Army cadets are changing rooms without authority of the Commandant's Office. This is resulting in a serious condition in so far as room records are concerned. This practice will cease at once. Hereafter, and upperclassman found in a room not properly assigned to him will be subject to serious disciplinary action.

2. Every effort is being made to place upperclassmen where they wish to stay but the orderly accomplishment of this being slowed down because of unauthorized moving about.

Geo. F. Moore, Colonel, U. S. Army, Commandant.

Due to the limited amount of water that the college is able to pump, the residents of College Park, Oakwood and the campus are asked to please refrain from using the water for watering lawns temporarily.—B. D. Marburger, Supt. B. & C. U.

September 28, 1939

CIRCULAR  
1. Parking lots will be provided on the campus for students who operate cars under the provisions laid down in College Regulations.

2. The lot between the Petroleum Engineering Building and the Petroleum Engineering field is designated as the permanent parking place for cars registered by students living in the old dormitories and as a temporary parking place for cars registered by students living in the new dormitories. These cars will not be operated on the campus except as already prescribed in College Regulations. Access to this area will be by the Sulphur Springs Road and the Campus Road leading north from the lot.

3. A permanent parking lot for cars registered by students living in the new dormitories is being established in the vicinity of the Band rotatory and regulations for its use will be announced as soon as it is available.

Geo. F. Moore, Colonel, U. S. Army, Commandant.

CIRCULAR  
1. Cadets are hereby reminded that the uniform for home athletic contests is No. 2 with hats. Also that the uniform for picture shows and other assemblies on the Campus is the same except that the hat is No. 2. All radios will be turned off at 11:00.

Geo. F. Moore, Colonel, U. S. Army, Commandant.

While we are not certain that the student ground school and flight training courses will be offered this year, there is still a definite probability.

To determine the interest that students may have in this program should it be offered, we have prepared the application form to be used as a measure of this interest. After Monday, October 2, blanks may be obtained at the office of any Department Head in the School of Engineering, the Y. M. C. A., Col. Ashburn's office, or my office. The training will be limited to the Sophomore, Junior, and Senior classes. After carefully noting the information, if any eligible student desires to be considered for the training, he should fill out the form and send it to my office.

—Dean of Engineering

I will greatly appreciate those students desiring to talk with me concerning student labor to call at my office between the hours of 1 and 5.

Ormond R. Simpson, Chairman Student Labor Committee

NOTICE ALL SENIORS:  
All who have camp pictures and desire to have them in the 1939-40 Longhorn are urged to turn them in to Doug Miller in Room 217, Dorm 12, as soon as possible. Pictures that are not used will be returned. Those that are used will be returned next spring.

J. A. Orr of College Park has announced his candidacy for the position of city alderman of College Station. The election will be held Oct. 2 to fill the vacancy caused by the resignation of W. E. Long.

**Organizations**  
The student branch of the American Society of Agricultural Engineers will meet Monday, Oct. 2 at 7:30 in the Agricultural Engineering lecture room. All agricultural engineering students are urged to be present.

The first meeting of the Agronomy Society will be held at 7:30 Tuesday night, Oct. 3, in the lecture room of the Chemistry Building.

The moving pictures taken by Mr. Williams while on the Cotton Tour will be shown at this time. The Agronomy Society extends a cordial welcome to all students interested in any field of agronomic work.

The Petroleum Engineering Club will have its first meeting of the 1939-40 session, Monday night of October 2.

The principal speaker of the evening will be Chester Naramore, Executive Secretary of the Petroleum Division of the American Institute of Mining and Metallurgical Engineers.

Mr. Naramore, whose subject will be "Oil in the Soviet Union," has had wide experience as an engineer, executive, and oil operator in the United States, as well as the world at large.

**GRADUATE STUDENTS**  
Let's come out and form an active graduate club next Monday night at seven o'clock. Officers will be elected and temporary plans made for the coming year. The meeting will be held in the lecture room on the second floor of Science Hall. An active organization made up of the majority of the graduate students should be influential in trying to accomplish some of the things we need to improve the Graduate School.

**DEBATE CLUB**  
The A. & M. Debate Club will hold its first meeting of the year Tuesday at 7:30

in room 320 Academic Building. All students, including freshmen, who are interested in debate are invited to attend.—R. M. Weaver

**REVIVAL MEETING**  
First Baptist Church, College  
The annual revival meeting at the College Baptist Church will begin Sunday morning, Rev. L. B. Reavis of Temple will do the preaching and Walter Johnson will direct the music. The church Auditorium has been enlarged during the week in order to take care of the crowds. More than 600 attended the services last Sunday. One hundred and forty joined the church, eleven students joining on a profession of faith at the morning service. You are cordially invited to attend these services.

Services for Sunday will include an anthem at the morning service and a student quartet at the evening hour.

The morning service will be over in time for you to get to your formations for lunch.

**COLLEGE AVE. BAPTIST CHURCH OF BRYAN**  
R. C. White, Pastor.  
9:45 a. m. Sunday School.  
11:00 a. m. Morning Worship.  
6:20 p. m. Baptist Training Union.  
7:30 p. m. Evening Service.  
Free bus for students leaves old "Y" Project House area, an adstreet intersection near 9th streets 9 and 10 and from 9:20 respectively each Sunday morning, and 6:10, 6:15, and 6:20 respectively Sunday evening.

