

"Is your son a finished musician?"
"Not yet, but the neighbors are making threats."

A smart man is one who hasn't let a woman pin anything on him since he was a baby.

"And," said the prof to the class as he finished his lecture, "if the parachute doesn't open, that is known as jumping to a conclusion."

A man walked into a police station with a photograph in his hand. "My wife has disappeared," he said to the officer in charge. "This is her photo. I want her found at once."
The officer looked at the photograph and then looked at him.

"Why?" he asked.

"How much are your peaches?"
"Penny each, lady."
"I'll take one, please."
"Givin' a party?"

Another fellow who lives off the fat of the land is the girdle manufacturer.

Pa: Well, son, how are your grades?
Fish: They're under water.
Pa: What do you mean, under water?
Fish: Below "C" level.

It's better to remain silent and be thought a fool than to speak and remove all doubt.

Pa: I think I'll go downstairs and drop a hint for Mary's young man to go home.
Ma: Now, Elmer, remember the way we used to court.
Pa: Gosh! I hadn't thought about that. Where's my shotgun?

"Young man," said the preacher, "Every time I hear you swear, a cold chill runs down my back."
"Gosh, it's a good thing you weren't at our house the other day when paw caught his nose in the clothes-wringer. You'd have frozen to death!"

OCTOBER, 1939

He: How do people tell you twins apart?
She: Oh, my sister has a mole on her thigh.

Says the cow to the horse, "Some of these days farmers won't need any more horses; but I sure would like to see 'em get milk from a tractor!"

A young man, who had not seen his girl friend for several days, chanced to meet her unexpectedly and was surprised at her appearance. He blurted, "My gosh, Bertha, have you been in an accident—why that awful patch over your eye?"

"You brute!" she snapped, "that's my new hat."

Kissing your sweetheart is like eating soup with a fork. It takes a long, long time to get enough.

He: How many men have you ever kissed?
She: Oh, you know how I hate statistics!

The Bankhead highway has signs all along warning the petters.

What do they say?
"Beware of soft shoulders."

And then again the woman screamed, and every stag-hound bayed. Why? Because the motley fool so wise an answer made.

When a man does wrong the women shun him.
When a woman does wrong all the men want her phone number.

"Where are you going with that apple?"
"To see the doctor's wife."

WRONG WOMEN

Tavern Proprietor: "Say, what are you two birds sitting here crying about?"
First Inebriate (on crying jag): "Waw-w-w-w, we're sick and tired of women who always ask for money when we want a little lovin'."
Proprietor: "Well, why don't you leave those kind of women alone and pay more attention to your wives?"
Inebriate: "It's our wives we're talkin' about!"
