They are singing the blues up at the Frog haunts this week and rightly so. In the past three games they have gained more yardage than their opponents, and only seven points have kept them from winning all three contests.

Here is where the blues come in. The Aggies will be in Fort Worth Saturday to outgain them and lick them before their entire student body as well as before Amon Carter, himself. It has been many a long year since the Cadets registered a win in Cowtown, but there has always got to be a beginning, and there is no year like the present.

It has not been this column's policy to attempt to pick winners this year, but then it can't do worse than some of the high-priced pickers. "Rock" Audish says I am a jinx so I will just pick the opposite way.

Here they ARE:
T. C. U. 13; A. & M. 7.
Baylor 15; Nebraska 10.
Sam Houston 20; Rice 6.
Marquette 14; S. M. U. 6.
Arkansas 13; Texas 12.
This is the way they look to a guy who is a jinx.

T.C.U. Star

Earle Clark, senior left half, is the lad Coach Dutch Meyer depends upon when his Horned Frogs need to go places. Clark is the leading ground gainer (6.25 yards per try last year), the leading pass catcher (27 out of 43 for 476 yards and six touchdowns in '38), and the best blocker in the Frog backfield. Coach Meyer says he is the best all-around player on the T.C.U. club. Earle won letters in both his sophomore and junior years.

And now back to the trip to Frisco. Many letters have been received from people who rode the same train with the players and from hotel managers and traveling passenger agents for the railroads. They all have much praise for the way the Aggie players acted on the trip. They conducted themselves as any mother would want her boy to.

They are boys who give the school a good name over the country as well as many of the cadets.

The first college gymnasium in the U. S. was erected in 1860 at Amherst College.

Fort Worth Club Plans Rally On Eve T.C.U. Game

Ft. Worth A. & M. men and visitors to that city for the Aggie-T. C. U. game will hold a pre-game rally the night before the game at the Texas Hotel. The party is being arranged by the Ft. Worth Club and a hearty welcome is extended all visitors to be present.

Feature of the program will be motion pictures of the Santa Clara game played in San Francisco and possibly pictures of the Villanova game played at Tyler last Saturday. Homer Norton and others of his coaching staff will also be present. The Ft. Worth Club is making plans for an attendance of 200 or more men.

The party will be in the nature of a smoker and will start at 7:30 p. m. After a short business meeting of the Ft. Worth Club the evening will be turned over to the football rally, pictures and short speeches. Officers of the Fort Worth Club are: N. H. "Paul" Riviere, '26, President; J. M. "Red" Reynolds, '22, Ardmore Healy, '23, and Roy T. Falkenberg, '27, Vice Presidents; John B. Kiber, '27, Secretary.

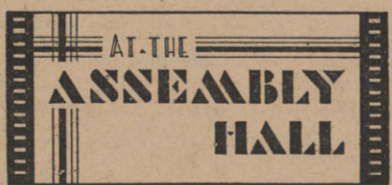

Boxing Club To Meet Texas University Club

A. & M.'s boxing club met and organized Tuesday night and began making arrangements of a boxing meet with Texas University to be fought at a later date.

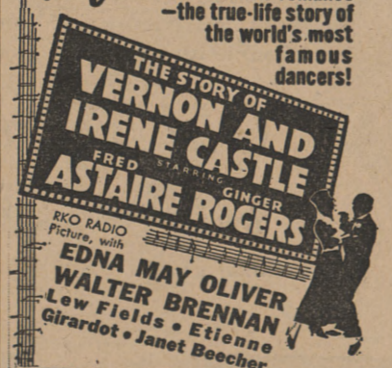

The team feels that this year they are going to have a better than middling club. They plan to start training immediately.

A call for all boys interested in boxing has been issued, and the best available talent is needed for the meet with the Steers and the other matches which are planned for the year.

Boxing instruction is available for all boys who are interested in the sport.

MARCH OF TIME

INTRAMURALS

With Hub Johnson

Class A

In Class A intramurals this week both 1 Hq. Field Artillery and A Battery Field Artillery issued their warning that they were out for a repetition of last year's results. Both teams scored high wins in basketball matches.

W. M. Rutherford marked up eight points for a field with Jimmie Giles and Bill Mitchell each registering four points to down the C Chemical Warfare crew 20 to 9.

E. J. Heron led the headquarters battery to a 29 to 2 victory over 3rd Combat Train Field Artillery with E. D. Duvall marking up the lone tally for the train.

In tennis matches this week, F Infantry forfeited to E Coast Artillery and 2nd Combat Train Field Artillery dropped a match to the Artillery Band.

In three games of football played, B Chemical Warfare with plenty of reserves played, turned under A Engineers 13 to 0. The chem team used 16 men in the game. E Engineers held A Signal Corps to no gains to register penetrations and came out on top of an 18 to 0 score with two penetrations of 20 yards and two for 40. 3 Hq. Field Artillery dropped a 6 to 0 game to B Engineers.

