gleaned three, counters in the first and three in the second. Laundry counted one in the second with one bingle. The Inn picked up another in the third while the Laundry failed to tally, but the Laundry came back with three in the fourth and held the Inn-ers in check.

The big fifth saw the Laundry boys set their guns and pick up five runs with six hits. Ayers, Eder, Lilly, Gunter, Powers and Durst hit safe and the first five men tallied.

College Inn picked up two in their half of the frame on Routt's third hit followed by a hit by Rohde. Yarbough ended the scoring with a counter in the seventh, but it was one short of tying the ball game.

**MONCRIEF WINS**  
Moncrief again twirled the Aggieland Pharmacy to a victory to keep the league lead, although it took a homer in the seventh by Elwell with a mate on base to do it. The twirler whiffed seven of the Campus Cleaner crew and had them under control in all but the third inning when the Cleaners scored all five of their runs.

Holland pitched for the cleaners and gave up only six hits, as did Moncrief.

## Summer Sports

With Hub Johnson

**With Margaret Hollingshead**  
This column isn't going to be coddled permanently—this one is just pinch-hitting for Hub.

Football season is on the way—Texas high school coaches will hold a coaching school at Rice Institute August 7 to 12. Main event will be the all-star high school game August 12, and among the stars will be Willie Zapalac of Bellville and Tom Pickett of Temple, who plans to enter A. & M. this fall. Coaches Leo R. (Dutch) Meyer of T. C. U. and Matty Bell of S. M. U. have invited Dick Todd and Bruno Schroeder to play on their all-star college team against the Green Bay Packers of the National Professional League. The game will be played Labor Day in the Cotton Bowl in Dallas. Dick has already accepted, being the first backfield man to do so. T. C. U.'s Davey O'Brien has begun practicing with the Philadelphia Eagles professional team, and Billy Patterson, Baylor's own, will join up with the Chicago Bears next week. And the Isbell brothers are still in the field. Cecil will be playing for the Green Bay Packers at Dallas against the Southwest all-stars while his younger brother will be on the playing field in Houston in the State High School all-star game.

We'd like to know the distance record for under-water swimming in the college pool—Charles Skelly says he can go across it about

two and a half times before coming up for air, and witnesses say Leslie McCarthy swam the length of the pool twice underwater. . . . Chris Matchett is one of the originators of the water goggles fad. . . . Among the playboys in the pool last week were Paul Stach and Volney Stubbs, playing pyramid. . . . Jack Rudy, Paul Dillon, Guy Garth, and Bill Record seem to belong to the Tarzan (duck-the-gals-and-make-them-like-it) school. . . . "Spike" White leaves this week for the "New York World's Fair. Good luck, Mr. and Mrs. White—we hope you make it.

**FURNITURE FOR NEW BUILDINGS SOON TO ARRIVE**  
Furniture for the twelve new dormitories and the new mess hall is expected to arrive and to be installed in the new buildings within the next two or three weeks, the president's office has announced.

Notice has been received that the State Board of Control, which has jurisdiction over the purchasing of furniture for all state governmental agencies and institutions and which took the bids for equipping the thirteen new buildings at A. & M., has awarded the contracts as follows:

The Swann-Schulte Furniture Company of Austin received the contract for all tables in the dining hall and mattresses in the twelve dormitories, on its low bid of \$20,466.20.

The Bickley School and Church Furniture Company of Houston was awarded the contract for dining-hall chairs, desks, and students' chairs on its low bid of \$45,433.24, and another contract for all the beds (bed frames and springs) for \$15,240.85.

The dormitories are rapidly being completed, pipe lines to the buildings are soon to be finished, the furniture will be put in shortly—and according to all reports it is certain that the buildings will be ready for occupancy by registration day.

Only 32 per cent of the University of Mississippi freshmen and sophomore co-eds received a grade of "A" in a posture examination.

And among the incidentals. . . the softball league is half over now and we find the Aggieland Pharmacy boys among those teams at the top. . . . And Lou Nova and Tony Galento will meet in a 15-round fight early next month.

**AROUND THE TENNIS COURTS WE SEE:**  
Tom Booker swinging out on some home runs. . . Crawford Coke and Eco instructor Tommy Keim working hard. . . Bill McKemie practicing for the tournament. . . and a number of beautiful coats of tan. The tennis tournament is getting under way and promises to offer some good games. There aren't as many girls as there should be, however.

## Todd To Be In All-Star Game Sept. 4

Schroeder May Too; S.W. Stars All To Be in Dallas Fray

Dick Todd and probably Bruno Schroeder will play in the annual all-star football game in Dallas on September 4. This will be the fourth of such "dream games", as dubbed by many, with the all-stars of the Southwest Conference facing one of the nation's outstanding professional teams.

This year the opposition will be furnished on the part of the Green Bay Packers who boast the strongest of teams. In the past twenty years in professional football, the Packers have been the only one to lay claim to the world's championship four times, winning three seasons straight during the years 1929 to 1931 and again in 1936. For an all-time record, they have a winning percentage of .703, and have piled up a score of 2,481 points for themselves to their opponents' 1,321.

