Cadets Favored To Take Game Today

Aggies To Review At 10:30

Parade Features New Streamlined Formation of Army

At 10:30 this morning the A. & M. Cadet Corps will move out from the Texas and Pacific Railway Station on its biennial corps trip parade through the downtown section of Fort Worth.

The parade will follow Main Street to 5th, turn left on 5th to Houston Street, and right on Houston to Weatherford. The various regiments will be dismissed upon their arrival between the intersections of Commerce and Pecan on Weatherford.

A. & M.'s 217 piece band will be divided into two sections, the Infantry band and the Artillery band. The Infantry band will follow the Corps Commander and his staff to the reviewing stand at the head of the parade where they will counter-march until the Infantry, Field Artillery and Composite regiments have passed in review. Then the Infantry Band will resume the march and the Field Artillery Band will march into position and counter-march at the reviewing stand until the Cavalry, Engineer, and Coast Artillery regiments have passed in review.

The formation will be altogether different this year to those reviews made in previous years. The new streamlined formation, inaugurated recently into the United States Army, will be featured during the parade.

In the reviewing stand to be located at the intersection of 8th and Main streets will be Mayor Harrell of Fort Worth and members of the city council; Dr. T. O. Walton, president of A. & M.; President E. M. Waits of T. C. U.; President L. H. Hubbard of T. S. C. W.; Colonel George F. Moore, P. M. S. & T. and Commandant of Cadets at A. & M.; Amos Carter, publisher and capitalist of Fort Worth; Fort Worth City Manager Bothwell; C. P. Dodson, president of the A. & M. Ex-Student Association; W. L. Pier, president of the Fort Worth Chamber of Commerce; N. H. Reveire, president of the Fort Worth A. & M. Club; Mrs. W. W. Sullivan, president of the Fort Worth A. & M. Mothers Club; and W. K. Stripling, former student of A. & M.

FREE FEED FOR AGGIES AT T. C. U. GYM DURING NOON

A feed with all the trimmings will be served A. & M. students in the T. C. U. basketball gymnasium today just following the parade through the downtown section of Fort Worth.

The gymnasium is located directly in back of the T. C. U. Administration Building on the T. C. U. Campus and only a short distance away from the T. C. U. Stadium.

The luncheon, to which every Aggie in Fort Worth is being invited, is sponsored by the Administration of T. C. U. and is primarily for the Aggies.

All members of the T. C. U. student body with cars are arranging to pick up students after dismissal of the parade and carry them to the university. Local A. & M. organizations will also furnish transportation as well as bus lines (fare 10 cents) and taxicabs may be secured for transportation. All rides will be gratis except those in busses and taxicabs.

Following Tyler Game

Clipper Smith, in center without hat, who is coach of the Villanova Wildcats, is shown above with Coach Homer Norton, right, of the Texas Aggies, just following the Tyler Rose Festival Game last Saturday when the Aggies handed the Pennsylvanians a 33 to 7 defeat, their first in two years. The Aggies are hoping Coach Norton will be wearing the same smile this afternoon following the Aggie-Frog tilt.

Aggie Juniors Hold Yell Practice At T. S. C. W. Before Junior Prom Friday

Last night the "Aggie War Hymn" rang out over the campus of T.S.C.W. when the advance guard from Aggieland arrived in Denton late in the afternoon.

A football yell practice, probably the first ever held in a woman's college, set off the initial spark of enthusiasm over this afternoon's game as over 300 junior Aggies became the guests of T.S.C.W.'s junior class for the evening.

A steak fry was held in Lowry Woods. Two giant bonfires were lighted, and cadets and coeds combined voices in yells and pep songs. Two boys' tag dances were given, one in the Gymnasium and the other in the T.S.C.W. College Club. Music was furnished by the orchestras of Floyd Graham and Sid Hamilton.

Plans for the annual entertainment of the A. & M. juniors took on a more informal note this year. Last year's dinner was replaced by the steak fry, and girls were permitted to wear socks and oxfords and sweaters and skirts to a dance for the first time in the history of the college.

(Continued on page 3)

All 3,500 Tickets Available For Aggies At School Are Sold

According to E. W. Hooker, ticket manager for athletic contests for A. & M., all of the 3,500 seats available at A. & M. and assigned to the Aggies on the south side of the T. C. U. stadium in Fort Worth, have been sold.

Students may obtain tickets for \$1.10 with coupon number 33 from the A. & M. Coupon Book at the gate of the stadium in Fort Worth, but these will be for the end zone only, he stated. The original section for A. & M. students runs the length of the field, beginning at the 20 yard line and extending to the goal.