Leading scorers other than those already mentioned are C. Holley, G Coast Artillery, marking up 8 points as his battery passed over D Cavalry in an 18 to 6 basketball game. B. C. Richardson setting the pace in the 8 to 3 game between D Coast and A Cavalry with five points, and Wallace Reagan registering eight as D Field Artillery held D Engineers 18 to 4 with the engineers scoring only in the first half.

No games have been scheduled for Friday due to the corps trip.

Class B

The 'fish' from L Infantry came charging on the floor last Tuesday evening and walked off a half hour later with the heavy side of a 63 to 1 score. The losers, C Coast Artillery. Jack Andrews saved his team from a wash-out by marking up their lone point. In the infantry, 'Fish Harry' seems to be known as some basketball player after scoring 32 of the 63 points.

In the only other basketball game played Bennet led H Infantry to a 14 to 5 win over the Artillery Band.

In touch football, B Coast freshmen issued their warning for others to bear down as the date for their match neared. The coast fish scored four touchdowns and accounted for one extra point as they defeated C Chemical Warfare Service.

H Coast scored a 6 to 0 win over D. Engineers, E Infantry forced a safety on B. Signal Corps and won 8 to 0, and B Cavalry surpassed 1st Hq. Field Artillery with one 40 yard penetration.

AT A MEETING TUESDAY night the Wichita Falls Club decided to hold its annual Christmas and home-coming dance, which will be open to the public, at the Wichita Club December 21 with the Aggeland Orchestra playing. All boys from Wichita Falls and the surrounding territory are urged to attend the next regular meeting so that they will be able to receive further information.

According to Henry Naylor, president of the club, a barbecue is planned to be held in the next few months.

James Thomason Is Quarterback For Aggie Squad

By Jimmie Cokinos

James Thomason, who hails from Brownwood, is one of the best blockers on the Aggie grid squad. Playing his second year for the Aggies, Thomason is not only filling the blocking assignments but has been shifted over to do the quarterback's job of calling plays. He made his debut as a quarterback in the Santa Clara game when he replaced "Cotton" Price who was on the injured list. Norton was so pleased with Thomason's performance that he let "Tommy" do the signal calling in the Villanova game last Saturday. He is doing a heads up job in his new role and will probably be the starting quarterback when A. & M. tackles the T.C.U. Frogs this Saturday.

Thomason received the "Bert Pfaff Trophy" last year, which is given to the best blocker on the team. He is also a strong contender for the same honors this year as he loves to "mow 'em down" and receives a great pleasure in this body bruising capacity.

Not only is Thomason noted for his blocking ability but he is equally good on defensive work as he is one of the best line backers in the conference. He is a fairly good runner and last year had an average of five yards whenever he carried the ball. He lost only five yards all season. His punting was good as he had an average of 40 yards per try in this department.

Thomason stands 5 foot 11 inches with a heft of 200 pounds. He was on the track team last spring and in the chore of putting the shot won his second letter, when he annexed the southwest conference championship in this field event.

Coming to A. & M. from the Brownwood high school where he made the all-district team in his junior and senior years he went out for freshman sports and won numerals in football and track. In high school he received letters in football for three years, two in track and one in basketball. He was captain of his football and track teams in his senior year.

Whenever the fleet Aggie backs start on their long jaunts watch for James Thomason as he is in there clearing the way in order that the ball carriers may be shaken loose for their gains.

Horned Toad-Aggie Fray Big Attraction

By "Jeep"

The main attraction in the Southwest Saturday will be the fray between the Texas Aggies and the T. C. U. Horned Toads in Fort Worth. Other minor attractions will be Texas and Arkansas, Rice and Sam Houston, and S. M. U. and Marquette. Baylor bites off a big chunk by taking on Nebraska.

Statistically the Aggies are favored to win. They have amassed 49 first downs and held the opposition to 16, they have a net gain of 583 yards from scrimmage while their opponents were collecting 205, they have netted 360 yards on passes to 105 for the opposition. The Aggies have made over three times as much ground as their opponents.

The new Aggie record is that they have passed 78 times and completed 39 of them for a percentage of .500, the best in cadet history.

T. C. U. has made 46 first downs while their opponents were making 30, they have gleaned 314 yards rushing to 372 for the opposition, they have made 588 yards on passing and held their opponents to 148. They have completed 15 out of 34 passes.

A. & M. is in as good physical shape as they have been in for some time. T. C. U. is also in excellent shape except for their passer Jack Odle who is out for the season with a broken thumb on his pitching hand.

Rice has the only breather on its schedule this week when they take on Sam Houston. It will give

the Owls a chance to ease up before they meet Fordham. The Owls should win in a walk.

Texas and Arkansas have a great battle in store. Last year Arkansas scored 40 points against the "Cousins" of the conference and this year the Steers will be out for revenge. Texas will no doubt take the Porkers with Crain and Davis doing the scoring.

S.M.U. gets a little ease-up in the Marquette game, but if they ease too much it will be "lights out" for the Mustangs.

Baylor, riding high on her record, will have a tough customer in Nebraska. Baylor has the surprise team of the conference and they may have enough surprise to take the Huskers. It will be a close fight all the way with either team having a chance until the last play.