The A. & M. Amateur Radio Club Station, W6AQY, now holds regular schedules with station W6AAN on the campus of T. S. C. W. and with W6OW at Ft. Sam Houston for the purpose of handling messages to and from T. S. C. W. and major cities of the world. A message box will probably be put in the Academic Building for the purpose of receiving messages which should be as brief as convenient.

There will be a meeting of the Hill Club in the lounge of the old mess hall at 7:15 Sunday, October 1. All Jewish boys are requested to come.

**DAMES CLUB**  
The Texas A. & M. Dames Club will hold its first meeting Wednesday, October 4, at 8:00 in the Y. M. C. A. parlor. This club is for all students' wives. It was founded three years ago and was called the Student Wives Club, but last year it joined the national organization of Dames. There are chapters of this organization at all the leading colleges and universities in the United States. There are about 100 active members at A. & M. and it is hoped that the number will be increased this year.

All wives of students are cordially invited to attend the meetings. There are no dues, and the purpose of the club is to promote a spirit of friendliness, to provide social intercourse and to stimulate general culture among its members.

All future meetings will be held at the "Y," the first and third Wednesday of every month.

The Sociology Club will meet Tuesday October 2, 1939 in room 293 of the Agricultural Building. All old members please be present. All students majoring in Sociology or taking courses in Sociology are invited to be present.

—Joe H. Clepp, Vice-Pres.

**Lost and Found**  
Reward offered for return of pearl-handled pocket knife borrowed Wednesday 27 in Ecom. 203 at 10:00. Return to Battalion office.

LOST: One student coupon book No. 1856 in Adm. Bldg., on day of old student.

### SENIOR CLASS—

(Continued from Page 1)  
those who are "non-reg". Regulation uniform must be worn to athletic contests also. The regulation uniform must also be worn to dances by underclassmen athletes, whose school spirit in observing the regulations and customs of the college was given a word of praise.

3. Seniors may go "non-reg" off the campus and in Bryan after retreat, if they prefer, but the regulation uniform goes for underclassmen at all times, including the wearing of the campaign hat to Bryan.

The question of senior seats at the football games was temporarily settled by decided to try out at the Centenary game a horizontal section at the back, instead of the customary vertical section on the 50-yard line. After the first game, however, amendments may be made if necessary.

A prolonged discussion took place on the question of who might wear senior boots, and several motions were entertained but were tabled, upon the adoption of a motion made by Max McCullar that, in summary, the senior class follow the "Blue Book" of rules and regulations.

### FOUR BOYS KILLED—

(Continued from Page 1)  
They were carried by ambulance to a hospital at Memphis where Orr died and where Thomas and Leveritt are receiving medical aid. The rest died at the scene of the accident.

This is said to be the most tragic accident ever to happen to midshipmen while returning to school in the entire school's history.

Students' registration. Please return to Dorm. 9, room 407, for reward.

WANTED: One tenor saxophonist and a drummer with dance band experience. Call Bryan 476 after 6.

lations of the college to the letter, because of difficulties, complexities, and inconsistencies that might arise from the other motions. The Blue Book provides that all classified seniors may wear senior boots.

Walter "Sully" Sullivan then announced that the sales of A. & M. Town Hall tickets this year has more than doubled the sale of Entertainment Series tickets thru registration time. Sullivan expressed a firm belief that the program would be a success, because any time that an expenditure of more than \$4,000 was made to secure a program of such outstanding merit, the Aggie student body surely would support it. He urged, however, that all organization commanders push the sale of tickets, because there is a limit of only 1,600 student tickets available.

Following this business, election of senior class officers took place. It was decided that the election should be by standing vote.

The men nominated for president were Joe Doran, Tommy Richards, Bill Guy, Max McCullar and Buddy Bornefeld.

Tommy Richards, Bill Guy, John Huebel, Buddy Bornefeld, Joe "Jo-Jo" White, F. A. (Bodie) Pierce, and Bob Shiels were nominated for vice-president, the latter two withdrawing.

Joe Doran, Webb Downer, Roy Martin, Bob Shiels, Bornefeld, John L. Dodson, and Huebel were named for secretary-treasurer.

Nominees for the post of historian were Guy Garrett, Huebel, and Dodson.

Those elected were McCullar for president, Guy for vice-president, Bornefeld for secretary-treasurer, and Dodson for historian, after run-off elections in each case.

The last item of business was the announcement that one member of each battalion is to be selected, by next Monday night, to represent the student body and his bat-

alions on the Student Welfare Committee.

The consensus of opinion was that all the men selected for nomination were highly capable.

### ROY DICKERSON

(Continued from page 1)

Mr. Dickerson's work with the DeMolay began in 1923 when he became Director of Activities of the Grand Council of the Order of DeMolay in Kansas City. He held this position until 1938.

As an author Mr. Dickerson has written several books on the preparation of youth for marriage, the most prominent of which is "So Youth May Know." He has con-

tributed many articles to various magazines.

Joseph Dolinski, fire chief of New Haven, was fined for parking his car too near a fire hydrant.

# A COMBINATION

of the best — for the best

For those who want the best in cigarette pleasure

You'll find in Chesterfield's RIGHT COMBINATION of the world's best home-grown and aromatic Turkish tobaccos a more refreshing mildness, better taste and a more pleasing aroma than you'll find anywhere else.

It's a combination entirely different from any other cigarette... a good reason why smokers every day are getting more pleasure from Chesterfields. You'll like them.
