

By E. C. "JEEP" OATES  
Battalion Sports Editor

Either John Kimbrough, Aggie line plunger and one of the ace pass defensive halfbacks, or Fred Shook, star Frog center, is going to have a bad afternoon today.

Marion Pugh received a letter from Shook the other day and he said Kimbrough was way over rated. He said that he would stop Big John every time he carried the ball. Pugh and Shook use to play together in Fort Worth high school.

Shook may stop Kimbrough, but if he stops him more than four times and still remains in the game it will be the first time that anyone has accomplished the mission.

Before Shook gets a shot at stopping Kimbrough he is going to have to get by Pannell, Robnett and Boyd and that is a task that is going to be awful tough for Mr. Shook. When and if he does get by them he can attempt to stop the big Kimbrough, but have the stretcher ready because if he tackles a knee it is going to be "blow the siren Kathy, another poor fool crashed in where angels fear to tread."

This ball game today is no breeze for either side. The Frogs have lost three ball games, but they have out played their opponents in every game. The only place they have been behind in is the scoring of points. Today it may be the other way around.

The loss of Pugh is a big handicap to the Cadets. It leaves them without a proven passer who is in good physical shape. Price may be able to go for a while, but he can't play all that he will be needed.

# Horned Frogs Have Bested 1938 Record

## MOSER WILL BE WORTH SEEING DURING GAME

By Jimmie Cokinos  
The outcome of today's game will depend much upon the showing of Derace Moser, sophomore back from Stephenville, Texas.

Moser is rated by the conference sport-writers as the best triple-threat in this razzle-dazzle conference and will be watched closely in the game today.

"Mose" plays the tailback in the Aggie's backfield and is the one in which Coach Norton has placed the duties that Dick Todd carried for three years.

One writer said that the offensive potency of the Aggies revolves around Moser and we agree because Moser is tops when it comes to carrying the ball. If his mates give him fair blocking he can be counted on to do his share of making points for the Cadets. He is the leading ball carrier for the Aggies with an average of 5.19 yards on 31 carries. His passing is good and he can be called upon to toss the pigskin with the same accuracy that he carries it.

Moser is an all round athlete which was brought out in his high school record of earning sixteen letters. He received four each in football and track, three each in basketball and baseball, and two in tennis. He continued his sparkling play when he entered A. & M. by going out for freshman sports and winning numerals in football, basketball, and track. For his football play he was elected captain of the fish grid team.

Moser stands an even six foot and weighs 180 pounds. He is called "Mose" by his team-mates.

If the Cadets win today they can graduate happy. They will be able to say that during their time the Cadets beat the Frogs twice, lost once and tied once. That will be the best record that any class since 1924 has been able to boast.

### Aggie Dates—

(Continued from page 1)  
the respective couples together. As each Aggie arrives, he will be given his date's name and she will be paged by the speaker system. After the "ice is broken," the pair are on their own.

Fair's fashion co-ordinator, Miss Thelma Hendricks, has arranged for the date bureau and her assistants include three of T.C.U.'s popular coeds; Helen Connor, Ann Goodman, and Elizabeth Hager.

Around 2,000 of T.S.C.W.'s student body are making today's corps trip, but with almost twice that many Aggies in Fort Worth, not every cadet will be able to date a "sister."

This marks the second plan of this nature, last year's date bureau in Dallas being successful in every way.

### Junior Prom—

(Continued from page 1)  
Naomi Boutwell of Terrell, junior president, and other class leaders planned decorations to carry out the football spirit with maroon and white letters spelling out T.S.C.W. and AGGIES. Couples entered both dances under goal posts, and yard lines ruled off the ceilings, with large pictures of Aggies prominently featured on either side of the orchestra in both halls. Arrangements for the T.S.C.W. holiday trip were made by Dr. F. L. McDonald, director of journalism and publicity at the college and entertainment chairman, with the cooperation of A. & M. and T. C. U. officials and several Fort Worth organizations.

## INTRAMURALS With Hub Johnson

The day of days and many for the last time see the high honors awarded to the organization with the highest standing at the close of the season. Last year the Class A race ended in a two way tie between Battery A and 1 Hq. Field Artillery.

At the looks of things around the gym and in the pool, we're in for the big season as was predicted. The basketballs and punching bags are always in use and going through some rough treatment.

In Class A basketball matches the last few days B Signal Corps downed C Engineers 31 to 8 with O. W. Hamilton marking up ten points and J. L. Lucas registering eight of the Signal team while B Chemical Warfare eaked out an 8 to 7 win over F Field Artillery with Mike Arisco again leading the chem team.

### Swimming Meet Soon

The evening of November 4 and 5 have been set as the dates for the swimming meet. Now is the time to get in shape and not on the eve of the preliminaries. The events included in this meet will be as follows: 100 ft. free style, 100 ft. back stroke, 100 ft. breast stroke, 100 yd. free style, 400 ft. free style relay, fancy diving and 300 ft. medley. In the 300 ft. medley the first man will swim 100 ft. back stroke, the second 100 ft. breast stroke and the third 100 ft. free style.

Class A touch football games saw Raymond Loomis, hard playing end for the 1st Combat Train Field Artillery, lead his team over C Coast Artillery with three penetrations to the twenty yard line to the coast's one to the same marker.

D Infantry downed B Cavalry and A Cavalry turned under H Infantry on penetrations.

