

June and Jane are twins, and very fond of bees. They are always together and always slightly stewed. Because of this indulgence they are frequently called the brood twins.

These jokes are so funny that we could have a nudist in stitches.

"Have much fun at the party last night?"
"No, I've got too much will power."

Girls who wear slips seldom make them.

Tight dresses may show bad taste, but they often show good form.

There is nothing smoother than silk unless it's the girl that wears it.

The Hollywood gal has to decide whether she wants a career or just one husband.

First steno: My boss is as busy as a bee.
Second steno: Yeah, I noticed he had a little honey on his lap today.

Corps Trip

Sing a song of six bucks
(a pocketful of rye)
Four and twenty headaches
(and maybe an eye)

She: "Darling now that we're engaged, will you love me when I'm old?"

He: "Why wait that long. Let's love now."

John, dear, I wouldn't let anyone else kiss me like that. My name isn't John, lady.

If a fellow tries to kiss a woman and gets away with it he's a man; if he tries and doesn't get away with it he's a brute; if he doesn't try and would get away with it if he tried he's a coward; but if he doesn't try and wouldn't have gotten away with it if he had tried, he's wise.