Mr. Hooker also said that Aggie dates will not be admitted to the game on A. & M. student tickets, but it is probable that they will be allowed to sit in the A. & M. section if they so desire.

Over 2000 TSCWites Are Here

Edna Clarke, Aggie Day Sweetheart, Leads TSCW Girls

Two thousand girls from Texas State College for Women arrived in Fort Worth this morning in cars, special trains and busses for the A. & M. - T. C. U. football game this afternoon in the Horned Frog Stadium.

Led by Edna Clarke, sophomore from Coleman and Aggie Day Sweetheart, the girls are on their fourth annual football trip, traditionally set to coincide with Texas A. & M.'s upstate football game and corps trip each fall.

This is the second time that the girls have taken their holiday trip to Fort Worth. The other two years they went to Dallas for the A. & M. - S. M. U. game.

Special Fort Worth busses met them on their arrival at the train and bus stations and took them to the Fair Store, where a reception and Style Show were staged in their honor, and a date bureau is operating in charge of Nelle Bone Carter, T.S.C.W. student president in 1936.

Between halves at the football game this afternoon Miss Clarke will be escorted on the football field by T. A. Balmer, cadet major of the A. & M. Band, while the band forms the letters "TSCW" and plays the "Alma Mater" of the girls college.

Following the football game there will be several student dances in Fort Worth, and the special MKT train will go back to Denton at 1 a. b. Sunday.

A Total Of 6,065 Enrolled In A. & M. During First Term

The total enrollment for A. & M. during the 1939-40 session is 6,065, according to figures released by the Registrar's office. This is the largest enrollment ever to have been reached here.

Of this number 1,006 are seniors and five-year students, 1,124 juniors, 1,623 Sophomores, 2,103 freshmen and 8 special students.

Approximately 4,600 students are living in the dormitories. This is the largest number of students that have ever lived in the halls at A. & M. Of the remainder, over 700 are living in project houses on the campus, 200 in project houses off the campus and 240 in private homes off the campus. There are 170 graduate students, and 128 married students living off the campus.

Two Aggie Dances Being Held Tonight

Two official Aggie dances are being given in Fort Worth tonight, both honoring T. C. U., T. S. C. W., and A. & M. students.

A regular school dance is being held at Field Drom. at T. C. U. with Jimmy Petty's orchestra, a well-known Fort Worth band, playing. The tariff will be 65 cents.

Tommy Littlejohn and his Aggieland orchestra will play for the Aggie dance to be held at the Texas State Hotel. The tariff for the dance could not be secured, but it is expected to be around \$1.00.

The time the dances will begin was not available but it is expected to be around 10 p. m.

Aggie Sweetheart

Edna Clarke, T. S. C. W. sophomore from Coleman, above, was chosen by popular vote of the T. S. C. W. student body as Aggie Day Sweetheart during the A. & M.-T.S.C.W. corps trip to Fort Worth today. Miss Clarke was one of eight candidates whose names were submitted by petition. She will be featured during the between halves program of the A. & M. band.

Aggies Defeat Frogs Once In Five Years

T.C.U. Has Been Defeated By Temple U.C.L.A., Arkansas, By Few Points

By E. C. "Jeep" Oates
Battalion Sports Editors

For four straight weeks the Aggies have been having a change in meals and they are out to see that today will be no exception. They started off with the Cowboys and then changed to Gentlemen and from there to Broncos and then among the roses they took wildcats. Today they are hungry for Horned Toads, meat that they have only been able to eat once since back in the days of around '34. Today they meet the T. C. U. Frogs in Frog town and will endeavor to win for the first time in the present stadium.

The Cadets are the favorites to cop the battle, but then they have been favored many times only to see a jinx turn them back.

The Frogs do not have the team this year that they have boasted in the past. Gone are their Sammy Baughs, their O'Briens, their Aldrichs, their Halls, their Meyers and many others. Their Odle is out with a broken thumb. The Aggies do not have their same team either—they have a much better one, one without a star, but one with stars from end to end and from quarter to fullback.

Until the turn of the past quarter-century the Cadets took this game as a warmup, but after that they have only been able to triumph once and that was at College Station on Kyle Field in 1936. There have been several ties, one in 1937 which coupled with one with Rice the same year kept them from winning the championship. That was the year when Rats Watson tied the Cadets for Rice and then when Rice won the championship, Ernie Lain pitched the Owls to a victory in the Cotton Bowl.

Today the Frogs will have Cowart pitching passes for them and if some of them connect with Clark, Horner or some of the other lads it is liable to be too bad.