The Infantry Band nosed out the E Infantry nine with a score of 6 to 0. Up until the later part of the game the E boys led the

## Southwest Conference Football Statistics

The following Southwest Conference Football Statistics, through games of October 14, were compiled by H. B. McElroy of the Texas A. & M. Publicity Department, from official statistical summaries submitted by team representatives:

Player	School	Touchdowns	Conversions	Field Goals	Total Points
John Kimbrough	A. & M.	5	0	0	30
Crain	Texas	4	1	0	25
Adams	Arkansas	4	0	0	24
Witt	Baylor	3	0	0	18
Johnston	S.M.U.	3	0	0	18
Hickey	Arkansas	2	0	0	12
Conatser	A. & M.	2	0	0	12
Thomason	A. & M.	2	0	0	12
Moser	A. & M.	2	0	0	12
Lumms	Baylor	2	0	0	12
Moore	Rice	2	0	0	12
Mallouf	S. M. U.	2	0	0	12

Team	Won	Lost	Tied	Pct.	Pts.	Opp.
Texas A. & M.	4	0	0	1.000	86	10
Baylor	3	0	0	1.000	48	14
Texas	2	1	0	.667	41	12
S. M. U.	1	1	1	.500	42	27
Arkansas	2	2	0	.500	53	57
Rice	1	2	0	.333	25	29
T. C. U.	0	3	0	.000	26	33

Team	Won	Lost	Tied	Pct.	Pts.	Opp.
Baylor	1	0	0	1.000	19	7
Arkansas	1	1	0	.500	21	32
T. C. U.	0	1	0	.000	13	14

Player	School	Times Carried		Yards Gained	Yards Lost	Times No. Gain	Average Gain
		Carried	Yards				
Crain	Texas	28	317	20	0	10.61	36.1
Moser	A. & M.	31	166	4	4	5.19	16.4
Johnston	S. M. U.	35	177	13	0	4.69	13.4
Wilson	Baylor	37	163	2	7	4.35	11.7
Witt	Baylor	37	179	26	3	4.14	11.2

Mallouf	S. M. U.	33	137	20	0	3.55	10.4
Price	A. & M.	16	59	3	0	3.60	10.3

\*—T.C.U. and Rice both failed to report their games of last week and S.M.U. partially complete.

Player	School	Punts (Carried at least 8 times)		Yards	Average Yards
		Punts	Yards		
Erkin	Arkansas	26	1,090	41.9	
Mallouf	S. M. U.	8	289	36.1	
Crain	Texas	8	286	35.8	
Johnston	S. M. U.	11	393	35.7	
Conatser	A. & M.	15	529	35.3	

\*—T.C.U. and Rice both failed to report their games of last week and S.M.U. was partially complete.

field with two penetrations to the 20 yard line, to one for the band.

In the only tennis match recorded lately C Field Artillery circled the Machine Gun Troop Cavalry in all three sets. Members of the tennis team that promises to be near the top at the close are Bill Clarkson, H. E. Ezell, C. A. Lilly, C. W. Whall, John Link, Bill Ayres, D. W. McElwraith, E. E. Schott and Ed Elmore.

Firing for record started Thursday evening and many good scores

have been reported. Noticed in firing practice rounds were V. H. Caraway and W. K. Shelton, room mates and high point men for the 2nd Combat Train Field Artillery. Shelton pleaded with Caraway to fire only to find that he topped him two points with a score of 96.

## T.C.U. Statistics Show Present Team Superior

FORT WORTH, Oct. 21.—The T. C. U. Horned Frogs have played better football this year than in 1938—in every respect except winning games!

The Frogs have gained more ground, been thrown for fewer losses, passed better, fumbled less and held their opponents to smaller yardage in their first three games than they did last season. All the Frog followers bemoaned the loss of Davey O'Brien, yet Jack Odle and Rusty Cowart have passed to the tune of a .547 completion percentage in the first three games, as compared to O'Brien's .470 percentage in the first three of '38.

Coach Dutch Meyer's boys have amassed a total of 1016 yards from scrimmage to date this year, whereas they had but 933 yards at the same point last year.

On the defensive side, the three opponents have been held this year to a total of 505 yards gained, as compared with 631 yards gained last year.

The combined opponents have passed for a .485 percentage mark this season, while last year they completed passes for a mere .280 mark.

The Christians fumbled 15 times in the three first contests of '38 and but 10 times in this year's first three.

"Statistics, statistics everywhere, and not a touchdown in sight!" Coach Meyer wails. "We're the statistical champions of the conference!"

"I'll trade all of the fine figures for a few points each game. To lose three games by a total of seven points—first four points, then one, then two—is a new record of some kind or other. And a record that I'd gladly surrender to some other coach!"

The Frogs are working desperately to find some way to convert these amazing favorable figures into a few points that will show in the box score.

And a crowd of some 25,000 will be in the T. C. U. Stadium Saturday just to see if, by any chance, the Frogs might begin to click against that great undefeated Aggie eleven.

In the Miami University chemistry laboratory there is a special shower for use when students' clothes catch fire during experiments.

**Chesterfield's**  
RIGHT COMBINATION  
of the world's best cigarette tobaccos brings out the best features of each

All the fine American and Turkish tobaccos in Chesterfield's famous blend are known for some particular smoking quality... and the way Chesterfield combines these fine tobaccos is why you get a milder, better-tasting smoke with a more pleasing aroma.

That is why, when you try them we believe you'll say...  
*They Satisfy*

PERC WESTMORE, make-up expert for Warner Bros., says it takes the right combination of color, line and contour to bring out the best features of all stars. Here you see him with glamorous ANN SHERIDAN who is currently starring in "THE ANGELS WASH THEIR FACES" a Warner Bros. picture

for your pleasure...