The all-star team will be coached by Dutch Meyer of T. C. U. and Matty Bell of S. M. U. Among those to be included on the playing list are Davey O'Brien, Ki Aldrich, I. B. Hale, all of T. C. U.; the passing combination of Billy Patterson and Sam Boyd of Baylor; Billy Dewell and Charlie Sprague of S. M. U.; Jack Rhodes of Texas; Jake Schuehle of Rice; Elmer Tarbox of Texas Tech; and Darrell Tully and Gene Hodge of East Texas State Teachers College.

## PATRICK AND REYNOLDS EARN TRIP TO SEMINAR

R. L. Patrick, senior agricultural engineering student, of Temple and G. H. Reynolds, junior agricultural engineering student, of Albany, Texas, have been selected by the Agricultural Engineering Department of A. & M. as winners of trips to the 1939 A. S. A. E. Industry Seminar at St. Joseph, Michigan. They were selected because of high scholastic standing. Accompanying them will be Dr. J. T. Lund, instructor in the Agricultural Economics Department and Don Christy, assistant professor in the Agricultural Engineering Department.

The A. S. A. E. Industry Seminar is sponsored by the American Society of Agricultural Engineers, whose headquarters are located in St. Joseph, Michigan. The 1939 session is the second of a series, the first having been held September 12-16, 1938. The school was financed and the subject matter was presented by the following farm equipment manufacturers: Allis-Chalmers Mfg. Company, J. I. Case Company, Caterpillar Tractor Company, John Deere & Company and the International Harvester Company. This year the same group of companies are co-operating and will present a series of programs which will be both educational and entertaining.

The principal objectives of the A. S. A. E. Industry Seminar are to acquaint students and instructors in agricultural engineering with essential facts of the tractor and farm implement industry, and to afford an opportunity for students and instructors to obtain first-hand information concerning the designing of machines, selection and testing of materials, manufacturing processes, advertising, selling, financing, and distribution of machinery, that they may have a better understanding of the part industry plays in modern agriculture.

**ANNOUNCEMENT HAS BEEN MADE** that on the honor roll of the College of Arts and Sciences at the University of Texas during the past spring term were Helen Marie Sosolik, Alfred Schulman, and Mrs. Lela Haines Keeling of Bryan, and Peggy Campbell and John Leonard Sandstedt of College Station. These were among the best 847 students out of a total of 5,477 enrolled in the College of Arts and Sciences, according to the announcement made by Dean H. T. Parlin.

**JOE UTAY OF DALLAS, MEMBER** of the A. & M. Board of Directors, was on the campus Tuesday afternoon, visiting friends.

## Time Again Arrives To Select All-Round Summer Sports Stars

Well, folks, the time is nearly here again when another set of campus all-round sport stars are to be chosen—so think it over, inquire a bit, start talking, jot it down, and then let us know who you think should be the 'guy', and who you think the 'gal' should be. This semester offers a much greater opportunity to pick these certain ones, with the increased interest in the sports field. The tennis tournament, the possibility of a swimming meet, the second Summer Pasture Prom, the Twilight Softball League, and the many other "what have you's" around this institution offer all of you many ways and means to make the two to be named stand out.

Last session the two chosen were "Chick" Denny of Shreveport, Louisiana, and Josephine Perkins, Rice student from Houston. Make note that they should be chosen not according to how great a star they are, but as to how many games they try to play and to the manner and the attitude in which they play. The many sports considered can be seen below—so how 'bout it, who do you think they should be?

### ALL-ROUND SPORT STARS

I recommend that \_\_\_\_\_ be named as the boy and \_\_\_\_\_ be named as the girl for the second-session All-Sports Stars. The sports seen being played by each are as follows:

**COOPER UNION'S LIBRARY** last year circulated 230,819 books, only four per cent of which were fiction.

**MARTIN SCHILLING, MIDLAND** College student, has traveled 12,000 miles "by thumb" in 15 states during the last three years.

**UNIVERSITY OF NEW HAMPSHIRE** rifle team have won 23 matches in 24 starts.

**WAITERS AND BUS-BOYS** IN Temple University's grill and cafeteria celebrate once a year by holding a Gravy Ball.

## Net Tourney Will Begin Here Monday

Final Plans Will Be Made at Meeting In "Y" This Evening

With a good number of tennis players ready and eager to get started, the deadline for entries to the 1939 Summer Tennis Tournament has been extended until tonight at 7.

The tournament will get under way Monday evening, and should wind up during the latter part of next week, or early that Sunday morning.

There are three divisions: men's, women's, and mixed; and there will be a singles and doubles event for both the men's and women's divisions, and a doubles event in the mixed division. Medals will be awarded the winners of each event.

The best matches are expected to be found in the men's singles and doubles, with some of the entries probably to include Jimmy Giles, Bob Nisbet, Joe Germany, David Yarbrough, and Henry Beville.

All events will be played on the cement tennis courts between the football field and the project houses. The preliminary rounds will be played in the evenings.

The final plans before the tournament opens will be completed at a meeting in the lobby of the Y. M. C. A., at 6 o'clock this evening. Entries must be made in person or by direct representative, and fees must be in before the first matches Monday evening. The fees are small and will be used to cover the cost of the medals to be awarded to first-place winners in each division.

Entries can be made at room 54 Milner Hall before 6 o'clock, or at the meeting at the "Y" between 6 and 7 p. m. The entrants will elect their own manager. Anyone interested is eligible to join.