As for the line ramming, well the Frogs may have an All-Conference fullback, but the Cadets have Jarrin' John Kimbrough, the best fullback in the conference for two years now.

Here is the way it will stack up today. At ends the Frogs have a little the edge, at tackles the Cadets have the best two in the conference, at guards the Aggies also get the nod with Robnett and Henke being much the better brace, at center the teams are almost equal with any edge at all going to the Frogs, at fullback we have to take Kimbrough over Sparks by a long way, at the blocking back we have to take Thomason, and at the halves the two teams are about on par. A. & M.'s passing should be equal to that of T. C. U. and the punting fully as good. Reserve strength favors the Cadets. The will to win is a toss-up, but we do know the Cadets want to win that ball game.

Both teams will shoot the works to win for they have everything to win and nothing to lose.

T. C. U. has been defeated by U. C. L. A., Arkansas and Temple, but only seven points have kept them from winning all three. They have outgained their opponents in every game except in points. They have pounded goal line after goal line, but they have needed that extra power that graduation took away from them last spring.

The Aggies are still on the bound and the Frogs are on the rebound. The Cadets are happy and frisky while the Frogs are sore and sullen. When those two forces oppose each other it is hard to tell what will happen.

Either coach would be willing to sell out for a one point win without having to play the game.

A. & M. will be sorely missing the ace passer, Marion Pugh, a Fort Worth boy, as will the Frogs with Jack Odle out.

These two teams have 32 games together behind them, 17 victories going to the Aggies and 11 to the Frogs, four games having ended in ties.

Corps Trip Schedule

The following is a schedule of events, in chronological order, for the Aggie Fort Worth Corps Trip.

Special trains leave Missouri Pacific Station this morning at 4:10, 4:25, 4:40 and will arrive in Fort Worth at 9:35, 9:50, and 10:05 respectively.

Those students who have arrived early will assemble on the Texas & Pacific Reservation at 9:15 a. m. and assembly will be completed as the special trains arrive.

Order of March:
Corps Commander
Infantry Band
Field Artillery Regiment
Composite Regiment
Field Artillery Band
Cavalry Regiment
Engineer Regiment
Coast Artillery Regiment
Barbecue at T. C. U. Gymnasium on the T. C. U. Campus just following the review.

Transportation: Many cars belonging to Fort Worth people will be in the downtown section to pick up Aggies to transport them to the T. C. U. campus. Busses and taxi-cabs will also be available.

A. & M.-T. C. U. football game at 2:30 p. m., T. C. U. Stadium.

Dances: Texas Hotel with the Aggieland Orchestra and Field Hall, beginning around 10:00 p. m.

Trains leaving Fort Worth for College Station at 9:00 p. m. and 11:15 p. m. Saturday night; and 10:00 a. m. Sunday morning and 11:15 p. m. Sunday night. Special train tickets will be good on all these trains.

AGGIES WILL MEET DATES AT THE FAIR TODAY

So it's a date you want! Well, Fair's have got 'em. Adding to their usual merchandise of hardware, cosmetics, furniture, etc., The Fair Department Store offers—for one day only—dates—for Aggies only.

It's simple . . . Applicants for dates with T.S.C.W. girls will meet their dates at the Fort Worth store immediately after this morning's parade. A special booth will be set up in the Sports Shop, and a public address system will bring to be around 10 p. m.

(Continued on page 3)

Radio Station WSM Will Feature Aggies On School Broadcast Next Friday Night

A radio program presenting material regarding A. & M.'s traditions and school spirit will be featured next Friday night at 9:30 p. m. over radio station WSM, Nashville, Tennessee.

The program will be entitled "The Twelfth Man" and will obtain its interest from A. & M.'s football history. It will emphasize such facts as the custom of A. & M.'s famous yelling section to stand continuously during a game and as the facility and precision with which the cadet corps, being of a military nature, can be handled when acting as a twelfth man. The program will dramatize the 1922 game between A. & M. and Centre College in which A. & M. was victorious by a score of 22-10. Ben B. Beesley, a player who helped both as an eleventh and a twelfth man, too, with the game, may be presented in person over station WSM.

The program was selected by WSM to be presented with stories regarding universities which were felt to have special interest in traditions as well as winning teams.

Station WSM operates with 50,000-watts on a frequency of 650 kilocycles.

THE ENTOMOLOGY CLUB had its bi-monthly meeting last Thursday night and plans were discussed for both the trip to the Valley during the month of January and the annual publication of the club. At the close of the business meeting Mr. Curtiss Hesse from the Museum gave a lecture on "Paleontology and Fossil Insects" and was ably assisted by Dr. F. E. Turner of the Geology Department. Specimens were exhibited.
