An enemy, I know to all
Is wicked, wicked alcohol
The Good Book, tho', commanded me
To learn to love my enemy.

Sally: "I like your new boy friend: He seems so easy going."

Betty: "Yes but he's not so easy stopping."

He: "Just one more kiss and I'll be off."
She: "If that's all you want, you must be."

They call her "Musy Lena" 'cause she's the fascist girl in town.

Misquoted

A patient in an insane asylum was trying to convince an attendant that he was Hitler.

"Who told you that you were Hitler?"

"God did," replied the inmate.

"I did not," came a voice from the next bunk.

Bryan

He: "I suppose you think I'm a perfect idiot?"

She: "Oh, no. No one is quite perfect."

Every woman has a streak of sanity in her somewhere.

Father: Yes my boy, I'm a self-made man.

Son: Gee pop, that's what I like about you. You always take the blame for everything!

He: Isn't this a stupid party?

She: Yes.

She: Why not let me take you home?

She: Sorry, I live here.

OLE TO VICKI

Here I sit in class all day,
And all too often I hear you say,
"Let's go bowling." But for you I'd make straight "A".
But my cogitation goes astray,
And then just as my efforts are bearing fruit,
Oh hell; I see my Vicki in a bathing suit.
And so it goes from day to day.
I see you at home and again at play
Woman, you don't know what you do to me,
If I'm not careful, my sweet, with you in my every dream,
My position is cinched as a regular on the Dean's team.

THE BATTALION
